C. Villarreal, S. Burrows

Guests Present

B. Bulgeron (remote)

I. Opening Items

A. Call the Meeting to Order

J. Lewis called a meeting of the board of directors of TEACH Public Schools to order on Wednesday Apr 20, 2022 at 5:02 PM.

B. Record Attendance

C. Public Comment

No public comment

II. Consent Items

A. Consent Items: Approve the Current Agenda and Minutes From the March 23, 2022 Meeting

J. Lobdell made a motion to Approve the consent agenda. A. Dragon seconded the motion. The board **VOTED** to approve the motion.

Roll Call

- J. Lobdell Aye
- C. Villarreal Absent
- S. Burrows Absent
- J. Lewis Aye
- A. Dragon Aye

B. Resolution to Hold Virtual Board Meetings

J. Lobdell made a motion to Approve the resolution.

A. Dragon seconded the motion.

The board **VOTED** to approve the motion.

Roll CallA. DragonAyeS. BurrowsAbsentJ. LewisAyeJ. LobdellAyeC. VillarrealAbsent

III. Items Scheduled for Information and Potential Action

A. TEACH Public Schools Financial Report

Theresa Thompson gave the financial report and summarized March highlights including the surplus for the three schools and the CMO, meeting or exceeding all of the bond requirements and the overall strong fiscal position. Theresa also told the board that cash may be invested in market accounts and that is a potential issue for the board to consider at a later date.

B. Consideration of Board Member Applicant Cecilia Sandoval

J. Lobdell made a motion to Approve the application of Cecilia Sandoval to the Board.

A. Dragon seconded the motion.

Beth introduced Cecilia and highlighted her education experience and then Cecilia answered the question, "why do you want to serve the TEACH community?' Cecilia talked about her work experience and that she has the perspective of a community member living near the TEACH schools. The board **VOTED** to approve the motion.

Roll Call

- C. Villarreal Absent
- A. Dragon Aye
- S. Burrows Absent
- J. Lewis Aye
- J. Lobdell Aye

C. Approve the Annual School Calendar and Bell Schedule

D. Acceptance of Emergency Connectivity Funds Program

J. Lobdell made a motion to Approve Acceptance of Emergency Connectivity Funds.

A. Dragon seconded the motion.

Enrique Robles gave the presentation explaining the program and how it will provide technology and connectivity (via hotspots) to students for use at school and at home.

The board **VOTED** to approve the motion.

Roll Call

- A. Dragon Aye
- S. Burrows Absent
- J. Lobdell Aye
- C. Villarreal Absent
- J. Lewis Aye

E. RFP for After School Services

J. Lobdell made a motion to Approve the RFP for After-School Services.

A. Dragon seconded the motion.

Enrique Robles presented the RFP timeline and requirements for vendors to provide after school services for both the elementary and middle school. The board **VOTED** to approve the motion.

Roll Call

J. Lobdell Aye

C. Villarreal Absent

A. Dragon Aye

J. Lewis Aye

S. Burrows Absent

F. TEACH Preparatory Elementary School Principal's Report

Sharon Rhee reviewed the current enrollment (up one student from last month), attendance rate of 87.1% and the upcoming LAUSD site visit. She also discussed testing strategies and end of the year ceremonies.

G. TEACH Academy of Technologies Principal's Report

Suzette Torres presented the report for the middle school. She referred to the written report that was attached to the board materials and informed the board of her upcoming LAUSD site visit.

H. TEACH Tech High School Principal's Report

Dr. Woodley gave the presentation for the high school. She reported a 92% attendance rate and expressed hope that more students would report to school after a restful spring break.

I. CEO's Report

Dr. Carranza informed the board of the gas leak in the vicinity of the high school that prompted a change to distance learning for the following two days. He also expounded upon the articulation between the schools that will allow teams to master student baseline data quickly and efficiently in order to immediately address student needs at the beginning of the year.

IV. Closing Items

A. Upcoming Meeting Date

The next Regular Board meeting will be held on May 18, 2022 at 5 pm.

B. Public Comment

There was no public comment.

C. Board Member Comments

There was no board comment.

D. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:49 PM.

Respectfully Submitted, J. Lewis

D. Approval of 2022-2023 Board Meeting Schedule

J. Lobdell made a motion to Approve the Board Meeting Schedule.

A. Dragon seconded the motion.

The board discussed the meeting schedule and in-person and virtual board meetings.

The board **VOTED** to approve the motion.

Roll Call

- A. Dragon Aye J. Lobdell Aye C. Villarreal Absent C. Sandoval Aye S. Burrows Aye
- J. Lewis Aye

E. Approve the RFP for Food Services

A. Dragon made a motion to Approve the RFP for food services.

J. Lobdell seconded the motion.

Enrique Robles presented the RFP for food services and explained the process. The board asked if the current vendor was applying and about the timeline. The board **VOTED** to approve the motion.

Roll Call

- A. Dragon Aye
- C. Sandoval Aye
- C. Villarreal Absent
- S. Burrows Aye
- J. Lobdell Aye
- J. Lewis Aye

F. Approval of Update Teacher Salary Schedule

S. Burrows made a motion to Approve the updated teacher salary schedule. J. Lobdell seconded the motion.

Beth Bulgeron and Dr. Carranza presented the new teacher salary schedule in light of LA and state law. The board asked questions about our level of competitiveness and Dr. Pimienta provided information about comparable salaries at other schools and described our scale as competitive and attractive to new teachers.

The board **VOTED** to approve the motion.

Roll Call

- C. Villarreal Absent
- J. Lewis Aye
- A. Dragon Aye
- J. Lobdell Aye
- C. Sandoval Aye
- S. Burrows Aye
- G. Chief Academic Officer's Report on Academic Performance including: NWEA, SBAC completion, percentage of students on track for on-time graduation, percentage of students earning a D or F in a core course, graduation data, summer professional development plans.

This item was postponed until next month's meeting.

H. TEACH Preparatory Elementary School Principal's Report

Ms. Rhee provided a report that highlighted all of the end of the year activities as well as the successful LAUSD oversight visit.

I. TEACH Academy of Technologies Principal's Report

Ms. Torres provided an end of year report and described the testing and activities that were taking place at the middle school.

J. TEACH Tech High School Principal's Report

Monique Woodley gave a detailed report on the high school and end of year activities including graduation and senior activities. She also described her very successful LAUSD oversight visit.

K. CEO's Report

Dr. Carranza provided his report that included highlights about the first class of TEACH kids graduating from college. The board members shared their support and congratulations related to this important milestone.

IV. Closing Items

A. Upcoming Meeting Date

The next meeting is scheduled for Friday June 17th at 4 pm

B. Public Comment

There was no public comment.

C. Board Member Comments

Board Chair Lewis expressed his appreciation for the TEACH team.

D. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:08 PM.

Respectfully Submitted, J. Lewis

Resolution to Hold Virtual Board Meetings

Section:II. Consent ItemsItem:B. Resolution to Hold Virtual Board MeetingsPurpose:VoteSubmitted by:Virtual_Board_Meeting_Resolution.pdf

RESOLUTION OF THE BOARD OF DIRECTORS OF TEACH, INC. CONSIDERING THE CONTINUED STATE OF EMERGENCY AND CIRCUMSTANCES FOR BOARD MEETINGS BY TELECONFERENCE PURSUANT TO THE BROWN ACT

WHEREAS, meetings of the Board of Directors ("Board") of TEACH, Inc. ("TEACH") are called, held, and conducted in accordance with the Ralph M. Brown Act (Govt. Code § 54950, *et seq.*) (the "Brown Act"), as applicable.

WHEREAS, on or about March 4, 2020, Governor Newsom proclaimed a state of emergency in California in response to the coronavirus (COVID-19) outbreak. The state of emergency remains active, and state and local officials recommend health and safety measures to promote social distancing.

WHEREAS, on or about March 20, 2020, Governor Newsom issued Executive Order N-29-20 to temporarily suspend certain requirements under the Brown Act which, among other things, expanded flexibility to hold meetings by teleconference during the COVID-19 pandemic. Executive Order N-29-20 expired on September 30, 2021.

WHEREAS, following the recent enactment of Assembly Bill 361 (2021), revised Section 54953(e) of the Brown Act now provides modified conditions with regards to Board member and public participation by teleconference during a state of emergency in order to maintain social distancing.

NOW, THEREFORE, this Board hereby finds, resolves and orders as follows:

Section 1. After consideration or reconsideration, as applicable, of the circumstances of the ongoing state of emergency, this Board finds that such circumstances continue to directly impact the ability of Board members to meet safely in person, and that state and local health officials continue to recommend measures to promote social distancing.

Section 2. In light of these ongoing circumstances, meetings of the Board, and its committees, if any, shall be called, held and conducted in accordance with the teleconferencing requirements of Section 54953(e)(2) of the Brown Act, rather than Section 54953(b)(3).

Section 3. This resolution shall take effect immediately upon its adoption and shall remain effective for thirty (30) days, or until this Board adopts a subsequent resolution or otherwise makes findings by majority vote in accordance with Section 54953(e)(3) to extend the effective period by another thirty (30) days. The Board may delegate, by motion or other action of the Board, its authority to make findings in accordance with Section 54953(e)(3) to a Board committee.

Section 4. The officers of this Board, the Executive Director of TEACH, or their designee(s), are individually authorized and directed to take or cause to be taken such other actions as may be required to fulfill the purposes of this resolution.

#

CERTIFICATE OF ADOPTION

I, _____, Secretary of Board of Directors of TEACH, Inc., a California nonprofit public benefit corporation, County of Los Angeles, California, hereby certify as follows:

The attached is a full, true, and correct copy of the resolutions duly adopted at a regular meeting of the Board of Directors of TEACH, Inc., which was held on ______, 2021, at which all the members of the Board of Directors had due notice and at which a quorum was present; and at such meeting such resolutions were adopted by the following vote:

AYES: NOES: ABSTAIN: ABSENT:

WITNESS my hand this _____ day of _____, 2021.

Secretary, TEACH, Inc.

Cover Sheet

Approve the Updated Fiscal Policies

Section: Item: Purpose: Submitted by: Related Material: II. Consent Items C. Approve the Updated Fiscal Policies Vote

TEACH Fiscal Policy_Board Propsedv2 07.22.docx

OVERVIEW AND GENERAL BUSINESS POLICIES

The Board of TEACH Public Schools, governing TEACH Academy of Technologies, TEACH Tech High School and TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School (or "School") has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of the School to support the mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

- The Board approves financial policies and procedures, delegate's administration of the policies and the procedures to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and reviews operations and activities on a regular basis.
- 2. The Executive Director/Chief Executive Officer has responsibility for all operations and activities related to financial management. However, the Board and Executive Director/Chief Executive Officer can appoint or delegate someone else to perform the responsibilities.
- 3. Financial duties and responsibilities must be separated so that no one employee has sole control authorizing transactions, recording financial transactions and custody of assets.
- 4. The School will maintain in effect the following principles in its ongoing fiscal management practices to ensure that:
 - a. expenditures are authorized by and in accord with amounts specifies in the board-adopted budget,
 - b. the school's funds are managed and held in a manner that provides a high degree of protection of the school's assets, and
 - c. all transactions are recorded and documented in an appropriate manner.

Budget Development, Oversight Calendar and Responsibilities

The School will develop and monitor its budget in accord with the annual budget development and monitoring calendar as specified below.

January–April

Charter Impact works with Executive Director/Chief Executive Officer, and Chief Operating Officer/Chief Financial Officer to review Governor's proposed state

budget for the upcoming fiscal year, and identify the likely range of revenues for the school's upcoming fiscal year (July 1 - June 30) based on projected enrollment. Once the revenue estimates are complete, Charter Impact and the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer develop the remainder of the budget including staffing levels, review of fixed costs and discretionary spending. Then a five-year budget projection is developed in accordance with the schools' established strategic and growth plans.

Budget Development, Oversight Calendar and Responsibilities (continued)

May-June

Charter Impact and the Executive Director/Chief Executive Officer, and Chief Operating Officer/Chief Financial Officer reviews revenue projections subsequent to the Governor's annual "May Revise" budget figures, fine-tunes the upcoming fiscal year budget to accommodate any changes. This budget will include monthly cash flow projections. The Board reviews and formally adopts a budget for upcoming fiscal year before June 20. A copy of the final budget is provided to the charter-granting agency.

July–August

Books for prior fiscal year are closed by Charter Impact, all transactions are posted, and records assembled for audit.

The budget is reviewed subsequent to the adoption of the state Budget Act and necessary adjustments are made. A copy of the revised final budget is provided to the charter-granting agency, if applicable.

September – December

The independent auditor performs audit of the closed fiscal year and prepares audit report for submission to the Audit Committee.

At the end of the first full week of school, the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer reviews the Charter School's actual attendance figures and notifies the Board if actual attendance is below budget projections. If needed, the school's budget is revised to match likely revenues.

The Audit Committee of the Board reviews a copy of the audit. The Executive Director/Chief Executive Officer address any audit exceptions or adverse findings. Once the Board approves the audit report, it is submitted to charter-granting agency.

On a monthly basis, the Executive Director/Chief Executive Officer, and Chief Operating Officer/Chief Financial Officer and Board reviews current year actual versus budgeted revenues and expenditures and other financial reports as presented by

Charter Impact. The Board approves any needed changes to the annual budget. Budget Transfers

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may transfer up to \$10,000 from one unrestricted budget item to another without board approval, but shall notify the Board of the transfer at the next regularly scheduled meeting.

Banking Arrangements

The School will maintain its accounts either in the County Treasury or at a federally insured commercial bank or credit union. Funds will be deposited in non-speculative accounts including federally-insured savings or checking accounts or invested in non-speculative federally-backed instruments or in the County's Pooled Money Investment Fund. If funds are held in accounts outside of the County Treasury, the Board must appoint and approve all individuals authorized to sign checks or warrants in accord with these policies and all checks over \$50,000 must be signed by two authorized signatories. Charter Impact will reconcile the school's ledger(s) with its bank accounts or accounts in the county treasury on a monthly basis.

Record Keeping

Transaction ledgers, duplicate unsigned checks, attendance and entitlement records, payroll records, and any other necessary fiscal documents will be maintained by school staff in a secure location for at least three years, or as long as required by applicable law, whichever is longer.

Appropriate back-up copies of electronic and paper documentation, including financial and attendance accounting data, will be regularly prepared and stored in a secure off-site location, separate from the school.

Charter Impact will retain electronic records at their site for a minimum of two (2) years; after which, the remaining five years will be the responsibility of the School.

Property Inventory

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer shall establish and maintain an inventory of all non-consumable goods and equipment worth over \$1,000. This inventory shall include the original purchase price and date, a brief description, serial numbers, and other information appropriate for documenting the school's assets. This property will be inventoried on an annual basis and lists of any missing property shall be presented to the Board.

All non-consumable school property lent to students shall be returned to the school no later than 5 working days after end of the school year. Any excess or surplus property owned by the school may be sold or auctioned by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer provided the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer provided the Executive Director/Chief Executive Director/Chief

to maximize the value of the sale or auction to the school. The sale or auction of property owned by the school with a fair market value in excess of \$1,000 shall be approved in advance by the Board.

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will immediately notify Charter Impact of all cases of theft, loss, damage or destruction of assets.

Attendance Accounting

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will establish and maintain an appropriate attendance accounting system to record the number of days students are actually in attendance at the School and engaged in the activities required of them by the School. The annual audit will review actual attendance accounting records and practices to ensure compliance. The attendance accounting practices will be in conformance with the Charter Schools Act and the applicable California Administrative Code sections defining Charter School Average Daily Attendance. Therefore:

- 1. ADA will be computed by dividing the actual number of days of student attendance by the number of calendar days of Instruction by the School.
- 2. The School's Instruction al calendar will include at least 175 days of Instruction to avoid the fiscal penalty for providing fewer than 175 days of Instruction as provided by the Administrative Code regulation. The calendar must also document that the school offers an amount of annual minutes of Instruction as required pursuant to applicable law.
- 3. Independent study must be pre-arranged by the student's adult guardian and the School and that the adult guardian will be required to complete and submit documentation of engagement in Instruction al activity to the school on forms prepared by the school. As applicable, such study shall be in full compliance with law governing independent study.

Annual Financial Audit

The Board will annually appoint an audit committee by January 1 to oversee the independent auditors for that fiscal year. Any persons with expenditure authorization or recording responsibilities within the school may not serve on the committee. The committee shall annually contract for the services of an independent certified public accountant to perform an annual fiscal audit. The audit shall include, but not be limited to (1) an audit of the accuracy of school's financial statements, (2) an audit of the school's attendance accounting and revenue claims practices, and in conjunction with (1) and (2) above, review the school's internal controls over financial reporting. The audit shall be prepared in accordance with any relevant Office of Management and Budget audit circulars if the School spends in excess of the amount which requires an audit. The Audit shall be completed, reviewed by the Board, and submitted to the charter-granting agency, the County Office of Education, the Office of the State Controller, and California Department of Education prior to December 15 of each year.

Required Budget and Other Fiscal Reports

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, working in conjunction with Charter Impact, will produce and submit to the charter granting agency any and all required fiscal reports as may be required by state or federal law, or mandated by the terms of the school's charter. These include, but are not limited to, attendance reports, enrollment and other data reports required by the California Basic Education Date System, and other related data.

Property and Liability Insurance

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer shall ensure that the school retains appropriate property and liability insurance coverage. Property insurance shall be obtained and address business interruption and casualty needs, including flood, fire, earthquake, and other hazards with replacement cost coverage for all assets listed in the school's Property Inventory and consumables. Premises and Board errors and omissions liability insurance shall also be obtained and kept in force at all times on a "claims made" form with a self-insured retention of no more than \$50,000 per occurrence and limit of no less than \$5 million per occurrence. The school's Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and other staff who manage funds shall be placed under a fidelity bond.

Board Compensation

Board members may not receive compensation for their services as directors or officers. They may receive reimbursement of expenses by resolution to be just and reasonable as to the time the resolution is adopted.

Fundraising, Grant Solicitation, and Donation Recognition

All fundraising or grant solicitation activities on behalf of the school must be approved in advance by the Board. The Board shall be informed of any conditions, restrictions, or compliance requirements associated with the receipt of such funds, including grants or categorical programs sponsored by the state or federal government. The Board shall be notified no later than the next regular board meeting of the award or receipt of any funds and shall approve the receipt of any grants, donations, or receipts of fundraising proceeds prior to their deposit in the school's accounts.

