Board meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Board through the Chair of the Board. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Board must request a speaking slot via email. Please email Matt Brown, Chief Operating Officer of TEACH Public Schools at mbrown@teachps.org if you wish to address the Board. The email must contain speaker name, contact number or email, and subject matter and be submitted to the COO or Superintendent prior to the start of the meeting.

Members of the public may address the Board on any matter within the Board's jurisdiction and have three (3) minutes each to do so. The total time for each subject will be fifteen (15) minutes, unless additional time is requested by a Board Member and approved by the Board. The Board may not deliberate or take action on items that are not on the agenda. However, the Board may give direction to staff following a presentation.

The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Board meeting. The Board of Directors may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Board's ability to conduct its business in a timely manner. The Board of Directors may also allow for additional public comment and questions after reports and presentations if it deems necessary.

Board Member Recruitment and Appointment Policy
The Board of Directors of TEACH Public Schools recognizes that a key element of a high-quality board is high-quality directors. This policy is designed to achieve this end.

The number of directors shall be five, seven, or nine, at the discretion of the Board. The term of each director shall be two (2) years. Terms shall be staggered so that not all directors' terms expire in a single year.

As each director's term expires, the Board and administration will endeavor to provide at least two nominees for the expired position, one of which may be the director whose term is expiring. Current board members and school administration will nominate new Board candidates. Each candidate will complete the attached application form.

The Board will complete a Capability Matrix and use it to identify gaps in current Board capabilities. The Board will consider candidates' capacities to fill in these gaps when it deliberates on whom to select.

Appointment of a new director to the Board or reappointment of an existing director will be determined by a simple majority vote of the directors whose terms are not expiring. Expansion of the Board to add more directors may be approved by a simple majority of the existing Board, so long as no change contradicts any provision of the charters that created the schools operated by TEACH Public Schools.

## Board Candidate Application

Please complete the following questionnaire for consideration to be nominated as a member of the TEACH Public Schools Board of Directors. Please attach a copy of your current resume, biography, curriculum vitae, or similar document.
"TEACH Public Schools seeks to establish state-of-the art community schools in South Los Angeles that will equip students with skills and habits of mind needed to compete in the 21st century. It will reach students of all backgrounds by teaching the whole child which includes the social, physical, emotional, moral, ethical, and intellectual needs of students so that upon graduation, the knowledge and the experiences acquired at this school site can be effectively applied to their daily lives."

1. As a Board member, how will you help achieve the schools' mission and vision? As a lifelong educator, I will bring active support and resources to increase the ability to reach all students socially, emotionally, and academically. I can offer professional development, research, and adult teaching to engage the staff and teachers. I can assist in the development of curriculum to fully engage our students.
2. What specific strengths, skills or capabilities will you bring to this position? I bring strong communication skills, organization, energy, and educational knowledge from PK - adult. I bring interest in supporting the students who may need an extra boost and the families who need the extra guidance. I am interested in actively participating in the schools' activities.
3. Why are you interested in being a board member? I am looking for new opportunities to continue my support of undertapped
children, where we can push them to become the next citizens and leaders of our community. My passion is to assist all who need it! This seemed like great next step to delve further into a growing charter operation and be part of the charter movement.

## FY21 funaing Deterrals

## Principal Apportionment Deferrals

The state has implemented several Kindergarten through Grade 12 (K-12) apportionment deferrals by deferring a portion of current year state aid payments to the subsequent fiscal year. The chart below provides information on the deferrals that impact the Principal Apportionment for the 2020-21 fiscal year. Note: Deferral amounts and estimated impacts are based on current legislation and information available as of September 2020. The deferral impact estimates for February 2021 through May 2021 do not reflect the proposed ADA growth formula in Senate Bill 820.

## Use of Learning Loss Mitigation Funding

## Use of Funds

The focus for the use of the funds and distribution formula are outlined in the 2020-21 budget package, with focus to use the funds to support transitional kindergarten through 12th grade pupil academic achievement and mitigate learning loss related to COVID-19 school closures. Specifically, funds are to be used for:
-Addressing learning loss or accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports that begin before the start of the school year and the continuation of intensive instruction and supports into the school year.
-Extending the instructional school year by making adjustments to the academic calendar, increasing the number of instructional minutes provided during each week or schoolday, or taking any other action that increases the amount of instructional time or services provided to pupils based on their learning needs.
-Providing additional academic services for pupils, such as diagnostic assessments of pupil learning needs, intensive instruction for addressing gaps in core academic skills, additional instructional materials or supports, or devices or connectivity for the provision of in-classroom and distance learning.
-Providing integrated pupil supports to address other barriers to learning, such as the provision health, counseling, or mental health services, professional development opportunities to help teachers and parents support pupils in distance-learning contexts, access to school breakfast and lunch programs, or programs to address pupil trauma and social-emotional learning.

## Tired ReEngagement Strategies

Students Synchronous attendance and Asynchronous work submission are of utmost importance.
We do not want students to experience learning loss this school year. So we have to take a proactive stance on attendance.
We are working on Tired ReEngagement Strategies for Students with attendance concerns. This is what we have so far:

| Tier I | Parent Squares and Main <br> Office Calls and Advisory <br> Teacher Calls | 15 or More <br> Absences | 85 Students |
| :--- | :--- | :--- | ---: |
| Tier II | Home Visits, Attendance <br> Agreement or SST | $16-65$ or <br> More <br> Absences | 24 Students |
| Tier III | Attendance Review Board and <br> or DCFS Referral | 70 or More <br> Absences | 0 Students |

We have visited 22 homes have had 9 successful visits.
The students that have not successfully reengaged will be placed on an attendance agreement (Tier II).
We will reexamine student Tier's every week.
Advisory Teachers will call their advisory students with attendance concerns.