Contracts

Consideration will be made of in-house capabilities to accomplish services before contracting for them. Except as otherwise provided in these policies, the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may enter into contracts and agreements not to exceed \$50,000 without Board approval, provided funds sufficient for

the contract or agreement are authorized and available within the school's board- adopted budget. Contracts and agreements in excess of \$50,000 must be submitted for board approval and may be executed by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer or other person specifically designated by the Board after the Board has duly approved the contract or agreement. Board approval is only required if a contract is entered into that exceeds \$50,000 in value or an individual transaction exceeds the \$50,000 threshold. The \$50,000 board approval threshold does not apply to cumulative expenditures that may exceed \$50,000 in a fiscal year if no contract exists.

Office staff will keep and maintain a contract file evidencing the competitive bids obtained (if any) and the justification of need for any contracts over \$25,000. Competitive bids will be obtained where required by law or otherwise deemed appropriate and in the best interests of the school.

Written contracts clearly defining work to be performed will be maintained for all contract service providers (i.e. consultants, independent contractors, subcontractors). Contract service providers must show proof of being licensed and bonded, if applicable, and of having adequate liability insurance and worker's compensation insurance currently in effect. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may also require that contract service providers list the school as an additional insured.

If the contract service provider is a sole proprietor or a partnership (including LP, and LLP), the Business Operations Manager will obtain a W-9 from the contract service provider prior to submitting any requests for payments to Charter Impact.

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will approve proposed contracts and modifications in writing. Contract service providers will be paid in accordance with approved contracts as work is performed. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will be responsible for ensuring the terms of the contracts are fulfilled. Potential conflicts of interest will be disclosed upfront, and the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Executive Officer, or Chief Operating Officer/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, or Chief Operating Officer/Chief Financial Officer and/or Member(s) of the Governing Board with the conflict will excuse themselves from discussions and from voting on the contract.

Before entering into a contract with a vendor, TEACH will use due diligence to ensure that the vendor or contractor has not been suspended by the state or county or federal agencies for any cause. In awarding contracts, consideration will be given to the contractor's integrity, compliance with public policy, a record of past performance, and financial and technical resources. TEACH will not subcontract with or award sub-grants to any person or company who is debarred or suspended. For all contracts, TEACH verifies that the vendor with whom the school intends to do business is not excluded or disqualified. 2 C.F.R. part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300. All successful contractors must provide written certification that they have not been suspended or debarred from federal projects. The Chief Financial Manager and Business Manager will be responsible for verification. Such verification may include accessing the Online federal System for Award Management (SAM) to determine whether any relevant party is subject to any suspension or debarment restrictions.

Procedure:

Before entering into a contract with a vendor, the TEACH Business Manager will check the potential vendor or contractor against the debarment or suspension databases. If the vendor has not been debarred or suspended, the Business Manager will record the date and results of the search in the Contract Log. In addition, the Business Manager will conduct an annual review of existing contractors for suspension or debarment annually each May and will record the results of the annual review in the Contract Log document. The Contract Log will be kept by the Business Manager and made available to the fiscal team. The Contract Log will note the results of the review, the date of the review, and other pertinent contract information.

PURCHASING AND VENDOR PAYMENT

Segregation of Duties

The School will develop and maintain purchase order forms to document the authorization of non-payroll expenditures. All proposed expenditures must be approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, who will review the proposed expenditure to determine whether it is consistent with the Board-adopted budget. In the absence of a vendor invoice, the School will develop and maintain a check request form to document the approval of payment for specific items.

All transactions will be posted in an electronic general ledger maintained by Charter Impact. To ensure segregation of recording and authorization, the bookkeeper may not co-sign check requests for purchase orders.

General Purchasing Procedures

Purchases of individual items and services over \$50,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer shall not approve purchase orders or check requests lacking such documentation. Documentation shall be attached to all check and purchase order requests showing that at least two vendors were contacted and such documentation shall be maintained for three years. Purchases in excess of \$50,000 must be bid by a board-approved process, except in the case of emergencies that necessitate the purchase of emergency response supplies, equipment, or services. While the lowest possible cost will always be reasonably secured, bidding and documentation of a good faith effort is not needed for cumulative expenditures that may

exceed \$50,000 in a fiscal year if no contract exists or if no individual good or service exceeds \$50,000 in cost.

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may authorize expenditures and may sign related contracts within the approved budget. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and includes check #, payee, date, and amount. The Governing Board must also approve contracts and non-budgeted expenses over \$50,000.

When approving purchases, the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer must:

- a) Determine if the expenditure is budgeted
- b) Determine if funds are currently available for expenditures (i.e. cash flow)
- c) Determine if the expenditure is allowable under the appropriate revenue source
- d) Determine if the expenditure is appropriate and consistent with the vision, approved charter, school policies and procedures, and any related laws or applicable regulations
- e) Determine if the price is competitive and prudent.

Any individual making an authorized purchase on behalf of the school must provide Charter Impact with appropriate documentation of the purchase. Individuals other than those specified above are not authorized to make purchases without pre-approval.

Individuals who use personal funds to make unauthorized purchases will not be reimbursed. Authorized purchases will be promptly reimbursed by a bank check upon receipt of appropriate documentation of the purchase.

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may authorize an individual to use a school debit card to make an authorized purchase on behalf of the school, consistent with guidelines provided by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and/or Governing Board. The following provisions apply to debit card purchases:

- 1. The school card will be kept under locked supervision in the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer's office, and authorized individuals must sign the debit card out and must return the debit card and related documentation of all purchases within 24 hours of the purchases, unless otherwise authorized by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, or Chief Operating Officer/Chief Financial Officer.
- 2. If receipts are not available or are "missing", the individual making the charge will be held responsible for payment.
- 3. Debit cards will bear the names of both the Schools and the Executive Director/Chief

Executive Officer, or Chief Operating Officer/Chief Financial Officer.

Petty Cash

The Business Operations Manager will manage the petty cash fund, which will be capped at \$200. All petty cash will be kept in a locked petty cash box in a locked drawer or file cabinet. Only the Business Operations Manager and Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will have keys to the petty cash box and drawer or file cabinet. All disbursements will require documentation of purchase.

A register receipt for all purchases must be provided. The following are general petty cash operating procedures:

- 1. At all times the petty cash box will contain receipts and cash totaling \$200. A register receipt must support the petty cash slip. The individual using the petty cash to make a purchase is responsible for submitting the receipt for the petty cash slip to the Business Operations Manager within 24 hours of withdrawing the petty cash.
- 2. When expenditures total \$200 (when cash balance is reduced to \$0), the Business Operations Manager will total the disbursements, complete a Petty Cash Reimbursement Form, and obtain the approval of the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer. This should be done on at least a quarterly basis. The supporting receipts will be attached to the reimbursement request form and forwarded to Charter Impact.
- 3. Petty cash fund reimbursement checks will be made payable to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer.
- 4. Any irregularities in the petty cash fund will be immediately reported in writing to the Executive Director/Chief Executive Officer, and Chief Operating Officer/Chief Financial Officer.
- 5. Charter Impact will conduct surprise counts of the petty cash fund.

Purchase Orders

Non-recurring purchases should be accompanied by a purchase order, which must be approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer.

- 1. The Principals, Assistant Principals, Directors, Coordinators and Office Mangers all have the ability to generate a PO request in Office Books.
- 2. The PO is then automatically sent in Office Books to the Executive Director/Chief Executive Officer, and/or Chief Operating Officer/Chief Financial Officer for approval.
- 3. Once approved, the PO is then emailed to the vendor or copied and mailed for confirmation.

Payment Authorization

All original invoices will be forwarded to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer for approval.

- The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will carefully review each invoice, attach all supporting documentation (including a PO), and verify that the specified services and/or goods were received. When receiving tangible goods from a vendor, the person designated to receive deliveries should trace the merchandise to the packing list and note any items that were not in the shipment. The packing list should be submitted to Charter Impact with the invoice.
- 2. Once approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, he/she will stamp a check authorization on the invoice and complete the required information, including noting the specific budget line item that is to be charged for the specified expenditures. The invoice and supporting documentation will be sent to Charter Impact on at least a weekly basis (Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer should be aware of invoice due dates to avoid late payments). Charter Impact will then process the invoices with sufficient supporting documentation.
- 3. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer may authorize Charter Impact to pay recurring expenses (e.g. utilities, leases, etc.) without the Executive Director/Chief Executive Officer, of Chief Operating Officer/Chief Financial Officer's formal approval (signature) on the invoice when dollar amounts fall within a predetermined range. A list of the vendors and the dollar range for each vendor must be provided to Charter Impact in writing and updated on an annual basis.

Accounts Payable Checks

The Governing Board will approve, in advance, the list of authorized signers on the school account. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and any other employee authorized by the Governing Board may sign bank checks within established limitations.

- 1. Charter Impact does not use pre-printed check stock to avoid the risk of theft.
- 2. When there is a need to generate a check, the Business Operations Manager will send appropriate approved documentation to Charter Impact. This is usually an approved invoice or Check Request Form.
- 3. Once approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, Charter Impact prepares the check based on the check authorization prior to obtaining the appropriate signature(s).

- 4. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and Board Treasurer/Chief Financial Officer will co-sign checks in excess of \$50,000 for all non-recurring items. All checks less than \$50,000 require only the signature of the Executive Director/Chief Executive Officer or Chief Operating Officer/Chief Financial Officer.
- 5. Checks may not be written to cash, bearer, or petty cash. Under no circumstance will any individual sign a blank check.
- 6. Charter Impact will record the check transaction(s) into the appropriate checkbook and in the general ledger.
- 7. A copy of any impress check will be sent to Charter Impact with directions to transfer funds from the schools operating account to refresh the impress account balance to \$10,000 within 5 business days.
- 8. Charter Impact will distribute the checks and vouchers as follows:
 - a. Original mailed or delivered to payee
 - b. Duplicate or voucher attached to the invoice and filed by vendor name by a Charter Impact accountant.
 - c. Cancelled Checks maintained with the banking institution.
 - d. Voided checks will have the signature line cut out and will have VOID written in ink. The original check will be attached to the duplicate and forwarded to Charter Impact who will attach any other related documentation as appropriate.

Bank Reconciliations

Bank statements will be received directly, unopened, by a district office staff member that does not have access to cash or the authority to approve payments or electronically. This staff member then scans and emails the statement to Charter Impact (or Charter Impact may be granted view-only online access). Once the statement is received:

- 1. Charter Impact will examine all paid checks for date, name, cancellation, and endorsement. Checks will be valid for 6th months, however any discrepancies regarding the paid checks or any checks over 90 days will be researched and if applicable deleted from the accounting system.
- 2. Charter Impact will prepare the bank reconciliation, verifying the bank statements and facilitating any necessary reconciliation.
- 3. Charter Impact will compare the reconciled bank balance to the cash in the bank account and to the general ledger, immediately reporting any discrepancies to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer.

CASHRECEIPTMANAGEMENT

General Procedures for Non-Governmental Cash Receipts

For all fundraising activities approved by the board, the School will establish internal controls to ensure the safeguarding of assets. The following are general procedures for recurring activities:

- 1. All fundraising activities must receive written preapproval from the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer.
 - a. All funds must be collected by the Business Operations Manager and deposited into the lock box in a sealed envelope, along with any notes, forms, or other descriptions of how the funds are to be used.
 - b. The Business Operations Manager and one other district staff member will jointly open the lock box to verify the cash/check amounts, and sign off on the amounts received.
 - c. The lock box will be emptied at least two times per week, corresponding to days when deposits are made.
- 2. All checks will be immediately endorsed with the school deposit stamp, containing the following information: "For Deposit Only"
- 3. A deposit slip will be completed by the Business Operations Manager and initialed by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer for approval to deposit. The deposit slip will be duplicated and documentation for all receipts (copy of check, letter, etc.) will be attached to the duplicate deposit slip.
- 4. Deposits totaling greater than \$2,000 will be deposited within 24 hours by the designated school employee. Deposits totaling less than \$2,000 will be made weekly by the designated school employee. All cash will be immediately put into a lock box.
- 5. The duplicate deposit slip and deposit receipt will be attached to the deposit documentation and forwarded to Charter Impact to be filed and recorded weekly.

Volunteer Expenses

All volunteers will submit a purchase requisition form to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer for all potential expenses. Only items with prior written authorization from the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will be paid/reimbursed.

Returned Check Policy

A returned-check processing fee will be charged for checks returned as non-sufficient funds

(NSF). Unless otherwise pre-approved by Charter Impact or the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, payment of the NSF check and processing fee must be made by money order or certified check.

In the event that a second NSF check is received for any individual, in addition to the processing fee, the individual will lose check-writing privileges. Payment of the NSF check, the processing fee and any subsequent payment(s) by that individual must be made by money order or certified check.

In the case of NSF checks written by parents of students, failure to pay may result in the withholding of report cards/transcripts at the end of the semester and/or school year until payment is received, unless other mutually agreeable arrangements are approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and/or Governing Board. If unsuccessful in collecting funds owed, the school may initiate appropriate collection and/or legal action at the discretion of the Executive Director/Chief Executive Officer/Chief Financial Officer.

HUMAN RESOURCES AND PAYROLL

Payroll Services and Setup

Charter Impact prepares payroll checks, tax and retirement withholdings, tax statements, and to perform other payroll support functions. The Executive Director/Chief Executive Officer, Chief Operating Officer/Chief Financial Officer or Director of Human Resources will establish and oversee a system to prepare time and attendance reports and submit payroll check requests. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will review payroll statements each pay period to ensure that (1) the salaries are consistent with staff contracts and personnel policies and (2) the proper tax, retirement, disability, and other withholdings have been deducted and forwarded to the appropriate authority. All staff expense reimbursements will be on checks separate from payroll checks.

Upon hiring of staff, the Director of Human Resources and Business Operations Manager will be responsible for the creation of a personnel file will with all appropriate payroll-related documentation and completing or providing all of the items on the Employee Payroll Setup/Change Form. Items include a federal I-9 form, tax withholding forms, retirement date, and an accounting of the use of sick leave.

Timesheets

All hourly employees will be responsible for completing a timesheet including vacation, sick, and holiday time (if applicable). The employee and the appropriate supervisor will sign the completed timesheet. Incomplete timesheets will be returned to the signatory supervisor and late timesheets will be held until the next pay period. No employee will be paid until a correctly completed timesheet is submitted. If an employee is unexpectedly absent and therefore prevented from working the last day of the pay period or turning in the timesheet (such as an

employee calling in sick), the employee is responsible for notifying the signatory supervisor or for making other arrangements for the timesheet to be submitted. However, the employee must still complete and submit the timesheet upon return.

<u>Overtime</u>

Advanced approval in writing by the authorized supervisor is required for compensatory time and overtime. Overtime only applies to classified employees and is defined as hours worked in excess of eight (8) hours within a day or forty (40) hours within a week. Any hours worked in excess of an employee's regular work schedule must be pre-approved by the supervisor, unless it is prompted by an emergency. Overtime will not be granted on a routine basis and is only reserved for extraordinary or unforeseen circumstances. If a supervisor identifies a recurring need for overtime in any given position, the supervisor should immediately consult with the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer for further guidance.

Payroll Processing

For hourly employees, employees must sign timesheets to verify appropriate hours worked, resolve absences and compensations, and monitor number of hours worked versus budgeted. The Principal or Director of Human Resources will approve these timesheets. No overtime hours should be listed on timesheets without the supervisor's initials next to the day on which overtime was worked. For school site salaried employees, employees must sign into a log book to verify working days for accuracy. The Director of Human Resources will provide the designated school employee with any payroll-related information such as sick leave, vacation pay, and/or any other unpaid time.

For substitute teachers, the Office Manager will maintain a log of teacher absences and the respective substitutes that work for them. The Office Manager will verify that the substitutes initial the log next to their names before they leave for the day and that teachers, upon returning back to work, initial next to their names. The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer will notify Charter Impact of all authorizations for approved stipends.

Payroll is processed within 10 days after the period in which it is earned for hourly employees.

- 1. The signatory supervisor will submit a Payroll Summary Report of timesheets to Charter Impact for processing.
- 2. Charter Impact will prepare the payroll worksheet based on the summary report.
- 3. The payroll checks (if applicable) will be delivered to the district office. The, COO/CFO or Director of Human Resources will document receipt of the paychecks and review the payroll checks prior to distribution.

Payroll Taxes and Record Keeping

Paychex will prepare payroll check summaries, tax and withholding summaries, and other payroll tracking summaries based on the reporting submitted.

Paychex will also prepare the state and federal quarterly and annual payroll tax forms for income tax withholdings, Social Security and Medicare and submit the forms to the respective agencies on behalf of the school. Charter Impact will prepare the quarterly state returns for unemployment and disability, review the forms with the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer, and submit the forms to the state on behalf of the school.

The designated school employee will maintain written records of all full time employees' use of sick leave, vacation pay, and any other unpaid time.

- 1. The designated school employee will immediately notify the Director of Human Resources or COO/CFO if an employee exceeds the accrued sick leave or vacation pay, or has any other unpaid absences.
- 2. Records will be reconciled when requested by the employee. Each employee must maintain personal contemporaneous records.

Expense Reports

Employees will be reimbursed for expenditures within thirty (30) business days of presentation of appropriate documentation. Receipts or other appropriate documentation will be required for all expenses over five dollars and all reports must be approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer. Expenses greater than two months old will not be reimbursed.

Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer expense reports must be approved by another staff member (one of the other three not receiving the reimbursement) and always be submitted to Charter Impact for processing and payment, petty cash may not be used.

<u>Travel</u>

Employees will be reimbursed for mileage when the activity is pre-approved by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer. Mileage will be reimbursed at the government-mandated rate for the distance traveled, less the distance from the employee's residence to the school site for each direction traveled. For incidental travel, mileage will only be reimbursed if the one-way mileage exceeds 10 miles.

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer must pre-approve all out of town travel. Employees will be reimbursed for overnight stays at hotels/motels when pre-approved by an administrator and the event is more than 50 miles from either the employee's residence or the school site. Hotel rates should be negotiated at the lowest level possible, including the corporate, nonprofitor government rate if offered, and the lowest rate available. Employees will be reimbursed at the established per diem rate for any breakfast, lunch, or dinner that is not included as part of the related event.

Travel advances require written approval from the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and receipts for all advanced funds not returned. After the trip, the employee must enter all of the appropriate information on a

Travel Expense Report and submit it to the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer for approval and then on to Charter Impact for processing. If the advance exceeds the amount of the receipts, the employee will pay the difference immediately in the form of a check. If the advance is less than the amount of the receipts, the difference will be reimbursed to the employee in accordance with the expense report.

Telephone Usage

Employees will not make personal long distance calls on the telephones without prior approval from a supervisor. Employees will reimburse the school for all personal telephone calls.

FINANCE AND FINANCIAL REPORTING

Monthly Reporting

Charter Impact will submit a monthly financial report including:

- a. Statement of Financial Position
- b. Budget vs. Actual Report
- c. Monthly Forecast
- d. Accounts Payable Aging
- e. Monthly Check Register

The report will be reviewed at the scheduled board meeting and action will be taken, if appropriate.

Third Party Loans

The Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and the Board will approve all loans from third parties. In the case of a long- term loan, approval may also be required from the charter-granting agency in accordance with the terms of the charter petition and/or other lenders in accordance with the loan documents.

Once approved, a promissory note will be prepared and signed by the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer before funds are borrowed.

Fund Balance Reserve

A cash reserve of at least 5% of the annual expenses will be maintained. Charter Impact will provide the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer with a Statement of Financial Position on a monthly basis. It is the responsibility of the Executive Director/Chief Executive Officer, or Chief Operating Officer/Chief Financial Officer and the Governing Board to understand the school's cash situation. It is the responsibility of the Executive Officer to prioritize payments as needed.

June 17, 2022

Dear Raul Carranza,

On behalf of TEACH Public Schools we are pleased to offer you the following terms of employment as CEO/Executive Director with TEACH Public Schools effective 07/01/2022. The terms of your position with TEACH Public Schools are set forth below:

1. Work Schedule.

Workdays and hours shall be consistent with the applicable calendar of workdays and hours for this position.

Initial_____

2. Compensation and Benefits.

Your base salary will be \$10,416.67 per pay period, less payroll deductions and all required withholdings including STRS or PERS. You will be paid semi-monthly on the TEACH Public Schools regularly scheduled pay dates. For employees beginning employment after the start of the scheduled work year, the salary shall be pro-rated dependent upon the start date.

In addition, you will be eligible for the following standard TEACH Public Schools benefits: life, health, dental, and vision coverage for employees; and you will be able to participate in the TEACH Public Schools 403 (b) & 457 plan. Additionally, you may be eligible for vacation and sick leave per year. Additional details about these and further benefits are provided in the Employee Handbook. Additionally, you will be eligible for a 2.5% bonus each semester TEACH meets or exceeds its budgeted ADA. You will also receive a retention bonus of 2.5% on 7/1/2022 and 12/15/2022.

Initial____

Initial

3. At-Will Employment.

In accepting our offer of employment, you certify your understanding that your employment will be on an at-will basis, and that neither you nor any TEACH Public Schools representative has entered into a contract regarding the terms or the duration of your employment. As an at-will employee, you will be free to terminate your employment with the TEACH Public Schools at any time, with or without cause or advance notice. Likewise, TEACH Public Schools will have the right to terminate your employment at any time, with or without cause or advance notice. By accepting the role of CEO/Executive Director you confirm you understand and agree, that this at-will relationship cannot be changed or retracted, either orally or in writing, or by any policy or conduct, unless you receive a document expressly stating that your employment is no

– Page 1 –

longer at-will, which is signed both by you and the CFO/COO and approved by the TEACH Public Schools Board of Directors.

4. Additional Information.

I understand that I am required to attend all in-person professional development trainings and/or meetings.

This letter and the Employee Handbook, contain all of the terms of your employment with TEACH Public Schools and supersede any prior understandings or agreements, whether oral or written, between you and TEACH Public Schools. This letter may not be amended or modified except by an express written agreement signed by you, the TEACH Public Schools Chief Financial Officer and the TEACH Public Schools Board of Directors.

Upon acceptance of this offer of at-will employment, please sign and return to me.

Sincerely,

JJ Lewis Board Chair TEACH Public Schools

Dr. Raul Carranza

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: TEACH Tech Charter High School CDS Code: 19647330129627 School Year: 2022-23 LEA contact information: Dr. Monique Woodley Principal

323-872-0707

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2022-23 School Year

This chart shows the total general purpose revenue TEACH Tech Charter High School expects to receive in the coming year from all sources.

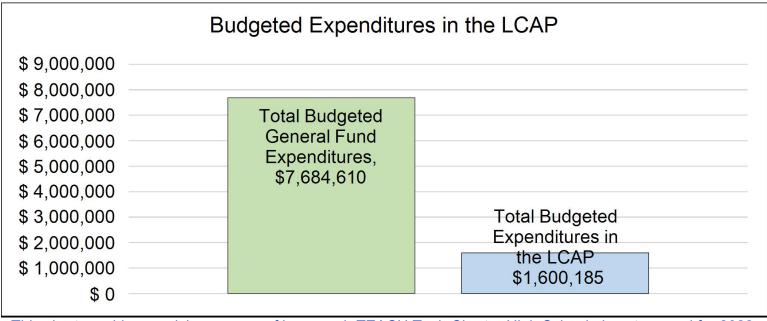

The text description for the above chart is as follows: The total revenue projected for TEACH Tech Charter High School is \$8,304,784, of which \$6232033 is Local Control Funding Formula (LCFF), \$1087307 is other state

118 of 439

funds, \$0 is local funds, and \$985444 is federal funds. Of the \$6232033 in LCFF Funds, \$891596 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much TEACH Tech Charter High School plans to spend for 2022-23. It shows how much of the total is tied to planned actions and services in the LCAP.

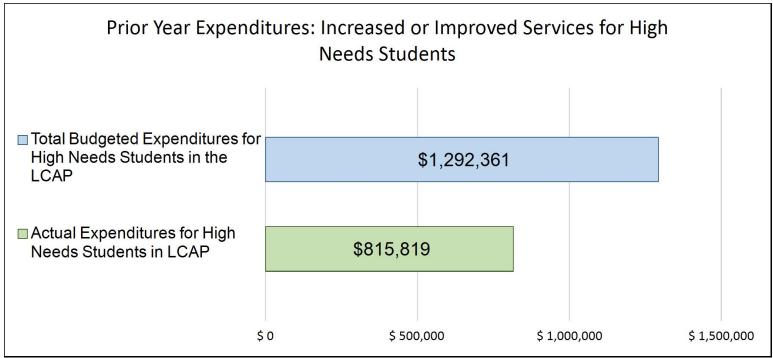

The text description of the above chart is as follows: TEACH Tech Charter High School plans to spend \$7684610 for the 2022-23 school year. Of that amount, \$1600184.50 is tied to actions/services in the LCAP and \$6084426 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in the LCAP for the 2022-23 School Year

In 2022-23, TEACH Tech Charter High School is projecting it will receive \$891596 based on the enrollment of foster youth, English learner, and low-income students. TEACH Tech Charter High School must describe how it intends to increase or improve services for high needs students in the LCAP. TEACH Tech Charter High School plans to spend \$891596 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2021-22

This chart compares what TEACH Tech Charter High School budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what TEACH Tech Charter High School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2021-22, TEACH Tech Charter High School's LCAP budgeted \$1292361 for planned actions to increase or improve services for high needs students. TEACH Tech Charter High School actually spent \$815819 for actions to increase or improve services for high needs students in 2021-22.

Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
TEACH Tech Charter High School	Monique Woodley	mwoodley@teachps.org
	Principal	323-872-0707

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP).

TEACH Tech Charter High School used a range of strategies to engage stakeholders on the use of funds provided through the Budget Act of 2021 that went beyond what was included in the LCAP. Partner engagement includes input from Principals, teachers and staff, students and parents Principals worked with home office personnel to refine the goals and provide input.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

TEACH Tech Charter High School is using/plans to use additional concentration grant add-on funding to pay for staff salaries to those that provide services to students who are low-income, English learners and foster youth, including the positions of instructional aides. This is consistent with Ed Code sec 42238.02 (increasing the number of staff who provide direct services to students (described) that make up more than 55% of the population at TEACH.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

TEACH engaged educational partners in the use of funds in order to support recovery from the pandemic and address the impact of student learning loss in an on-going basis through surveys and on-going informal feedback sessions for the use of federal funds intended to support recovery from Covid-19 pandemic.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

TEACH has made significant progress in implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan. The new Chief Academic Officer has been hired and is currently leading structural changes and developing systems to align curriculum and supporting teachers and Principals to address learning loss caused by the Pandemic through strategies to increase effectiveness of intervention strategies, using data to drive instruction and supporting cohesiveness at the school sites. Funds have been used to add staff and increase salaries for key positions that support student success. One struggle that TEACH has faced is the shortage of qualified candidates for particular positions such as the SST coordinator during the pandemic.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update.

Budgeting, school improvement planning, and the application of funds through Safe Return to In-Person Instruction and Continuity of Services Plan, the ESSER III Expenditure plan and the LCAP are performed as a holistic process with the fiscal team and school improvement teams allocating resources in a manner that is cohesive and aligned. TEACH has focused on addressing recruiting and attracting qualified staff for positions that address learning loss and seek to increase student engagement such as instruction aides for small group instruction, reduced class size, implementing other strategies specific to addressing learning loss.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education's

2022-23 Local Control Accountability Plan for TEACH Tech Charter High School

(CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at Icff@cde.ca.gov.

Introduction

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA's educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP
- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA's 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: "A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided

through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP)."

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: "A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent."

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California *Education Code* Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: "A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils."

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/</u>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: "A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation."

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA's implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: "A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update."

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA's 2021–22 LCAP. For purposes of responding to this prompt, "applicable plans" include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.

California Department of Education November 2021

Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Plan Summary [2022-23]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

TEACH Tech Charter High School (TTCHS) is an independent public charter school located in South Los Angeles, California. TTCHS resides on 10616 S. Western Ave. in South Los Angeles between residential homes, small businesses, and in close proximity to a local community college (Los Angeles Southwest College). TTCHS serves approximately 433 students in grades 9-12 grade. Student demographics include: 12% Students with Special Needs, 17% English Language Learners; .04% Foster Youth; and 87.4% who qualify for free/reduced lunch.

TTCHS' Mission is to create a high-quality, innovative teaching and learning environment that focuses on literacy; integrating state-of-the-art technologies across the core curriculum to achieve academic proficiency for all students.

TTCHS' VISION seeks to establish a state-of-the-art community school in South Los Angeles that will equip students with the skills and habits of mind needed to compete in the 21st century. It will reach students of all backgrounds by teaching the whole child which includes the social, physical, emotional, moral, ethical, and intellectual needs of students so that upon graduation, the knowledge and the experiences acquired at this school site can be effectively applied to their daily lives.

TTCHS was created as the fruition of a dream of its two founders Longtime Los Angeles educators Mildred Cunningham and Edith Morris founded the school. The school was established with a vision of addressing the needs of the whole child, building children's character, and integrating state-of-the-art technology in instruction. The staff focuses on forging deep, lasting connections with their students. "We hug them, we love them, we teach them," says co-founder Cunningham. They created the middle school, Teach Academy of Technologies in 2010, and were able to expand into a high school in 2014. These two career educators started a middle school with the intention of building a high school to provide quality education for students in the historically disenfranchised community of South Los Angeles. The goal was and is still today to raise students to be scholars, who are prepared to enter college and the workforce, by creating an environment that touches the hearts and minds of our students. Teachers are encouraged to build positive relationships with students to help foster a sense of safety and

security that promotes students flourishing and growing as individuals. Due to the small school size, students are well known in the school community and TTCHS maintains a sense of family by building on staff and student relationships to maintain respect and discipline across campus.

The overwhelming majority of TTCHS students live in South Los Angeles within a three-mile radius of the main campus. The school opened in the Fall of 2014-2015 school year with 96 9th and 10th-grade students in a small bungalow-style structure with limited space for lunch, student gatherings, and exercise. After one year in that facility, the district purchased an 8.5-million dollar property approximately 1.6 miles south of the original location and we relocated for 2 years at this site. Over 80% of the students who were enrolled during the first year relocated to the newly acquired campus. Over the next two years, the school added grades 11 and 12 and more than doubled its enrollment. Enrollment increased again in 2017-18 when the school added more enrollment slots for grades 11 and 12. We were able to increase our enrollment to 415, and we will be operating at full capacity in Fall 2020.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

These reflections are based on the review of performance on the state indicators and local indicators included in the Dashboard for SY 19-20, progress towards LCAP goals, local self-assessment tools, and stakeholder input.

In 2019 TEACH Tech Charter High School we received Blue standing in our 1) Suspension Rate and a Green standing in the Graduation Rate.

Suspension Rate - Blue

Our suspension security rate was a huge focus at our previous WASC visit. So we created a goal to decrease our suspension rate which in turn successfully impacted our CA Dasboard.

Student behavior, school culture, safety, and security have been strong at TTCHS, therefore we have determined that we achieved this goal. It is no longer an area of focus, although we are conscious to maintain strong safety and security procedures.

TTCHS believes that character is important in addition to academics. We focus on 10 character pillars throughout the year, with a specific focus on a different pillar for each month. Teachers model these character pillars and they are discussed during professional development. Students who exemplify the character pillar of the month are recognized for it in our monthly assembly. Our character pillars are Integrity, Fairness, KindnessCooperation, Respectful Behavior, Hard Work, Personal and Community Responsibility, Dignity, Self-Discipline, Creative and Problem-Solving.

We specifically implemented PBIS Positive Behavior Intervention & Supports (PBIS) is a proactive approach that schools use to improve school safety and promote positive behavior. Teachers and campus aides received intensive PBIS training in 2019 and 2020. Evidence that supports our progress in this area is as follows: Monthly detection dogs, 4 campus aides to support with security, security cameras, and partnership with Safe Passage. These tasks and resources have helped us to maintain a safe campus, which is measured through teacher narratives, student referrals and suspension data, and PBIS data. The implementation and acquisition of resources not previously used to enhance security demonstrate progress in this area. In addition, the climate of the school is safe and positive, so we are confident that this goal has been achieved.

Graduation - Green

Our college counselor works very hard to ensure that all students have what they need for graduation so she implements these 4 specific items to help students.

- 1. Manage the senior caseload
- 2. Meet with parents quarterly to discuss senior on-track status for graduation
- 3. Provide students with Apex course to recover any needed credits
- 4. Ensure that students are enrolled in summer school each summer that is needed

Chronic absenteeism was 2% for 20-21, increased to 22.09% in 21-22 Attendance rate 97% for 2021, decreased to 87.41% in 21-22 100% of students completed a-g requirements in 20-21, decreased to 98% in 21-22.

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Referring to the Dashboard for 19-20 and current state and local performance indicators, and stakeholder input, TTCHS has identified areas of identified need.

In 2019 TEACH Tech Charter High School was in orange for 1) English Language Arts, 2) Math, and 3) College/Career. TEACH Tech is committed to increasing our school performance on the indicators of need.

The reason for this performance indicator is directly related to our student SBAC performance in English and Math. While we believe to some degree that the declines in SBAC scores do not provide the best tool for evaluating the school's academic performance. Further, CAASPP testing is a one-time snapshot of the current 11th-grade performance on an English and math standardized test. It doesn't actually speak to declines or increases in student performance, rather it compares one group of students to a prior years cohort. With cohorts of 61 in 2018

and 77 in 2019, and subgroups of often less than 20, 2-3 students can create double-digit swings in subgroup statistics. Each SBAC year there has been an increase in student enrollment, which increases the number of students testing and the number of students that may not be proficient.

- Year 1 39 students
- Year 2 61 students
- Year 3 77 students

Twenty-five percent of that year's 11th-grade class were new enrollees to TEACH Tech. Many of those new students were limited English proficient. There were math staffing changes for students in previous years. Students that take Pre-Calculus are more likely to score advanced and proficient on the SBAC. The variables surrounding student achievement on SBAC are too numerous to make significant conclusions about instructional practices, especially given the sample sizes being utilized and the small differences in overall performance.

We are constantly analyzing and reflecting on student testing data and instructional practices as described in the answers below.

English Language Arts - Orange

As a result, we have taken the following 13 steps to increase our performance on the English SBAC.

- 1. Solidified the English department to include English teachers with +5 years of teaching experience.
- 2. Implemented Instructional Leadership Coach to support English team
- 3. Weekly lesson plan reviews, classroom observations, and digiCoach reviews
- 4. Focus on Reading and Writing through curriculum and digital platforms (Springboard, Read Theory, and StudySync)
- 5. Implementation of the PEEL writing strategy
- 6. Provide students with IEPs with extra assistance (Push in and Pull Out)
- 7. Assess students as soon as they enter 9th grade
- 8. Continued Professional Development for English Teachers
- 9. Share NWEA Growth with parents for reflection and review
- 10. Goal setting for students
- 11. Identify and assess incoming students and create remediation classes and/or other interventions for low-performing students.
- 12. Review of CAASPP performance data to identify topics and standards to focus on.
- 13. Create a list of ELA topics or standards for other departments to cover to support ELA.

Math - Orange

There were math staffing changes for students in previous years. This year we have a solid math department that are present daily and are working digitally to close student achievement gaps. In addition, students that take Pre-Calculus are more likely to score advanced and proficient on the SBAC so we need to adequately prepare more students to get to Pre-Calculus. While, the variables surrounding student

achievement on SBAC are too numerous to make significant conclusions about instructional practices, especially given the sample sizes being utilized and the small differences in overall performance, we can proactively plan to close the math achievement gaps. As a result, we have taken the following 11 steps to increase our performance on the Math SBAC.

- 1. Restructured Math Department to include math support in 9th and 10th grade (as needed)
- 2. Implemented Math Department Chair to support new math team
- 3. Weekly lesson plan reviews, classroom observations, and digiCoach reviews
- 4. Check for understanding in math class
- 5. Small groups and peer teaching
- 6. Provide students with IEPs with extra assistance (Push in and Pull Out)
- 7. Assess students as soon as they enter 9th grade
- 8. Assess students for Math Students (MDTP and NWEA)
- 9. Continued Professional Development for Math Teachers
- 10. Share NWEA Growth with parents for reflection and review
- 11. Goal setting for students

College/Career - Orange

While we are successful with meeting A-G requirements our SBAC scores in Math and English have played a large part in this data point. We have plans to increase student passage on the SBAC as stated above.

- 1. Manage the senior caseload
- 2. Meet with parents quarterly to discuss senior on-track status for graduation
- 3. Provide students with Apex course to recover any needed credits

CTE courses are not currently offered, 0% of students completed CTE courses and therefore 0% of students completed both a-g and CTE courses.

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

This past year there was a lot that we had to do to keep our educational program operational and effective during COVID-19. Staff participated in a two-week professional development program before the start of the 20-21 school year. During this time teachers coverED key instructional practices for distance learning and how to best conduct a class via Zoom. The Principal and Instructional Coach led training on implementing Project-Based Learning virtually. Training included technology training conducted by the Director of Operations, Data & IT. Staff was provided with a laptop, phone or google voice number and hot spots (as needed). Teachers have access to document cameras, projectors, and another tech was needed. Tech support was provided by the Director of Operations, Data & IT ech. In

order for us to improve PD, we provided teachers with PD surveys after each period to evaluate the PD.

We have increased English learner Professional Development for teachers, staff, and families by a minimum of three specialized sessions to support distance learning by October 30th, 2020. We improved the quality of English learners and low-income Professional Development related to distance learning by surveying and interviewing teachers.

Our LCAP Goals, the instructional focus for the school year drives our professional development plan, and we identified 4 areas of focus that were introduced to teachers at the beginning of the school year. This includes 1. Student Engagement 2. PEEL Writing Strategy 3. Cultural Connections and 4. Check for Understanding. We revisited these priorities throughout the school year and in observations, feedback, and when reviewing teacher lesson plans. Professional development was held weekly on Fridays, and there are 5 full days of PD during the school year in addition to the two weeks of professional development in the beginning.

The LCAP Goals were revised in order to align with our school's mission, vision, WASC Action Plan, and state accountability plans. For each LCAP goal, are CDE required measurable outcomes with annual growth targets. Our goals are as follows:

- Goal #1: Implement an infrastructure of schoolwide data analysis in the post-pandemic era (including assessments to inform instructional decisions, longitudinal data tracking, and implementation of research-based intervention programs); in order to sustain our current RTI/MTSS Structured Program (that identifies, monitors, and provides appropriate academic and social-emotional supports); in order to ensure student academic growth and close the achievement gap among all subgroups. (Aligns with WASC Action Plan, 2,3)
- Goal #2: Implement a comprehensive, school-wide Professional Development Plan that includes the CCSS ELA/ELD/Math & NGSS, differentiation, and research-based instructional strategies to address the diverse learning needs of our (ELL, SPED, Foster, Homeless and Economically Disadvantaged and Gifted) students and supports teachers to be effective educators. Implement an instructional day that provides students with a rigorous common core aligned curriculum across all disciplines, and instruction that includes culturally relevant and extended learning experiences that encourages student engagement elicits critical thinking, and problem-solving. (Aligns with WASC Action Plan 2,3)
- Goal #3: Engage parents as active partners through communication, and collaboration, workshops, School Site Council, Parent Meetings, and English Learner Advisory Committee Meetings, to ensure that all students are college and career ready. Provide students with a safe, welcoming, and inclusive, positive learning environment that exudes a culture of high expectations and a culture of respect. (Aligns with WASC Action Plan 1,4)

Here are some specific goal highlights:

Goal 1 Highlights: instruction is one of our top priorities this school year. The principal has an instructional focus for implementation. The instructional focus includes teacher lesson planning through data-driven instruction, coaching, and feedback with a focus on synthesizing information with evidence-based claims. In terms of 21st-century skills, we will be receiving additional PBL training on 21st-century skills in January to continue to implement 21st-century skills. When teachers complete their weekly lesson plan, teachers must plan with individual

and subgroups of students in mind. For example, with English Learners, we ensure that EL students receive the appropriate in-class and outof-class instructional support through our professional development for teachers, classroom observations, and feedback from students and their families. All teachers plan with our EL subgroups in mind. In terms of adjustments are implemented based on the progress shown in student achievement data, work samples, and observation notes.

Goal 2 Highlights: We are in year one of Illuminatie implementation. Illuminate will allow us to store all student data for analysis and distribution. The second phase is to roll out the students and family portal. Our college counselors and deans use all data points to support students. The principal also works with the Director of Operations, Data, and Technology to retrieve and analyze student data prior to all Board meetings. The assistant principal runs reports on culture and discipline.

Goal 3 Highlights: Engaging families has been a top priority for the new administration team. We have held coffee with the principals each month, school-site council meetings, ELAC's and grade level meetings. An area of growth is our ELAC meetings. We have finally found a core group of parents willing to meet to discuss EL data.

TEACH Tech Charter School will implement the actions and services outlined in this LCAP to improve student academic outcomes, retain highly effective teachers and strengthen the capacity of our Leadership Team to ensure that our school prepares every student for College and Career Readiness.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

TEACH Tech Charter High School is not eligible for CSI

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

Not applicable

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

Not applicable

Engaging Educational Partners

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

At TEACH Tech we understand the importance of engaging stakeholders in the LCAP updates.

All stakeholders were involved in reviewing and revising our LCAP Goals and action steps. These stakeholders include teachers, principals, administrators, non-teaching staff, parents and students. When developing the LCAP the school principal and administrators worked together to carefully review our school data and recommendations from all stakeholders. Specifically, feedback was solicited from staff, parents, and students to review our school data and share their suggestions on what we should focus on and how we can reach our goals. These suggestions were taken into consideration as we revised the goals and action steps. We will continue to make refinements yearly.

This year, the LCAP Goals and progress were shared with parents during parent meetings, School Site Council, and Coffee with the Principal. After our administrative team shared the goals and action items with parents, they were given an opportunity to share their input. This feedback was used to make additional refinements to our LCAP. While the principal took on a leadership role on engaging stakeholders, the assistant principal and instructional leadership coach worked to revise the goals and action items as a result of stakeholder feedback.

Specifically, the School Principal consulted with all stakeholders in the LCAP annual review and analysis in the following list of meetings this school year:

Monthly meetings with parents Board meetings – monthly Professional Development at the beginning of the year, mid-year, and end of the year. Discussions with students during informal meetings (due to COVID)

A summary of the feedback provided by specific educational partners.

This year we specifically focused on revamping our Goals.

Teachers gave great feedback on the refinement of our goals during PD. Specifically, our goals were defined as such.

Parents agreed with the change of the introductory verbs change on the goals. For example, changing "develop" to "implement."

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

Teachers gave great feedback on the refinement of our goals during PD. Specifically, our goals were defined as such.

Goal 1

Develop an infrastructure to implement multiple forms of student/schoolwide data including assessments to inform instructional decisions, implementation of research-based intervention programs; in order to research and develop an RTI/MTSS Structured Program to identify, monitor, and provide appropriate academic and social-emotional supports to ensure student academic growth, to close the achievement gap among all subgroups. (aligns with WASC Action Plan, 1,3,4)

2021-22 Goal 1

Implement an infrastructure of schoolwide data analysis in the post-pandemic era (including assessments to inform instructional decisions, longitudinal data tracking, and implementation of research-based intervention programs); in order to sustain our current RTI/MTSS Structured Program (that identifies, monitors, and provides appropriate academic and social-emotional supports); in order to ensure student academic growth and close the achievement gap among all subgroups. (Aligns with WASC Action Plan, 2,3)

Goal 2

Develop a comprehensive, coherently focused, school-wide Professional Development Plan that includes the CCSS ELA/ELD/Math & NGSS, differentiation, and research-based instructional strategies to address the diverse learning needs of our (ELL, SPED) students and supports teachers to be effective educators. Implement an instructional day that provides students with a rigorous common core aligned curriculum across all disciplines, and instruction that includes relevant and extended learning experiences that encourages student engagement elicits critical thinking, and problem-solving. (Aligns with WASC Action Plan 2,3)

2021-22 Goal 2

Implement a comprehensive, school-wide Professional Development Plan that includes the CCSS ELA/ELD/Math & NGSS, differentiation, and research-based instructional strategies to address the diverse learning needs of our (ELL, SPED, Foster, Homeless and Economically Disadvantaged and Gifted) students and supports teachers to be effective educators. Implement an instructional day that provides students with a rigorous common core aligned curriculum across all disciplines, and instruction that includes culturally relevant and extended learning experiences that encourages student engagement elicits critical thinking, and problem-solving. (Aligns with WASC Action Plan 2,3)

Goal 3

Engage parents as partners through education, communication, and collaboration, to ensure all students are college and career-ready. Provide students with a safe, welcoming, and inclusive, positive learning environment that exudes a Culture of High Expectations and a Culture of Respect. (Aligns with WASC Action Plan #1)

2021-22 Goal

Engage parents as active partners through communication, and collaboration, workshops, School Site Council, Parent Meetings, and English Learner Advisory Committee Meetings, to ensure that all students are college and career-ready. Provide students with a safe, welcoming and

inclusive, positive learning environment that exudes a culture of high expectations and a culture of respect. (Aligns with WASC Action Plan 1,4)

Goals and Actions

Goal

Goal #	Description
1	Implement an infrastructure of schoolwide data analysis in the post-pandemic era (including assessments to inform instructional decisions, longitudinal data tracking, and implementation of research-based intervention programs); in order to sustain our current RTI/MTSS Structured Program (that identifies, monitors, and provides appropriate academic and social-emotional supports); in order to ensure student academic growth and close the achievement gap among all subgroups. (Aligns with WASC Action Plan, 2,3)

An explanation of why the LEA has developed this goal.

This goal was previously developed and revised in collaboration with parents and teachers. This goal is still relevant, however, we have included a new focus "the post-pandemic era." Many of our students and their families struggle during the pandemic and we need to be able to assess and provide academic and socio-economic supports as we transition out of this historic time period. We had to think on our feet during the pandemic era, we specifically did the following. Staff participated in a two-week professional development program before the start of the 20-21 school year. During this time teachers covered key instructional practices for distance learning and how to best conduct a class via Zoom. The Principal and Instructional Coach led training on implementing Project-Based Learning virtually. Training included technology training conducted by the Director of Operations, Data & IT. Staff will be provided with a laptop, phone or google voice number, and hot spots (as needed). Teachers have access to document cameras, projectors and another tech as needed. Tech support will be provided by the Director of Operations, Data & IT. Constructions for us to improve PD, we provide teachers with PD surveys after each period to evaluate the PD. Now we have to monitor and provide supports for the "post-pandemic era."

Further, these goals align with our WASC Action Plan.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Annual Growth on CAASPP ELA distance from Level (DFL) 3 Scale Scores: Grade 11	-60 DFL3; 47.29% Meet or Exceed Proficiency standard	Data not available			Meet or exceed statewide rate (51.1% meet or exceed standard proficiency)

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Annual Growth on CAASPP Math distance from Level (DFL) 3 Scale Scores: Grade 11	-164.1 DFL3; 10.53% Meet or Exceed Proficiency standard	Data not available			Meet or exceed statewide rate (39.73% meet or exceed standard proficiency)
Increase attendance rates:	93%	87.41%			95-100%
Decrease Chronic Absenteeism rates: (1% decline annually)	18.7%	22.09%			less than 13%
Reduce High School Dropout Rates:	3%	1.27%			0%
Improve High School Graduation Rates:	80.6% (19-20)	98%			95% or higher
% of Grade 12 students that are CCR: UC A-G Completion rate	100%	98%			Maintain 100%
% of students who pass AP Exam with score 3+:	unavailable	unavailable			35%
% of students "College Ready" as measured by EAP: (ELA/Math)	0%/0%	unavailable			
% of students access broad course of study: UC A-G approved	100%	100%			
Decrease % of Grade 9 students "at-risk	33.3%/38.1%	Data not available			

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
HFZ" annually: Aerobic Capacity/Body Composition

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Assessments	In addition, to state-mandated assessments (CAASPP ELA & Math: Grade 11, CELDT: Initial only, ELPAC: ELL only, Physical Fitness Test Grade 9, & California Science Test (CAST). TEACH Tech Charter High School staff will implement multiple types of assessments in order to monitor each scholar's: academic progress; identify their strengths and needs in order to modify instruction; and identify the type of academic intervention needed. NWEA MAP ELA & Math Assessments: 3 times/year Interim Assessment Blocks: 3-4 times/year, benchmark assessments and Writing Assessments	\$461,979.00	No Yes
1.2	Hire Second Counselor	TEACH Tech Charter High School's project-based learning environment integrates a rigorous College Preparatory curriculum and a character education program to prepare students to thrive in school, college, and the world. This curriculum guides students with the life skills necessary to communicate effectively, make informed decisions, and set goals. Using our data-driven instructional program, our school will scale SSTProgram for academic and social-emotional/behavioral programs for unduplicated pupils. Our Leadership Team is currently researching a structural framework for a student support team, such as the Multi-tiered System of Supports (MTSS) for implementation. Established curriculum such as the Overcoming Obstacles Character	\$110,772.00	No

Action #	Title	Description	Total Funds	Contributing
		Education Curriculum is flexible to fit into core courses, advisory, and summer programs, counseling sessions, and college and career prep courses The Overcoming Obstacles curriculum is organized into middle and high school programs, each beginning with the three fundamental skills on which all other skills can be built: communication, decision making, and goal setting. Because of the modular format, teachers are able to teach the curriculum from start to end, and/or select specific modules that best suit the school/students. Modules include respect; teamwork; citizenship; a technique for addressing bullying; preparing for college and career; conflict resolution; problem-solving; confidence building; and time management. Positive Behavioral Interventions and Supports (PBIS): I an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety and support improved academic outcomes. The premise of PBIS is that continual teaching, combined with acknowledgment or feedback of positive student behavior will reduce unnecessary disciplinary data and principles of behavior analysis to develop school-wide, targeted, and individualized interventions and supports to improve school climate for all students. Speaker Series: Our school will continue to host guest speakers on a variety of topics ranging from social, cultural, family, and community issues, relevant to our student's experiences that align with our Character Education Program and our school's mission. Restorative Justice: Social-emotional and behavioral issues are addressed using the Restorative Justice model, and one-on-on counseling led by the School Counseling services. If necessary our school contracts social-emotional counseling services with the school Psychologist on an individual basis.		
1.3	Special Education Team	TEACH Tech Charter High School is designed to offer an engaging, welcoming and compassionate instructional environment for diverse	\$534,697.00	No

		students, including those who may be in foster care, homeless, experiencing housing instability, experiencing personal/family crisis or have other special needs. TTCHS's SPED Team provides instructional and social-emotional supports as outlined in the scholar's IEP: 2 RSP Teachers 1 Instructional Assistants Psychologist (contracted) Occupational Therapist (contracted)		Yes
1.4	Purchase iLit Curriculum	Utilize iLit curriculum as a data point to track EL student progress in the language.	\$10,000.00	Yes
1.5	Academic Interventions	To support the TEACH Tech Charter HS's program of academic interventions, our team includes a College Counselor, 2 Assistant Principal, an EL coordinator. The following outlines howTEACH Tech Charter HS assesses students for intervention and a description of the types of intervention strategies that our school will implement. Using our data driven instructional program, our school will scale SST programs for unduplicated pupils. Our Leadership Team is currently researching a structural framework for a student support team, such as the Multi tiered System of Supports (MTSS) for implementation.	\$242,693.00	No Yes
1.6	Purchase PowerSchool data wharehouse	We will implement a data warehouse to track longitudinal data.	\$4,000.00	No
1.7	Professional development	Professional development to faculty to increase data literacy, using data to drive instruction and provide efficient interventions	\$181,901.00	No

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and actual implementation of the actions for this goal.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There is no material difference between the budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The specific actions have been effective in making progress toward the goal, per the data released so far. One area the school has not made progress in is daily attendance, which has been influenced by Covid.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no changes planned to the goal, metric, desired outcomes, or actions for the coming year after reflections on practices.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description
2	Implement a comprehensive, school-wide Professional Development Plan that includes the CCSS ELA/ELD/Math & NGSS, differentiation, and research-based instructional strategies to address the diverse learning needs of our (ELL, SPED, Foster, Homeless and Economically Disadvantaged and Gifted) students and supports teachers to be effective educators. Implement an instructional day that provides students with a rigorous common core aligned curriculum across all disciplines, and instruction that includes culturally relevant and extended learning experiences that encourages student engagement, elicits critical thinking, and problem-solving. (Aligns with WASC Action Plan 2,3)

An explanation of why the LEA has developed this goal.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
% of students that have access to standards-aligned instructional materials:	100%	100%			100
% of teachers that will implement state standards for all students including EL access to CCSS & ELD	100%	100%			100
% of teachers who are appropriately credentialed and assigned.	100%	100%			100

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Increase percentage of EL who advance at least 1 Proficiency Level as measured by ELPAC:	21%	30%			50%
Increase English Learner reclassification rate:	32%	11.24%			50%

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Secure Standards Aligned Instructional- Materials	nstructional- standards-aligned instruction for all learners including ELs and SPED.		No Yes
2.2	Implement Periodic Professional Development on CCSS, NGSS, and ELD Standards	All teachers will be knowledgable of the CCSS and ELD standards and use backwards planning to incorporate the standards when setting objectives and measuring progress. Science teachers will incorporate NGSS standards into their lessons.	\$340,051.50	No Yes
2.3	Maintain Low Turnover Rate of Fully Credentialed Staff	All teachers are currently credentialed and appropriately assigned. Newly hired teachers will also be credentialed and appropriately assigned.	\$45,597.00	No
2.4	Retain EL Coordinator to Support English Learners	The EL Coordinator will support school-wide goals to increase classification rate through professional development for teachers, ELD class, tracking and monitoring EL progress, and assessing ELs using the ELPAC.		No

Action #	Title	Description	Total Funds	Contributing
2.5	Hire additional support staff for English learners as needed.	Additional support staff for English learners would included instructional aids on a a full-time or part time bases.	\$65,925.00	Yes
2.6	Professional development for teachers	Professional development to increase teacher capacity to deliver standards aligned project-based, inquiry-based learning that promotes critical thinking.	\$90,950.00	

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and actual implementation of the actions described under this goal.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The position of EL coordinator and the actions related to focusing on improvement of English Learner achievement have made progress in improving outcomes, the percentage of EL students advancing at least one proficiency level has improved significantly. However, these gains have not yet resulted in a higher reclassification rate.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

No changes are planned for the goal, metric, desired outcome, or actions based on reflections from this past school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description
3	Engage parents as active partners through communication, and collaboration, School Site Council, Parents Meetings and Council Meetings, to ensure that all students are college and career ready. Provide students with a safe, welcoming and inclusive, positive learning environment that exudes a culture of high expectations and a culture of respect. (Aligns with WASC Action Plan 1 and 4)

An explanation of why the LEA has developed this goal.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Parent involvement through input in decision-making via SSC, & ELAC.	Met	SSC and ELAC have active membership of 10 parents.			SSC has an active membership of 12 parents. ELAC has an active membership of 20 parents.
Parent involvement will include opportunities for participation in training programs.	Met	Met			25% of parents have participated in a TEACH Parent Center training.
Suspension rate:	0%	1.27%			0% suspension rate
Maintain expulsion rates:	0%	0%			0% expulsion rate
Administer parent, student & teacher survey to measure sense of safety and	Met	Met			75% of parents respond to survey. 100% of students respond to survey.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
school connectedness.					100% of staff respond to survey.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Develop Parent Center increasing family / community connectivity to school decision-making and school culture.	Create and offer parent training sessions that are relevant to them and the local community, i.e. English / Spanish language lessons / PowerSchool Training / College Admissions & Scholarships Workshops, etc.	\$5,500.00	No Yes
3.2	Maintain a zero percent suspension and expulsion rate.	Further develop PBIS program by creating Scrip / Rewards Program (Tech Bucks) which students can earn as rewards from teachers and staff for observed instances of positive behavior. Teachers will be distributed a set number of Tech Bucks each month and use them to reward students for positive behavior. Tech Bucks will be used toward prize raffles held at Way 2 Go Wednesday celebrations of student achievement.	\$6,208.00	No Yes
3.3	Create additional safety protocols and procedures to accommodate the increasing number of students on campus.	Additional campus aides will be hired and an additional protocols put in place for ingress and egress of students and staff.	\$98,643.00	No Yes
3.4	Hire 1 FTE Parent Coordinator	Hire 1 parent coordinator to be shared with other campuses		No Yes

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year. A description of any substantive differences in planned actions and actual implementation of these actions.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and the actual implementation of the actions described in this goal.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The school adopted a new parent and student survey and has effectively used social media and other methods of parent communication to increase parent involvement.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no planned changes to the goals, metrics, desired outcomes, or actions for the coming year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

16.92%	0.00%	\$0.00	16.92%

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

Iterim assessments (NWEA IAB) to quickly identify and address learning gaps, particularly in EL, Low-income and foster youth. Assessment results will be used to drive instructional practices and trigger interventions to close the achievement gap.

Student study team program for academic support and social emotional well-being program focused on unique needs of unduplicated students.

Curriculum purchase and implementation: Overcoming Obstacles, a character education curriculum designed to address the needs of low-income students.

ILit and EL curriculum

Positions: college counselor, Assistant Principal, and EL coordinator with focus on college counseling services for first generation college students, low-income students, EL and foster youth.

Professional development for teachers that provides instructional strategies addressing diverse needs of low-income students, EL learners and foster youth.

Professional development for implementing standards based curriculum and ELD tracking and monitoring, ELPAC assessment and data

evaluation to inform instruction for English learners. Opportunities for parent engagement and learning for parents of EL and low income students.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		1:87
Staff-to-student ratio of certificated staff providing direct services to students		1:19

Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at <u>lcff@cde.ca.gov</u>.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [*EC*] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (*EC* Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- Accountability and Compliance: The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (*EC* Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (*EC* sections 52064[b][1] and [2]).
 - Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for educational partners and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard (Dashboard), how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions that the LEA believes, based on input gathered from educational partners, research, and experience, will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

Plan Summary Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

Requirements and Instructions

General Information – Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

Reflections: Successes – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, input from educational partners, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improve performance for these students.

Reflections: Identified Need – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the "Red" or "Orange" performance category or any local indicator where the LEA received a "Not Met" or "Not Met for Two or More Years" rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? An LEA that is required to include a goal to address one or more consistently low-performing student groups or low-performing schools must identify that it is required to include this goal and must also identify the applicable student group(s) and/or school(s). Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

LCAP Highlights - Identify and briefly summarize the key features of this year's LCAP.

Comprehensive Support and Improvement – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- Schools Identified: Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools**: Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- Monitoring and Evaluating Effectiveness: Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the educational partners that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <u>https://www.cde.ca.gov/re/lc/</u>.

Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for engagement of educational partners in the LCAP development process:

Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

Prompt 1: "A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP."

Describe the engagement process used by the LEA to involve educational partners in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required educational partners as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

Prompt 2: "A summary of the feedback provided by specific educational partners."

Describe and summarize the feedback provided by specific educational partners. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from educational partners.

Prompt 3: "A description of the aspects of the LCAP that were influenced by specific input from educational partners."

A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the educational partner feedback described in response to Prompt 2. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, "aspects" of an LCAP that may have been influenced by educational partner input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions

- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures
- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

Focus Goal(s)

Goal Description: The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Broad Goal

Goal Description: Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Goal Description: Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Explanation of why the LEA has developed this goal: Explain how the actions will sustain the progress exemplified by the related metrics.

Required Goals

In general, LEAs have flexibility in determining what goals to include in the LCAP and what those goals will address; however, beginning with the development of the 2022–23 LCAP, LEAs that meet certain criteria are required to include a specific goal in their LCAP.

Consistently low-performing student group(s) criteria: An LEA is eligible for Differentiated Assistance for three or more consecutive years based on the performance of the same student group or groups in the Dashboard. A list of the LEAs required to include a goal in the LCAP based on student group performance, and the student group(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

Consistently low-performing student group(s) goal requirement: An LEA meeting the consistently low-performing student group(s) criteria must include a goal in its LCAP focused on improving the performance of the student group or groups that led to the LEA's eligibility for Differentiated 2022-23 Local Control Accountability Plan for TEACH Tech Charter High School
Page 55 of 70

Assistance. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, this student group or groups. An LEA required to address multiple student groups is not required to have a goal to address each student group; however, each student group must be specifically addressed in the goal. This requirement may not be met by combining this required goal with another goal.

- **Goal Description:** Describe the outcomes the LEA plans to achieve to address the needs of, and improve outcomes for, the student group or groups that led to the LEA's eligibility for Differentiated Assistance.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the student group(s) that lead to the LEA being required to develop this goal, how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the student group(s), and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes identified in the goal description.

Low-performing school(s) criteria: The following criteria only applies to a school district or COE with two or more schools; it does not apply to a single-school district. A school district or COE has one or more schools that, for two consecutive years, received the two lowest performance levels on all but one of the state indicators for which the school(s) receive performance levels in the Dashboard and the performance of the "All Students" student group for the LEA is at least one performance level higher in all of those indicators. A list of the LEAs required to include a goal in the LCAP based on school performance, and the school(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

- Low-performing school(s) goal requirement: A school district or COE meeting the low-performing school(s) criteria must include a goal in its LCAP focusing on addressing the disparities in performance between the school(s) and the LEA as a whole. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, the students enrolled at the low-performing school or schools. An LEA required to address multiple schools is not required to have a goal to address each school; however, each school must be specifically addressed in the goal. This requirement may not be met by combining this goal with another goal.
- **Goal Description:** Describe what outcomes the LEA plans to achieve to address the disparities in performance between the students enrolled at the low-performing school(s) and the students enrolled at the LEA as a whole.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the schools(s) that lead to the LEA being required to develop this goal; how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the school(s); and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes for students enrolled at the low-performing school or schools identified in the goal description.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g., high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–21 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g., graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- Metric: Indicate how progress is being measured using a metric.
- **Baseline**: Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 1 Outcome: When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 2 Outcome: When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 3 Outcome: When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023–24**: When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the "Measuring and Reporting Results" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2022– 23 . Leave blank until then.	Enter information in this box when completing the LCAP for 2023– 24 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024– 25 . Leave blank until then.	Enter information in this box when completing the LCAP for 2021– 22 or when adding a new metric.

The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

Actions: Enter the action number. Provide a short title for the action. This title will also appear in the action tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No. (**Note:** for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

Actions for English Learners: School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Requirements and Instructions

Projected LCFF Supplemental and/or Concentration Grants: Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of low income, foster youth, and English learner students.

Projected Additional LCFF Concentration Grant (15 percent): Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year: Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage: Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — *Dollar:* Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year: Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEAs percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

For each action being provided to an entire school, or across the entire school district or COE, an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 *CCR* Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

Principally Directed and Effective: An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA's goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7 percent lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action[s])

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100 percent attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

COEs and Charter Schools: Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

For School Districts Only:

Actions Provided on an LEA-Wide Basis:

Unduplicated Percentage > 55 percent: For school districts with an unduplicated pupil percentage of 55 percent or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

Unduplicated Percentage < 55 percent: For school districts with an unduplicated pupil percentage of less than 55 percent, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

For schools with 40 percent or more enrollment of unduplicated pupils: Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

For school districts expending funds on a schoolwide basis at a school with less than 40 percent enrollment of unduplicated pupils: Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided on an LEA-wide or schoolwide basis or provided on a limited basis to unduplicated students. A limited action is an action that only serves foster youth, English learners, and/or low-income students. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

For any action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage. See the instructions for determining the Planned Percentage of Improved Services for information on calculating the Percentage of Improved Services.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of full time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Data Entry Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Data Entry Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. With the exception of the Data Entry Table, the word "input" has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

• Table 1: Total Planned Expenditures Table (for the coming LCAP Year)

- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2022–23 LCAP, 2022–23 will be the coming LCAP Year and 2021–22 will be the current LCAP Year.

Data Entry Table

The Data Entry Table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included. In the Data Entry Table, input the following information for each action in the LCAP for that applicable LCAP year:

- LCAP Year: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount of LCFF funding the LEA estimates it will receive for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF apportionment calculations.

- 2. Projected LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration
 grants the LEA estimates it will receive on the basis of the number and concentration of unduplicated students for the coming school
 year.
- 3. Projected Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- LCFF Carryover Percentage: Specify the LCFF Carryover Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- Total Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.

- Goal #: Enter the LCAP Goal number for the action.
- Action #: Enter the action's number as indicated in the LCAP Goal.
- Action Title: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- Contributing to Increased or Improved Services?: Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - Scope: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
 - Unduplicated Student Group(s): Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
 - Location: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- Total Personnel: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- LCFF Funds: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - Note: For an action to contribute towards meeting the increased or improved services requirement it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
- Local Funds: Enter the total amount of Local Funds utilized to implement this action, if any.
- Federal Funds: Enter the total amount of Federal Funds utilized to implement this action, if any.
- Total Funds: This amount is automatically calculated based on amounts entered in the previous four columns.
- Planned Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis to
 unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for
 the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English
 learners, and/or low-income students.
 - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Service for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

• Estimated Actual Expenditures: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- 6. Estimated Actual LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- Estimated Actual Expenditures for Contributing Actions: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- Estimated Actual Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

• 9. Estimated Actual LCFF Base Grant: Provide the total amount of LCFF funding the LEA estimates it will receive for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

• **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column
- 5. Total Planned Percentage of Improved Services
 - This percentage is the total of the Planned Percentage of Improved Services column
- Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)
 - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- 6. Estimated Actual LCFF Supplemental and Concentration Grants
 - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds)

- 7. Total Estimated Actual Expenditures for Contributing Actions
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds)
- Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4)
- 5. Total Planned Percentage of Improved Services (%)
 - This amount is the total of the Planned Percentage of Improved Services column
- 8. Total Estimated Actual Percentage of Improved Services (%)
 - o This amount is the total of the Estimated Actual Percentage of Improved Services column
- Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8)

LCFF Carryover Table

- 10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 + Carryover %)
 - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover Percentage from the prior year.
- 11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- 12. LCFF Carryover Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- 13. LCFF Carryover Percentage (12 divided by 9)
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education January 2022

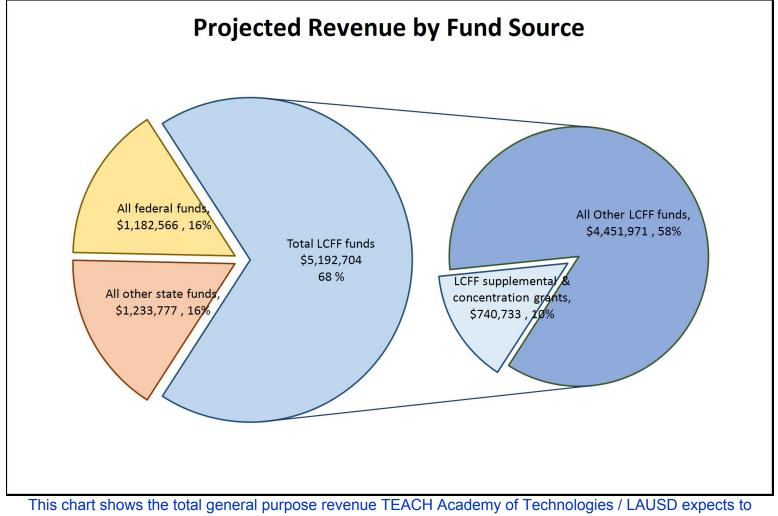

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: TEACH Academy of Technologies / LAUSD CDS Code: 19647330122242 School Year: 2022-23 LEA contact information: Suzette Torres Principal

323-872-0809

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2022-23 School Year

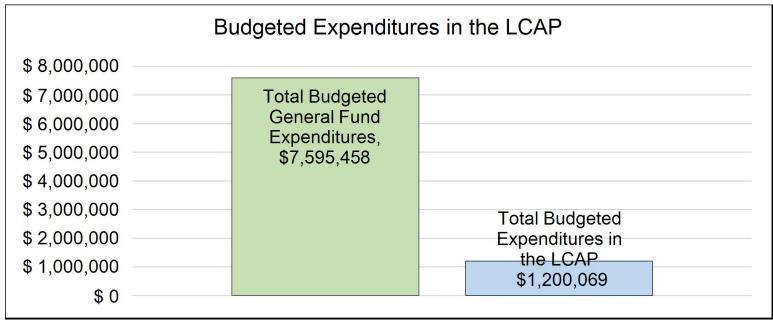

receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for TEACH Academy of Technologies / LAUSD is \$7,609,047, of which \$5,192,704 is Local Control Funding Formula (LCFF), \$1,233,777

is other state funds, \$0 is local funds, and \$1,182,566 is federal funds. Of the \$5,192,704 in LCFF Funds, \$740,733 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much TEACH Academy of Technologies / LAUSD plans to spend for 2022-23. It shows how much of the total is tied to planned actions and services in the LCAP.

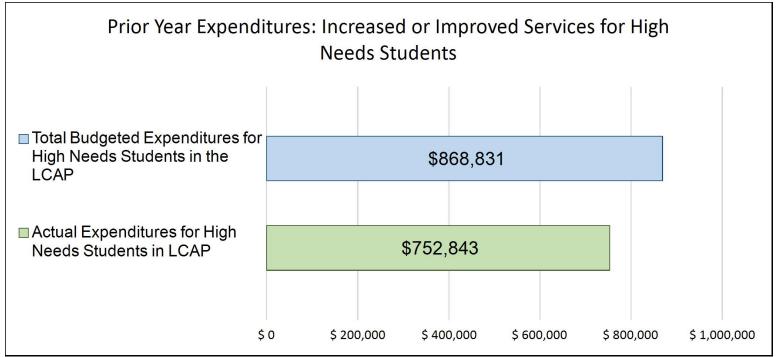

The text description of the above chart is as follows: TEACH Academy of Technologies / LAUSD plans to spend \$7595458 for the 2022-23 school year. Of that amount, \$1200068.80 is tied to actions/services in the LCAP and \$6,395,389.20 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in the LCAP for the 2022-23 School Year

In 2022-23, TEACH Academy of Technologies / LAUSD is projecting it will receive \$740,733 based on the enrollment of foster youth, English learner, and low-income students. TEACH Academy of Technologies / LAUSD must describe how it intends to increase or improve services for high needs students in the LCAP. TEACH Academy of Technologies / LAUSD plans to spend \$740733 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2021-22

This chart compares what TEACH Academy of Technologies / LAUSD budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what TEACH Academy of Technologies / LAUSD estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2021-22, TEACH Academy of Technologies / LAUSD's LCAP budgeted \$868831 for planned actions to increase or improve services for high needs students. TEACH Academy of Technologies / LAUSD actually spent \$752843.34 for actions to increase or improve services for high needs students in 2021-22.

Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
TEACH Academy of Technologies / LAUSD	Suzette Torres	storres@teachps.org
	Principal	323-376-6098

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP).

TEACH Academy of Technologies used a range of strategies to engage stakeholders on the use of funds provided through the Budget Act of 2021 that went beyond what was included in the LCAP. Partner engagement includes input from Principals, teachers and staff, students and parents Principals worked with home office personnel to refine the goals and provide input.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

TEACH Academy of Technologies is using/plans to use additional concentration grant add-on funding to pay for staff salaries to those that provide services to students who are low-income, English learners and foster youth, including the positions of instructional aides. This is consistent with Ed Code sec 42238.02 (increasing the number of staff who provide direct services to students (described) that make up more than 55% of the population at TEACH.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

TEACH engaged educational partners in the use of funds in order to support recovery from the pandemic and address the impact of student learning loss in an on-going basis through surveys and on-going informal feedback sessions for the use of federal funds intended to support recovery from Covid-19 pandemic.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

TEACH has made significant progress in implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan. The new Chief Academic Officer has been hired and is on board leading structural changes and developing systems to align curriculum and supporting teachers and Principals to address learning loss caused by the Pandemic through strategies to increase effectiveness of intervention strategies, using data to drive instruction and supporting cohesiveness at the school sites. Funds have been used to add staff and increase salaries for key positions that support student success. One struggle that TEACH has faced is the shortage of qualified candidates for particular positions such as the SST coordinator during the pandemic.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update.

Budgeting, school improvement planning, and the application of funds through Safe Return to In-Person Instruction and Continuity of Services Plan, the ESSER III Expenditure plan and the LCAP are performed as a holistic process with the fiscal team and school improvement teams allocating resources in a manner that is cohesive and aligned. TEACH has focused on addressing recruiting and attracting qualified staff for positions that address learning loss and seek to increase student engagement such as instruction aides for small group instruction, reduced class size, implementing other strategies specific to addressing learning loss.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCCE

Introduction

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA's educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP
- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA's 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as

a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: "A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP)."

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: "A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent."

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California *Education Code* Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students of unduplicated students that is greater than 55 percent.

Prompt 3: "A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils."

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/</u>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: "A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary

School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation."

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA's implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: "A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update."

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA's 2021–22 LCAP. For purposes of responding to this prompt, "applicable plans" include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.

California Department of Education November 2021

Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
TEACH Academy of Technologies / LAUSD	Suzette Torres Principal	storres@teachps.org 323-872-0809

Plan Summary [2022-23]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten-12, as applicable to the LEA.

TEACH Academy of Technologies ("TAT"), is a direct-funded WASC Accredited Charter School that was established in Fall 2010, currently serving 463 students in grades 5-8. Our student demographics include:

- 11% Students with Special Needs
- 27% English Language Learners
- 1% Foster Youth
- 0.3% Homeless
- 95% who qualify for free/reduced lunch.
- Ethnicity Breakdown:
- o HISPANIC 66%
- o AFRICAN-AMERICAN 34%

TAT's mission is to create a high-quality, innovative teaching and learning environment that focuses on literacy; integrating state-of-the-art technologies across the core curriculum to achieve academic proficiency for all students.

TAT's VISION seeks to establish a state-of-the-art community school in South Los Angeles that will equip students with the skills and habits of mind needed to compete in the 21st century. It will reach students of all backgrounds by teaching the whole child which includes the social, physical, emotional, moral, ethical, and intellectual needs of students so that upon graduation, the knowledge and the experiences acquired at this school site can be effectively applied to their daily lives.

Longtime Los Angeles educators Mildred Cunningham and Edith Morris founded the school. The school was established with a vision of

addressing the needs of the whole child, building children's character, and integrating state-of-the-art technology in instruction.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

Based on a review of performance on state indicators and local performance indicators included in the 19-20 Dashboard (described below), progress towards LCAP goals, local self-assessment tools and stakeholder input from 20-21, 20-22 and other information, TEACH Academy of Technologies is most proud of its prompt and effective pivots to meet the demands of on-line instruction during the Covid Pandemic. This included extensive technology support and training for teachers, students, and families. Professional development and technical guidance on best practices for online instruction, and the efforts to maintain positive student and teacher relations and parent outreach during the school year.

In 20-21 TEACH made significant progress implementing actions under LCAPS goals, particularly new platforms to increase parent participation and communication and streamlined interventions to address student achievement gaps. Teachers took part in professional development opportunities where they learned to use these new platforms to support student learning. TEACH also benefitted from the addition of the Chief Academic Officer, who has been working with the teachers and the school leadership to implement best practices in data-informed instruction, and has led the team to implement evidence-based best practices for student learning. TEACH will continue to build upon these practices that focus on meeting students' needs.

In addition, TEACH implemented professional development that included certification towards becoming a trauma-informed school, the academic calendar was modified to benefit the mental health of students and teachers. TEACH also continued partnerships with service providers to support the needs of the community and increased the counseling services available to students.

Previous Dashboard data indicated student academic performance for subgroups as follows:

ELA Distance from Standard as compared to 2018/2019 and the State:

Subgroups

African American: Improvement in DFS from 2018 DFS -85.1 (Red) to 2019 DFS -57.6 (Yellow) English Learners: Improvement in DFS from 2018 DFS -93.2 (Red) to 2019 DFS -78.5 (Orange) Latino: Improvement in DFS from 2018 DFS -57.0 (Orange) to 2019 DFS -54.6 (Orange) Socioeconomically Disadvantaged Students: Improvement in DFS from 2018 DFS -66.4 (Orange) to -57.0 (Yellow)

Math Distance from Standard as compared to 2018/2019 and the State: Subgroups African American: Improvement in DFS from 2018 DFS -157.8 (Red) to 2019 DFS -127.0 (Orange) English Learners: Improvement in DFS from 2018 DFS -145 (Red) to 2019 DFS -127.4 (Orange)

2022-23 Local Control Accountability Plan for TEACH Academy of Technologies / LAUSD

Latino: Improvement in DFS from 2018 DFS -118.5 (Red) to 2019 DFS -106.8 (Orange) Socioeconomically Disadvantaged Students: Improvement in DFS from 2018 DFS -131.2 (Red) to -115.0 (Orange)

Suspension rate:0% in 20-21, 0% in 21-22 Expulsion rate 0% in 20-21, 0% in 21-22 Chronic absenteeism rate: 25% in 20-21, 39.46% in 21-22 middle school dropout rate 0% in both 20-21 and 21-22 Percentage of EL students who progress in English proficiency: 100% in 20-21, 30%

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

The new California School Dashboard, comparing DFS to the state versus local schools, indicates that subgroup performance is measured in Orange and Yellow tiers (as outlined Reflections/Successes). Preliminary IAB, NWEA, and teacher reported data indicate that the virtual instruction and learning, which resulted due to COVID-19, has impacted student academic performance and social/emotional and mental well being. As a result, TEACH Academy of Technologies is implementing the following:

1. Professional Development that includes participant certification towards becoming a trauma-informed school

- 2. Modified academic calendar that considers the mental health of faculty and staff to better support our students and their families needs
- 3. Purchase of Performance Matters platform to monitor and respond to student performance data
- 4. Ongoing professional development to support teachers in implementing core curriculum and support platforms with fidelity to ensure differentiation based on formative and summative student data
- 5. Increase in extra-curricular offerings
- 6. Continued partnerships with service providers to support the needs of the school community
- 7. Increase in availability of counseling services

TEACH has also identified the need to improve the attendance and chronic absenteeism rate (20-21).

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

TEACH Academy of Technologies fully implemented a virtual Blended Learning model to support instruction and student learning during the 2020-2021 academic year, impacted by the mandates for social distancing and virtual instruction of COVID-19. This model allowed for

transparency in and access to instruction and instructional resources. Blended-Learning models will continue in order to facilitate responding to student data and supporting differentiating instruction.

The LCAP Goals address student performance levels and are aligned to our school's mission, vision, WASC Action Plan, stakeholder input, and state accountability.

Our goals are as follows:

Goal 1: Identify, prioritize, and implement school-wide strategies and activities that foster increased parent engagement in the governance and activities of the school and improve parental involvement by allowing opportunities for parents to participate in activities in and outside the classroom.

Goal 2: Improve student achievement by developing a systematic assessment plan for administering assessments, collecting data on mastery level towards common core standards, and analyzing data to inform instructional planning.

Goal 3: Improve teacher effectiveness by expanding professional development to include internal and external training that focus on instructional practices that reinforce standards-based mastery to support all sub-groups (SES, ELL, African American, and Latino) by creating high-engagement lessons.

Goal 4: Identify, prioritize, and plan appropriate onboarding professional development for new teachers, school administrators, and support staff to inform organization structures and school culture.

Goal 5: Develop a system for documenting and publicizing, among stakeholders and community, the school's progress.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

TEACH Academy of Technologies is not currently eligible for comprehensive support and improvement.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

Engaging Educational Partners

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

Stakeholder input was monitored throughout the year through monthly meetings, such as Coffee with the Principal, School Site Council, ELAC and impromptu open ZOOM meetings to hear from various stakeholders. The additional feedback provided via the LCAP survey further informed each LCAP Goal developed.

Parents, students, faculty and staff were provided with a survey to provide input surrounding respective priorities as well as the eight state priorities. The feedback provided directly impacted the goals outlined in the LCAP.

A summary of the feedback provided by specific educational partners.

Parent feedback gathered via a parent survey and school meetings is listed in order or priority as indicated by the percentage of response on survey:

Parent priorities:

- Provide tutoring and support: 85%
- Reduce the number of students in a classroom: 74%
- Provide help for students to plan for work and study after high school: 68%
- Increase teacher quality: 63%
- Increase counseling services: 47%
- Increase parent participation: 42%
- Increase services to English Language Learners: 37%

LCAP State Priorities:

- Ensure students have access to appropriate teachers, material and facilities: 79%
- Ensure students have access to all necessary classes: 74%
- Increase Student Achievement: 68%
- Increase Graduation Rates: 58%
- Increase Student Attendance: 47%
- Implement State Standards for all students: 37%
- Increase Parental Involement: 21%
- Decrease Student Suspensions and Expulsions: 26%

What could TEACH Academy of Technologies do to prepare more students to graduate college and career ready?

- Increase extracurricular activities
- Provide more tutoring
- Motivate students

- Provide college preparatory courses
- Instruct students on different types of career choices
- Help student understand their strengths
- Provide counseling
- Provide positive reinforcement

What could TEACH Academy of Technologies do to increase parental involvement?

- · Provide workshops and projects parents can do with students
- Increase calls and communication
- Schedule meetings at flexible hours
- Provide more advanced notice to meetings
- Increase expectations of parents
- Make meetings mandatory
- Provide weekend activities
- · Be specific about what tasks and responsibilities are available for parents
- Provide volunteer opportunities

What could TEACH Academy of Technologies do to increase student achievement?

- · Explore what works for the individual grade levels
- Increase self-esteem
- Motiviate students, create small groups, help them see who they can be
- Establish an atmosphere of trust and respect
- · Provide incentives and recognition awards
- Reduce the adult to student ratio
- · Counseling to identify the root of the problems

What could TEACH Academy of Technologies do to increase student attendance and decrease dropout rates?

- Hold teachers accountable
- Provide awards and incentives
- · Reach out to families
- Hold parents accountable
- Teach students about preparation for life

What could TEACH Academy of Technologies do to support struggling learners?

- Tutoring
- Encourage them
- Peer tutors
- Workshops

- Hire qualified teachers that know how to work with struggling learners
- Hire specialists

Student Feedback: TEACH Academy of Technologies helps students succeed in school? Strongly Agree: 27% Agree: 67% Disagree: 0% Don't Know: 6%

The curriculum is preparing me for high school. Strongly Agree: 27% Agree: 50% Disagree: 8% Don't Know: 15%

TEACH Academy of Technologies provides a safe and healthy environment. Strongly Agree: 25% Agree: 58% Disagree: 11% Don't Know: 6%

TEACH Academy of Technologies provides guidance and information to parents encouraging individual student success. Strongly Agree: 31% Agree: 52% Disagree: 8% Don't Know: 10%

TEACH Academy of Technologies promotes understanding of State Standards and how they relate to education. Strongly Agree: 31% Agree: 50% Disagree: 6% Don't Know: 14%

TEACH Academy of Technologies facilities are in good repair, safe and conducive for learning. Strongly Agree: 27% Agree: 60% Disagree: 4%

Don't Know: 10%

TEACH Academy of Technologies provides you with age appropriate opportunties to participate in enrichment classes, sports and other curricular activities to encourage a well rounded educational experience (e.g. Success Academy and ASAS). Strongly Agree: 31% Agree: 52% Disagree: 10% Don't Know: 8%

TEACH Academy of Technologies supports student who are learning English, who come from foster homes, who are challened by learning disabilities or who are living in poverty.

Strongly Agree: 29% Agree: 42% Disagree:6% Don't Know: 23%

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

The summary of the LCAP feedback listed above directly influenced the LCAP goals in the respective areas:

LCAP Priority 3: Parental Involvement (Engagement) - LCAP Goal 1: Identify, prioritize, and implement school-wide strategies and activities that foster increased parent engagement in the governance and activities of the school and improve parental involvement by allowing opportunities for parents to participate in activities in and outside the classroom.

LCAP Priority 2: State Standards (Conditions of Learning), Priority 4: Pupil Achievement (Pupil Outcomes), LCAP Priority 6: School Climate (Engagement), Priority 7: Course Access (Conditions of Learning) and Priority 8: Other Pupil Outcomes (Pupil Outcomes) - LCAP Goal 2: Improve student achievement by developing a systematic assessment plan for administering assessments, collecting data on mastery level towards common core standards and analyzing data to inform instructional planning.

LCAP Priority 1: Basic (Conditions of Learning), LCAP Priority 2: State Standards (Conditions of Learning) and Priority 8: Other Pupil Outcomes (Pupil Outcomes) - LCAP Goal 3: Improve teacher effectiveness by expanding professional development to include internal and external trainings that focus on instructional practices that reinforce standards-based mastery to support all sub-groups (SES, ELL, African American and Latino) by creating high engagement lessons.

LCAP Priority 1: Basic (Conditions of Learning) and Priority 8: Other Pupil Outcomes (Pupil Outcomes) - Goal 4: Charter administration and school administration need to identify, prioritize, and plan appropriate onboarding professional development for new teachers, school administrators, and support staff to inform organization structures and school culture.

LCAP Priority 3: Parental Involvement (Engagement) and Priority 5: Pupil Engagement (Engagement) - Goal 5: Charter administration and school administration need to develop a system for documenting and publicizing, among stakeholders and community, the school's progress.

Goals and Actions

Goal

Goal #	Description
1	Goal 1: Identify, prioritize, and implement school-wide strategies and activities that foster increased parent engagement in the governance and activities of the school and improve parental involvement by allowing opportunities for parents to participate in activities in and outside the classroom.
	Codify purposes, roles, and products for parent involvement Construct induction activities in which new parents can learn about the school, including how they can be involved.

An explanation of why the LEA has developed this goal.

Parent feedback as well as research which strongly supports that productive relationships between parents, community leaders and schools help support and strengthen student academic and social achievement.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Parent Surveys	•	24% of parents participated in surveys			80%-90%
Attendance to meetings	consistently participate in meetings	2.4% of parents consistently participated in meetings.			80%-90% of parents at 60%-70% participation

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Diagnostic Assessment Data	Share diagnostic assessment data with families. Data is shared through the platform ParentSquare and email and will expand to	\$71,927.00	No Yes

Action #	Title	Description	Total Funds	Contributing
		include Performance Matters (internal performance assessments), Hoonuit, and Schoology.		
1.2	Personlized Education Plan	Provide opportunities for parents to collaborate with their child(ren) in setting academic and life goals with preparation of the student's Personalized Education Plan.	\$95,879.00	No Yes
1.3	Instruction Program Feedback	Create opportunities for parents to participate in informational sessions about the instructional program and provide feedback on areas to be improved	\$93,412.00	Yes
1.4	Instructional Experiences Feedback	Provide opportunities for parents to know and understand the instructional experiences offered during instruction and provide feedback on successes and challenges. Opportunities will be provided through Google Drive, Thrively, Perfomance Matters and Schoology.	\$6,000.00	No Yes
1.5	Monthly Meetings, Workshops or Trainings	Provide opportunities for parents to participate in monthly meetings, workshops or trainings		No Yes
1.6	Use Communication Platforms	Use available resources to inform school community about opportunities for participation in meetings, workshops, trainings and student achievement.		No
1.7	Parent Committees	Ensure active parent committees		No

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year. A description of any substantive differences in planned actions and actual implementation of these actions.

The action steps for this goal have been implemented according to the plan.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between the budgeted amount and actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The actions were effective in making progress towards the goal. Even though the school is still working to improve parent involvement at live events, communication and engagement with parents has improved, and parents are more engaged in their student's academic progress through the use of the online platforms and methods for teacher - parent communication that have been implemented this year.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no planned changes.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description
2	 Goal 2: Improve student achievement by developing a systematic assessment plan for administering diagnostic and summative assessments, collecting data on mastery level towards common core standards and analyzing data to inform instructional planning. Expand and improve upon consistent administration of SBAC IABs to monitor student progress and inform instruction towards standards mastery. Evaluate and select a program that will disaggregate and display IAB and SBAC data for analysis and instructional planning. (School currently uses Illuminate and is researching Schoolzilla for 2021-2022) Implement and monitor the Personalized Education Plan outlined in the Charter Petition, holding students accountable for taking an active role in their mastery of standards and their educational path. (This goal addresses the identified Critical Academic Need to identify essential standards for grades K-12 that can inform instruction and be communicated to students and parents.)

An explanation of why the LEA has developed this goal.

A close analysis of SBAC, ELPAC, quarterly Norm-referenced assessments and Writing evaluations indicate a need to improve academic math, reading and writing skills for all students. Analysis of sub-group data indicates this focus is imperative.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Annual Growth on SBAC ELA DFS	-55.9; 27.68% of students meet or exceed grade level proficiency in ELA	data not yet available			Meet or exceed the statewide rate in ELA (exceed 51.1%)
Annual Growth on SBAC Math DFS	-113.6; 27.68% of students meet or exceed grade level proficiency in math	data not yet available			Meet or exceed the statewide rate in math (exceed 39.75%)

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Increase Attendance Rate	average daily attendance 94%; reduce chronic absenteeism rate 25%	average daily attendance 89.74%; chronic absenteeism rate 39.46%			95-100%; chronic absenteeism rate below 13%

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	IAB Administration	Create an annual IAB administration calendar outlining a minimum of three (3) administrations prior to the end-of-year SBAC.	\$18,071.00	Yes
2.2	Professional Development	Professional Development focused on understanding and administering authentic assessments. Teachers will become proficient in using Performance Matters and Schoology to create, administer and analyze student assessments.	\$199,903.00	Yes
2.3	Use of Data in Planning	Regularly monitor teacher use of data in planning instructional experiences.	\$166,803.00	No
2.4	Analyze and Disaggregate data	Provide professional development opportunities to regularly analyze and disaggregate summative and norm-referenced data, and formative assessment data to inform next steps in instructional planning.		No
2.5	Personalized Education Plan (Thrively)	Complete Personalized Education Plan with parent and student collaboration and revise quarterly, with IAB and NWEA assessment data. Thrively will be used in advisory.	\$5,000.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.6	English Learner Coordinator Position	Position shared with elementary school	\$188,820.00	No Yes
2.7	SPED Resource Teacher	SPED resource teachers to support students	\$125,367.00	No Yes

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in the planned actions and the actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between the budgeted expenditures and the estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

This year, the actions have been implemented and the school will assess whether or not these actions have been effective in increasing student achievement when data becomes available, but are expected to improve through consistent use throughout the three year LCAP plan period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

In order to improve the use of data at the classroom level, the school has added a position of Data Analyst (a shared position).

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description		
3 Improve teacher effectiveness by expanding professional development to include internal and external trainings that for on instructional practices that reinforce standards-based mastery to support all sub-groups (SES, ELL, African America) and Latino) by creating high engagement lessons.			
An explanation of	f why the LEA has developed this goal.		
TEACH Academ development in t	y of Technologies has an eclectic teaching faculty, with varied levels of technology and Blended Learning experiences. As y of Technologies moves towards a Blended Learning and Project-Based Learning instructional model, professional hese areas is critical to support all stakeholders in successfully addressing Common Core standards mastery for all ng sub-groups (SES, ELL, African American, and Latino).		
learning modaliti college and care Ninety-Seven pe Diagnostic data i Eleven percent (aphic data informs the need to provide students with quality, research-based instructional practices that address multiple es, bridge gaps for low-performing students, address language acquisition, and prepare students to take action in their er choices: rcent (97%) Free/Reduced meals. Indicates that approximately seventy percent (70%) of our students are performing below standard. 11%) of student have an IEP (52%) of our students are designated either EL (126) or RFEP (116)		

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Completion of Trauma-Informed Certifications	New	90%			100%
Participation in Professional Development	100%	100%			100%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Use of Web-pages for delivery of instructional resources	90%	100%			100%
Training in and implementation of Performance Matters	New	0%			100%
Training in and implemetation of standards-based curriculum	100%	100%			100%
Maintain credentialed teachers	100%	77%			100%

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Professional Development to Analyze Data	Professional development focused on analyzing formative and summative assessment data to guide instructional plans.		Yes
3.2	Professional Development to Research Instructional Strategies	Professional development to research and analyze research-based instructional strategies that support our targeted sub-groups.		Yes
3.3	Teacher Observations	Informal and formal observations to gather evidence of instructional practices and analyze outcomes.	\$166,802.00	Yes
3.4	Provide Teacher Feedback	Align teacher feedback to school-wide expectations for implementation of research-based strategies to support student performance outcomes.

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in the planned actions and the actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between the budgeted expenditures and the estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

Actions were effective in making progress toward the goal. Teachers participated and benefitted from professional development and teachers effectively used weebly pages to communicate lesson goals to students and parents.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no planned changes to the goal, metrics, desired outcomes, or actions for the coming year related to this goal.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description				
4	Charter administration and school administration need to identify, prioritize, and plan appropriate onboarding professional development for new teachers, school administrators, and support staff to inform organization structures and school culture.				
An explanation of why the LEA has developed this goal.					

Rationale: Each year TEACH Academy of Technologies has experienced fifty to seventy percent (50%-70%) staff or faculty turnover. This high rate of turnover has been a result of the need to move locations until a permanent site was purchased as well as the inability to fill positions with high quality teachers and credentialed teachers and provide professional development to support new teacher success, given the demands of working in an urban school. To improve teacher retention, which leads to improved school culture, it is necessary to provide high quality, relevant onboarding to familiarize faculty and staff with: California Standards for the Teaching Profession **TEACH** observation protocols Charter Petition LAUSD's Oversight Reports School's Action Plan for WASC accreditation School history and culture Schoolwide protocols and procedures Acquisition of curriculum and instructional practices Analyzing student demographic and assessment data Opportunity to train on school platforms, create teacher website and set up learning environment Opportunity to complete Safe Schools Training Assure understanding of roles and responsibilities assigned

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Onboarding Calendar and Guide	New	100%			100% implementation

Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Onboarding Calendar and Guide	Create Onboarding Calendar and Guide	\$18,071.00	No
4.2	Onboarding Internal Professional Development	Provide all faculty and staff with internal professional development in respective criterion	\$31,115.00	
4.3	Personalized Professional Development Plan	Create a Personalized Professional Development Plan for teachers, providing guidance, training and feedback to improve teacher practice.	\$38,893.50	

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between the budgeted expenditures and the estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The actions taken were effective in making progress toward the goal. A clear path and objectives for the onboarding process has been effective in improving staff's ability to effectively fulfill their roles.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

No changes are planned for this goal, metric, desired outcome, or actions for the coming year that resulted in reflections from prior practice.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
	Charter administration and school administration need to develop a system for documenting and publicizing, among stakeholders and community, the school's progress.

An explanation of why the LEA has developed this goal.

Research strongly supports that relationships between parents, community leaders and schools help support and strengthen student academic and social achievement.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Parent Square Posts Engagement	10%	100%			80-90%
Participation in Data Meetings	10%	10%			80-90%
Response to surveys relevant to student data	New	24%			80-90%
Dashboard to share data	New	100%			80-90%

Actions

Action #	Title	Description	Total Funds	Contributing
5.1	Data Dashboard	Create public dashboard for stakeholder to locate information for School Board meetings, monthly school meetings and workshops and available pre-recording videos that reflect aspects of school progress and climate		

Action #	Title	Description	Total Funds	Contributing
5.2	Positive School Climate for Inquiry	Ensure that all parents and community stakeholders are encouraged to seek information on the school's progress	\$38,336.00	
5.3	Stakeholder Meeting Calendar	Identify and calendar all stakeholder meetings and ensure all documents have consistent templates	\$23,336.00	

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in the planned actions and the actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The actions were effective in making progress towards the goal, but there is still room for improvement. The school anticipates that additional progress will be made towards this goal now that Covid cases are down and as the school community engages with, and is communicated with via social media platforms that are in synch with the strategies described under this goal.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no changes to the planned goal, metrics, desired outcomes, or actions for the coming school year.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2022-23]

Projected LCFF Supplemental and/or Concentration Grants	Projected Additional LCFF Concentration Grant (15 percent)
740773	

Required Percentage to Increase or Improve Services for the LCAP Year

Projected Percentage to Increase or Improve Services for the Coming School Year		LCFF Carryover — Dollar	Total Percentage to Increase or Improve Services for the Coming School Year
19.90%	0.00%	\$0.00	19.90%

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

Foster youth, English learners and low-incomes students will be served by the comprehensive professional development focused on differentiation and research-based strategies to address individual learning needs of these sub-groups. Foster youth, EL, and low-income students will be provided with technology and technology platforms to access rigorous curriculum, remediation, and extended learning experiences.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

English learners, low-income students, and foster youth will benefit from the technology and technology platforms designed to strengthen communication between teachers and parents, provide families with frequent updates on student academic performance, aid teachers in the analysis of student assessment performance and support students emotional development through an advisory-based curriculum.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		6:1
Staff-to-student ratio of certificated staff providing direct services to students		23:1

Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at <u>lcff@cde.ca.gov</u>.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [*EC*] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (*EC* Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- Accountability and Compliance: The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (*EC* Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (*EC* sections 52064[b][1] and [2]).
 - Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for educational partners and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard (Dashboard), how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions that the LEA believes, based on input gathered from educational partners, research, and experience, will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

Plan Summary Purpose

2022-23 Local Control Accountability Plan for TEACH Academy of Technologies / LAUSD

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

Requirements and Instructions

General Information – Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

Reflections: Successes – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, input from educational partners, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improve performance for these students.

Reflections: Identified Need – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the "Red" or "Orange" performance category or any local indicator where the LEA received a "Not Met" or "Not Met for Two or More Years" rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? An LEA that is required to include a goal to address one or more consistently low-performing student groups or low-performing schools must identify that it is required to include this goal and must also identify the applicable student group(s) and/or school(s). Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

LCAP Highlights – Identify and briefly summarize the key features of this year's LCAP.

Comprehensive Support and Improvement – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- Schools Identified: Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools**: Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- Monitoring and Evaluating Effectiveness: Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the educational partners that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <u>https://www.cde.ca.gov/re/lc/</u>.

Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for engagement of educational partners in the LCAP development process:

Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

Prompt 1: "A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP."

Describe the engagement process used by the LEA to involve educational partners in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required educational partners as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

Prompt 2: "A summary of the feedback provided by specific educational partners."

Describe and summarize the feedback provided by specific educational partners. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from educational partners.

Prompt 3: "A description of the aspects of the LCAP that were influenced by specific input from educational partners."

A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the educational partner feedback described in response to Prompt 2. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, "aspects" of an LCAP that may have been influenced by educational partner input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions

- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures
- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

Focus Goal(s)

Goal Description: The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Broad Goal

Goal Description: Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Goal Description: Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Explanation of why the LEA has developed this goal: Explain how the actions will sustain the progress exemplified by the related metrics.

Required Goals

In general, LEAs have flexibility in determining what goals to include in the LCAP and what those goals will address; however, beginning with the development of the 2022–23 LCAP, LEAs that meet certain criteria are required to include a specific goal in their LCAP.

Consistently low-performing student group(s) criteria: An LEA is eligible for Differentiated Assistance for three or more consecutive years based on the performance of the same student group or groups in the Dashboard. A list of the LEAs required to include a goal in the LCAP based on student group performance, and the student group(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

Consistently low-performing student group(s) goal requirement: An LEA meeting the consistently low-performing student group(s) criteria must include a goal in its LCAP focused on improving the performance of the student group or groups that led to the LEA's eligibility for Differentiated
2022-23 Local Control Accountability Plan for TEACH Academy of Technologies / LAUSD
Page 52 of 67

Assistance. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, this student group or groups. An LEA required to address multiple student groups is not required to have a goal to address each student group; however, each student group must be specifically addressed in the goal. This requirement may not be met by combining this required goal with another goal.

- **Goal Description:** Describe the outcomes the LEA plans to achieve to address the needs of, and improve outcomes for, the student group or groups that led to the LEA's eligibility for Differentiated Assistance.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the student group(s) that lead to the LEA being required to develop this goal, how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the student group(s), and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes identified in the goal description.

Low-performing school(s) criteria: The following criteria only applies to a school district or COE with two or more schools; it does not apply to a single-school district. A school district or COE has one or more schools that, for two consecutive years, received the two lowest performance levels on all but one of the state indicators for which the school(s) receive performance levels in the Dashboard and the performance of the "All Students" student group for the LEA is at least one performance level higher in all of those indicators. A list of the LEAs required to include a goal in the LCAP based on school performance, and the school(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

- Low-performing school(s) goal requirement: A school district or COE meeting the low-performing school(s) criteria must include a goal in its LCAP focusing on addressing the disparities in performance between the school(s) and the LEA as a whole. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, the students enrolled at the low-performing school or schools. An LEA required to address multiple schools is not required to have a goal to address each school; however, each school must be specifically addressed in the goal. This requirement may not be met by combining this goal with another goal.
- **Goal Description:** Describe what outcomes the LEA plans to achieve to address the disparities in performance between the students enrolled at the low-performing school(s) and the students enrolled at the LEA as a whole.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the schools(s) that lead to the LEA being required to develop this goal; how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the school(s); and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes for students enrolled at the low-performing school or schools identified in the goal description.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g., high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–21 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g., graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- Metric: Indicate how progress is being measured using a metric.
- **Baseline**: Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 1 Outcome: When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 2 Outcome: When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 3 Outcome: When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023–24**: When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the "Measuring and Reporting Results" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2022– 23 . Leave blank until then.	Enter information in this box when completing the LCAP for 2023– 24 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024– 25 . Leave blank until then.	Enter information in this box when completing the LCAP for 2021– 22 or when adding a new metric.

The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

Actions: Enter the action number. Provide a short title for the action. This title will also appear in the action tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No. (**Note:** for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

Actions for English Learners: School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Requirements and Instructions

Projected LCFF Supplemental and/or Concentration Grants: Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of low income, foster youth, and English learner students.

Projected Additional LCFF Concentration Grant (15 percent): Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year: Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage: Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — *Dollar:* Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year: Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEAs percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

For each action being provided to an entire school, or across the entire school district or COE, an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 *CCR* Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

Principally Directed and Effective: An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA's goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7 percent lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action[s])

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100 percent attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

COEs and Charter Schools: Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

For School Districts Only:

Actions Provided on an LEA-Wide Basis:

Unduplicated Percentage > 55 percent: For school districts with an unduplicated pupil percentage of 55 percent or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

Unduplicated Percentage < 55 percent: For school districts with an unduplicated pupil percentage of less than 55 percent, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

For schools with 40 percent or more enrollment of unduplicated pupils: Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

For school districts expending funds on a schoolwide basis at a school with less than 40 percent enrollment of unduplicated pupils: Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided on an LEA-wide or schoolwide basis or provided on a limited basis to unduplicated students. A limited action is an action that only serves foster youth, English learners, and/or low-income students. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

For any action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage. See the instructions for determining the Planned Percentage of Improved Services for information on calculating the Percentage of Improved Services.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of full time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Data Entry Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Data Entry Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. With the exception of the Data Entry Table, the word "input" has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

• Table 1: Total Planned Expenditures Table (for the coming LCAP Year)

- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2022–23 LCAP, 2022–23 will be the coming LCAP Year and 2021–22 will be the current LCAP Year.

Data Entry Table

The Data Entry Table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included. In the Data Entry Table, input the following information for each action in the LCAP for that applicable LCAP year:

- LCAP Year: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount of LCFF funding the LEA estimates it will receive for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF apportionment calculations.

- 2. Projected LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration
 grants the LEA estimates it will receive on the basis of the number and concentration of unduplicated students for the coming school
 year.
- 3. Projected Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- LCFF Carryover Percentage: Specify the LCFF Carryover Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- Total Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.

- Goal #: Enter the LCAP Goal number for the action.
- Action #: Enter the action's number as indicated in the LCAP Goal.
- Action Title: Provide a title of the action.
- Student Group(s): Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - Scope: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
 - Unduplicated Student Group(s): Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
 - Location: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- Total Personnel: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- LCFF Funds: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - Note: For an action to contribute towards meeting the increased or improved services requirement it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
- Local Funds: Enter the total amount of Local Funds utilized to implement this action, if any.
- Federal Funds: Enter the total amount of Federal Funds utilized to implement this action, if any.
- Total Funds: This amount is automatically calculated based on amounts entered in the previous four columns.
- Planned Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis to
 unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for
 the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English
 learners, and/or low-income students.
 - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Service for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

• Estimated Actual Expenditures: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- 6. Estimated Actual LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- Estimated Actual Expenditures for Contributing Actions: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- Estimated Actual Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

• 9. Estimated Actual LCFF Base Grant: Provide the total amount of LCFF funding the LEA estimates it will receive for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

• **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column
- 5. Total Planned Percentage of Improved Services
 - o This percentage is the total of the Planned Percentage of Improved Services column
- Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)
 - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- 6. Estimated Actual LCFF Supplemental and Concentration Grants
 - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds)

- 7. Total Estimated Actual Expenditures for Contributing Actions
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds)
- Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4)
- 5. Total Planned Percentage of Improved Services (%)
 - This amount is the total of the Planned Percentage of Improved Services column
- 8. Total Estimated Actual Percentage of Improved Services (%)
 - o This amount is the total of the Estimated Actual Percentage of Improved Services column
- Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8)

LCFF Carryover Table

- 10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 + Carryover %)
 - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover Percentage from the prior year.
- 11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- 12. LCFF Carryover Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- 13. LCFF Carryover Percentage (12 divided by 9)
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education January 2022

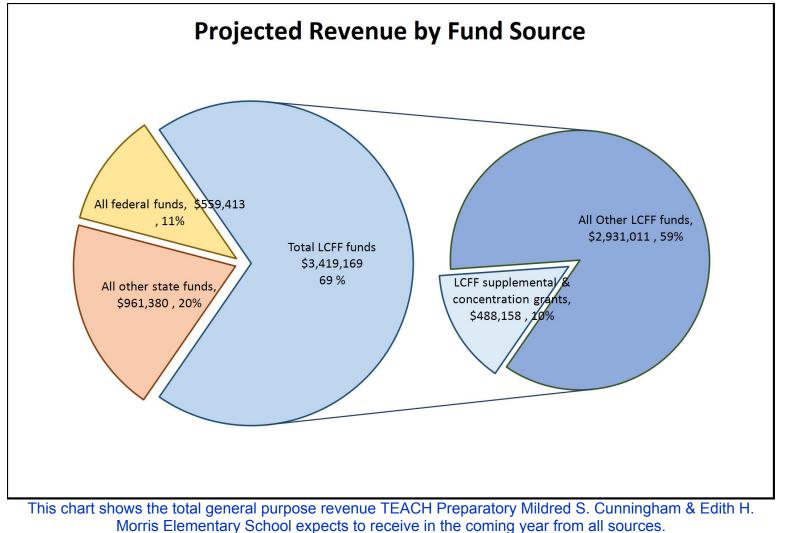

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School CDS Code: 19647330138305 School Year: 2022-23 LEA contact information: Sharon Rhee Principal

323-872-0708

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

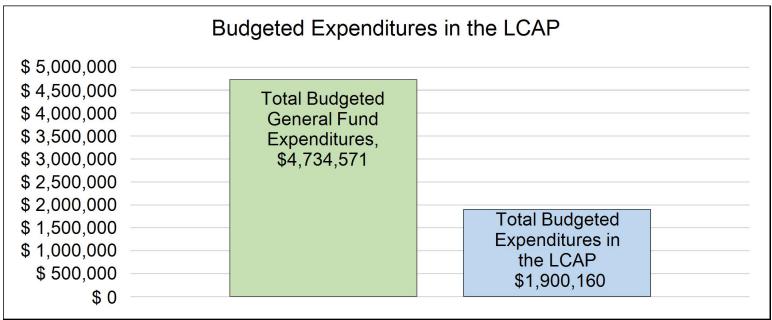

Budget Overview for the 2022-23 School Year

The text description for the above chart is as follows: The total revenue projected for TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School is \$4939962, of which \$3419169 is Local Control Funding Formula (LCFF), \$961380 is other state funds, \$0 is local funds, and \$559413 is federal funds. Of the \$3419169 in LCFF Funds, \$488158 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School plans to spend for 2022-23. It shows how much of the total is tied to planned actions and services in the LCAP.

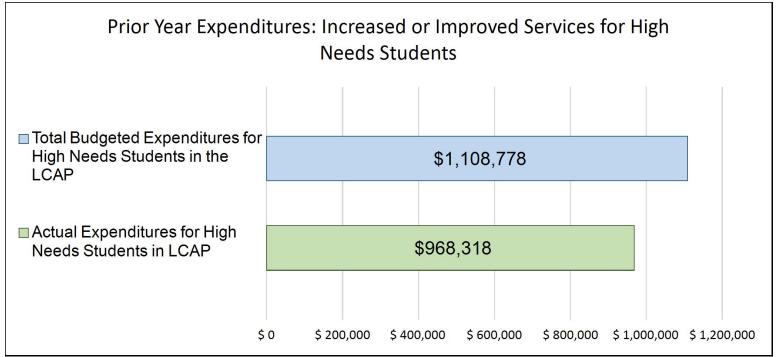

The text description of the above chart is as follows: TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School plans to spend \$4734571 for the 2022-23 school year. Of that amount, \$1900159.70 is tied to actions/services in the LCAP and \$2834411.30 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Increased or Improved Services for High Needs Students in the LCAP for the 2022-23 School Year

In 2022-23, TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School is projecting it will receive \$488158 based on the enrollment of foster youth, English learner, and low-income students. TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School must describe how it intends to increase or improve services for high needs students in the LCAP. TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School must describe how it intends to increase or improve services for high needs students in the LCAP. TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School plans to spend \$488158 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2021-22

This chart compares what TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2021-22, TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School's LCAP budgeted \$1108777.60 for planned actions to increase or improve services for high needs students. TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School actually spent \$968318 for actions to increase or improve services for high needs students in 2021-22.

Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
TEACH Preparatory Mildred S. Cunningham &	Sharon Rhee	srhee@teachps.org
Edith H. Morris Elementary School	Principal	323-872-0708

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP).

TEACH Prep Elementary used a range of strategies to engage stakeholders on the use of funds provided through the Budget Act of 2021 that went beyond what was included in the LCAP. Partner engagement includes input from Principals, teachers and staff, students and parents Principals worked with home office personnel to refine the goals and provide input.

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

TEACH Prep Elementary is using/plans to use additional concentration grant add-on funding to pay for staff salaries to those that provide services to students who are low-income, English learners and foster youth, including the positions of instructional aides. This is consistent with Ed Code sec 42238.02 (increasing the number of staff who provide direct services to students (described) that make up more than 55% of the population at TEACH.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

TEACH engaged educational partners in the use of funds in order to support recovery from the pandemic and address the impact of student learning loss in an on-going basis through surveys and on-going informal feedback sessions for the use of federal funds intended to support recovery from Covid-19 pandemic.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

TEACH has made significant progress in implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan. The new Chief Academic Officer has been hired and is leading structural changes and developing systems to align curriculum and supporting teachers and Principals to address learning loss caused by the Pandemic through strategies to increase effectiveness of intervention strategies, using data to drive instruction and supporting cohesiveness at the school sites. Funds have been used to add staff and increase salaries for key positions that support student success. One struggle that TEACH has faced is the shortage of qualified candidates for particular positions such as the SST coordinator during the pandemic.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update.

Budgeting, school improvement planning, and the application of funds through Safe Return to In-Person Instruction and Continuity of Services Plan, the ESSER III Expenditure plan and the LCAP are performed as a holistic process with the fiscal team and school improvement teams allocating resources in a manner that is cohesive and aligned. TEACH has focused on addressing recruiting and attracting qualified staff for positions that address learning loss and seek to increase student engagement such as instruction aides for small group instruction, reduced class size, implementing other strategies specific to addressing learning loss.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education's

2022-23 Local Control Accountability Plan for TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School Powered by BoardOnTrack (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at Icff@cde.ca.gov.

Introduction

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA's educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP
- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA's 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: "A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided

through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP)."

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: "A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent."

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California *Education Code* Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: "A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils."

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/relieffunds.asp</u>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<u>https://www.cde.ca.gov/fg/cr/</u>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: "A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation."

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA's implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: "A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update."

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA's 2021–22 LCAP. For purposes of responding to this prompt, "applicable plans" include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.

California Department of Education November 2021

Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School	Sharon Rhee Principal	srhee@teachps.org 323-872-0708

Plan Summary [2022-23]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary ("TEACH Prep ES") will serve approximately 400 students in grades TK-5 at capacity. We anticipate the student population will be similar to the demographics of the students enrolled our sister schools, TEACH Academy of Technologies (a Middle School) and TEACH Tech Charter High School (with a higher percentage of ELs due to the younger age of the students), and similar to the surrounding schools' demographics: roughly 93% FRPL, 37% ELs, 11% SpEd, 65% Hispanic/Latino and 33% African American. As evidenced by crime, income and other data from the surrounding community, we know our students face significant challenges outside of school: significant poverty, high crime rates, gang involvement/gang activity in their neighborhoods, drug and alcohol use, and more. The typical student attending TEACH Public Schools comes from a socioeconomically marginalized community where low student achievement and low expectations are entrenched. As evidenced above, they come from low income families where educational attainment is minimal, and most of our students need deep academic intervention. Our small school setting will be a welcome alternative for our families who seek a more personalized environment for their children.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

TEACH Preparatory Mildred S. Cunningham and Edith H. Morris Elementary School ("TEACH Prep ES") opened in the 2018-2019 School Year and was hit with the pandemic in its second year of operation. During this time, TEACH Prep ES, exhibited a high level of flexibility and response to changing circumstances with a focus on addressing the unique needs of students in the community. Staff participated in professional development program prior to the 20-21 school year. Teachers learned how key strategies for delivering instruction online and best practices for conducting class over zoom. Training included technology support and supplies for both teachers and students.

In the absence of state and local indicators on the California Dashboard, TEACH Prep ES has used available state and local data and stakeholder input to identify successes in addition to those described above. Successes at TEACH Prep ES during the pandemic include maintaining student and family engagement, maintaining positive teacher- student relationships and keeping students actively engaged in rigorous online lessons. These successes are captured in parent and family feedback and participation levels and consistent student enrollment and virtual classroom engagement.

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

As a new school that opened in SY 18-19, with no California Dashboard data for 19-20, (or colored performance indicators) TEACH Prep ES has relied on local school data and stakeholder input to inform the needs and goals reflected in this LCAP. The needs reflect those of a new and growing school and include a focus on building staff to provide instructional support to low-income, EL and SPED students, increasing the number of highly effective classroom teachers, focusing on implementing a rigorous standards-based curriculum and continuing to develop strong relationships with families and stakeholders.

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The key features of this year's LCAP include:

- All TEACH ES students will have access to a high-quality education program taught by highly qualified teachers.
- Every TEACH ES student will have the right to a rigorous, data-driven, college-preparatory instructional program with technology integration and project-based learning opportunities.
- TEACH ES will foster parent, community and student engagement in school life and high rates of stakeholder satisfaction.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

TEACH Prep ES has not been identified as a CSI school.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

not applicable

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

not applicable

Engaging Educational Partners

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

TEACH Prep ES used a wide range of strategies to engage stakeholders in the development of the LCAP which included venues for Principals, teachers, administrators, other school personnel, students and parents. School staff was involved in providing feedback throughout the process during regular staff meetings and professional development. Principals worked with district personnel to refine the goals and provide input. Students and families provided input through surveys and informal interviews.

A summary of the feedback provided by specific educational partners.

Teacher, Principal and staff feedback shaped the focus of the LCAP goals and included adding instructional support staff to focus on academic attainment of low socio-economic, EL and SPED students. Parent and student feedback is represented strongly in goal 3 which focuses on implementing a broad range of opportunities for students including music and art, technology to support the communication between parents and the school, and resources at the school site to increase parent engagement.

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

Goal 3 actions - increasing the range of education opportunities for students by adding music and/or art was influenced by parents and students

Goal 1 actions designed to increase teacher capacity to deliver quality instruction was influenced by faculty

Goal 2 actions designed to support student subgroup achievement and standards-based instruction was shaped by school administrators

Goals and Actions

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in planned actions and actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The specific actions of purchasing standards-aligned curriculum and training teachers in the use of standards based instruction specific to the curriculum has helped the school make progress toward its goal.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no planned changes to the goal, desired outcomes, or actions after reflecting on the past year's practice.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description
	Every TEACH ES student will have the right to a rigorous, data-driven, college-preparatory instructional program with technology integration and project-based learning opportunities.

An explanation of why the LEA has developed this goal.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Priority 4 Outcome 1 — Pupil Achievement (Pupil Outcomes): Scale scores and proficiency/growth targets for all students, including all numerically significant student subgroups, in ELA and Math on the CAASPP assessment system based on prior year data. Internal assessment data goals include Schoolwide and all significant subgroups will meet or exceed targets for growth in ELA and Math as	No available baseline data	data not yet available			Meet or exceed the statewide rate for students meeting or exceeding proficiency in ELA (51.10%), Math (39.73%) science (29.93%).

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
evidenced by internal diagnostic assessments such as NWEA MAPs, DIBELs, ELPAC, and standards and curricular based internal assessments.					
Priority 4 Outcome 2 — Pupil Achievement (Pupil Outcomes): EL proficiency rates will meet or exceed the rates of LAUSD averages as demonstrated on ELPAC assessments.	100%	data not yet available			EL proficiency rates will meet or exceed the rates of LAUSD averages as demonstrated on ELPAC assessment
Priority 4 Outcome 3 — Pupil Achievement (Pupil Outcomes): EL reclassification rates; EL student progress towards reclassification and academic progress include: ELPAC score of a "3" or "4", report card grades of "3's" or		data not yet available			EL reclassification rates will meet or exceed the rates of LAUSD averages (25% reclassification rate target)

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
"4's" in the English Language Arts and Mathematics, Teacher recommendation, review documentation of individual conferences and meetings. When an EL student reaches these goals, a recommendation for reclassification is made. Instructional staff and parent will meet for the reclassification process and make recommendations for reclassification. The child will be designated as Reclassified Fluent English Proficient (RFEP).					
Priority 8 Outcome 1 — Other Pupil Outcomes (Pupil Outcomes): % of students with access to hands- on/PBL and tech-	100% of students with access to hands- on/PBL and tech- based learning	100%			

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
based learning; teacher PD logs/receipts; materials inventory lists and receipts; teacher lesson plans; classroom observations.					

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Part time resource teacher (shared with high school); One EL coordinator ; 1 FTE Special Education aid, 1 FTE resource teacher	Positions to support student achievement of SPED and EL students	\$212,704.00	No Yes
2.2	Technology to support EL students: Listenwise	online platform to support listening skills and assessments	\$10,000.00	No Yes
2.3	Curriculum and technology: Dreambox (math supplemental); NextGen Math (standard-aligned assessments and problem sets); Edgenuity-Pathblazer	Supplemental instructional materials to support all students	\$10,000.00	No Yes

Action #	Title	Description	Total Funds	Contributing
	(ELA supplemental); ZingyLearning (science supplemental); MAP NWEA (benchmark testing); Illuminate- gradebook and standards-based assessment and resources; powerschool (attendance)			
2.4	Texts and instructional materials: ELA Wonders Series; Eureka math and manipulatives; Social Studies TSI; Science- Foss Classroom Unit sets; Meet the Master- Art	Instructional materials	\$166,200.00	No Yes
2.5	Technology to promote effective instruction: Promethian Boards (6)/ or 3 promethian boards and 3 projectors; new chrome books for incoming 4th graders; replacement chromebooks and ipads to replace those lost or broken	technology to support effective instruction for all students	\$93,000.00	No Yes

2.12				Yes
2.13				Yes

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There are no substantive differences in the planned actions and the actual implementations of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The specific actions of creating and filling positions to serve students and making high quality standards aligned curriculum available to all students is effective in making progress towards the goal, we anticipate student achievement scores will improve this year and in the two years remaining in this LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The only change made based on reflections of prior practice is that a shared Data Analyst position will be created to support teachers to use classroom level data and school level data to drive instruction.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table. Table.

Goals and Actions

Goal

Goal #	Description
3	TEACH ES will foster parent, community and student engagement in school life and high rates of stakeholder satisfaction.

An explanation of why the LEA has developed this goal.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Priority 3 Outcome 1 — Parental Involvement (Engagement): # of parents attending 2+ events annually	Increase rate of participation (overall and by stakeholder group) as needed over previous year (estimated target 2-3% annually); Increase stakeholder approval ratings as needed on school climate (estimated target 2-3% annually)	3.5%			
Priority 3 Outcome 2 — Parental Involvement (Engagement): Analysis of attendance, Sign In	Increase rate of participation (overall and by stakeholder group) as needed over previous year (estimated target 2-3% annually); Increase stakeholder

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year. A description of any substantive differences in planned actions and actual implementation of these actions.

The only material difference between the planned actions and the actual implementation relates to the creation of a parent resource room. During Covid, students and teachers needed more space for classroom learning to ensure the health and safety of students. This left inadequate space for a parent resource room. We anticipate that next year, by reconfiguring the available space, we will have the room necessary to create a parent resource room.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

There are no material differences between budgeted expenditures and estimated actual expenditures.

An explanation of how effective the specific actions were in making progress toward the goal.

The specific actions have been somewhat effective in making progress towards the goal. We anticipate that next year, absent covid concerns and with the creation of a parent resource center, that parent and family engagement will increase.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

There are no changes to any planned goals, metrics, desired outcomes, or actions that resulted from reflections on prior experience.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2022-23]

Projected LCFF Supplemental and/or Concentration Grants	Projected Additional LCFF Concentration Grant (15 percent)
488158	

Required Percentage to Increase or Improve Services for the LCAP Year

Projected Percentage to Increase or Improve Services for the Coming School Year		LCFF Carryover — Dollar	Total Percentage to Increase or Improve Services for the Coming School Year
19.90%	0.00%	\$0.00	19.90%

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

Add new resource teacher (.5 FTE), one full time (1FTE) resource teacher to directly support SPED students Add EL Coordinator to specifically support EL students and work with EL families Map NWEA benchmark testing to support instruction to low-income students Technology based curriculum subscriptions (Edgenuity, Boardwalks, ZingyLearning to support instruction to low-income students Chromebooks and other technology to support learning for all unduplicated students

Parent resources and workshops to support parents of EL students, foster parents, and low-income families

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Services for foster youth, English learners and low-income students are being increased by the required percentage through the hiring of specific personnel to support student subgroups, the implementation of new instructional materials and technology to target the learning needs of EL students, and low-income students; hiring resource teachers for in-classroom and individual instruction to student subgroups that have academic deficiencies.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		1:5
Staff-to-student ratio of certificated staff providing direct services to students		1:28

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at <u>lcff@cde.ca.gov</u>.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [*EC*] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (*EC* Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- Accountability and Compliance: The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (*EC* Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (*EC* sections 52064[b][1] and [2]).
 - Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for educational partners and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard (Dashboard), how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions that the LEA believes, based on input gathered from educational partners, research, and experience, will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

Plan Summary Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

Requirements and Instructions

General Information – Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

Reflections: Successes – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, input from educational partners, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improve performance for these students.

Reflections: Identified Need – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the "Red" or "Orange" performance category or any local indicator where the LEA received a "Not Met" or "Not Met for Two or More Years" rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? An LEA that is required to include a goal to address one or more consistently low-performing student groups or low-performing schools must identify that it is required to include this goal and must also identify the applicable student group(s) and/or school(s). Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

LCAP Highlights - Identify and briefly summarize the key features of this year's LCAP.

Comprehensive Support and Improvement – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- Schools Identified: Identify the schools within the LEA that have been identified for CSI.
- Support for Identified Schools: Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- Monitoring and Evaluating Effectiveness: Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the educational partners that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <u>https://www.cde.ca.gov/re/lc/</u>.

Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for engagement of educational partners in the LCAP development process:

Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

Prompt 1: "A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP."

Describe the engagement process used by the LEA to involve educational partners in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required educational partners as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

Prompt 2: "A summary of the feedback provided by specific educational partners."

Describe and summarize the feedback provided by specific educational partners. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from educational partners.

Prompt 3: "A description of the aspects of the LCAP that were influenced by specific input from educational partners."

A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the educational partner feedback described in response to Prompt 2. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, "aspects" of an LCAP that may have been influenced by educational partner input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions

- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures
- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

Focus Goal(s)

Goal Description: The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Broad Goal

Goal Description: Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Goal Description: Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Explanation of why the LEA has developed this goal: Explain how the actions will sustain the progress exemplified by the related metrics.

Required Goals

In general, LEAs have flexibility in determining what goals to include in the LCAP and what those goals will address; however, beginning with the development of the 2022–23 LCAP, LEAs that meet certain criteria are required to include a specific goal in their LCAP.

Consistently low-performing student group(s) criteria: An LEA is eligible for Differentiated Assistance for three or more consecutive years based on the performance of the same student group or groups in the Dashboard. A list of the LEAs required to include a goal in the LCAP based on student group performance, and the student group(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

Consistently low-performing student group(s) goal requirement: An LEA meeting the consistently low-performing student group(s) criteria must include a goal in its LCAP focused on improving the performance of the student group or groups that led to the LEA's eligibility for Differentiated 2022-23 Local Control Accountability Plan for TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School
Page 65 of 80

Assistance. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, this student group or groups. An LEA required to address multiple student groups is not required to have a goal to address each student group; however, each student group must be specifically addressed in the goal. This requirement may not be met by combining this required goal with another goal.

- **Goal Description:** Describe the outcomes the LEA plans to achieve to address the needs of, and improve outcomes for, the student group or groups that led to the LEA's eligibility for Differentiated Assistance.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the student group(s) that lead to the LEA being required to develop this goal, how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the student group(s), and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes identified in the goal description.

Low-performing school(s) criteria: The following criteria only applies to a school district or COE with two or more schools; it does not apply to a single-school district. A school district or COE has one or more schools that, for two consecutive years, received the two lowest performance levels on all but one of the state indicators for which the school(s) receive performance levels in the Dashboard and the performance of the "All Students" student group for the LEA is at least one performance level higher in all of those indicators. A list of the LEAs required to include a goal in the LCAP based on school performance, and the school(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at https://www.cde.ca.gov/fg/aa/lc/.

- Low-performing school(s) goal requirement: A school district or COE meeting the low-performing school(s) criteria must include a goal in its LCAP focusing on addressing the disparities in performance between the school(s) and the LEA as a whole. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, the students enrolled at the low-performing school or schools. An LEA required to address multiple schools is not required to have a goal to address each school; however, each school must be specifically addressed in the goal. This requirement may not be met by combining this goal with another goal.
- **Goal Description:** Describe what outcomes the LEA plans to achieve to address the disparities in performance between the students enrolled at the low-performing school(s) and the students enrolled at the LEA as a whole.
- Explanation of why the LEA has developed this goal: Explain why the LEA is required to develop this goal, including identifying the schools(s) that lead to the LEA being required to develop this goal; how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the school(s); and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes for students enrolled at the low-performing school or schools identified in the goal description.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g., high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–21 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g., graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- Metric: Indicate how progress is being measured using a metric.
- **Baseline**: Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 1 Outcome: When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 2 Outcome: When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- Year 3 Outcome: When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023–24**: When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the "Measuring and Reporting Results" part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2021– 22 .	Enter information in this box when completing the LCAP for 2022– 23 . Leave blank until then.	Enter information in this box when completing the LCAP for 2023– 24 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024– 25 . Leave blank until then.	Enter information in this box when completing the LCAP for 2021– 22 or when adding a new metric.

The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

Actions: Enter the action number. Provide a short title for the action. This title will also appear in the action tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No. (**Note:** for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 *CCR*] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

Actions for English Learners: School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Requirements and Instructions

Projected LCFF Supplemental and/or Concentration Grants: Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of low income, foster youth, and English learner students.

Projected Additional LCFF Concentration Grant (15 percent): Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year: Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage: Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — *Dollar:* Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year: Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEAs percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

For each action being provided to an entire school, or across the entire school district or COE, an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 *CCR* Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

Principally Directed and Effective: An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA's goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

2022-23 Local Control Accountability Plan for TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7 percent lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action[s])

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100 percent attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

COEs and Charter Schools: Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

For School Districts Only:

Actions Provided on an LEA-Wide Basis:

Unduplicated Percentage > 55 percent: For school districts with an unduplicated pupil percentage of 55 percent or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

Unduplicated Percentage < 55 percent: For school districts with an unduplicated pupil percentage of less than 55 percent, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

For schools with 40 percent or more enrollment of unduplicated pupils: Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

For school districts expending funds on a schoolwide basis at a school with less than 40 percent enrollment of unduplicated pupils: Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Consistent with the requirements of 5 *CCR* Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided on an LEA-wide or schoolwide basis or provided on a limited basis to unduplicated students. A limited action is an action that only serves foster youth, English learners, and/or low-income students. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

For any action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage. See the instructions for determining the Planned Percentage of Improved Services for information on calculating the Percentage of Improved Services.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of full time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Data Entry Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Data Entry Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. With the exception of the Data Entry Table, the word "input" has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

• Table 1: Total Planned Expenditures Table (for the coming LCAP Year)

- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2022–23 LCAP, 2022–23 will be the coming LCAP Year and 2021–22 will be the current LCAP Year.

Data Entry Table

The Data Entry Table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included. In the Data Entry Table, input the following information for each action in the LCAP for that applicable LCAP year:

- LCAP Year: Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant**: Provide the total amount of LCFF funding the LEA estimates it will receive for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF apportionment calculations.

- 2. Projected LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will receive on the basis of the number and concentration of unduplicated students for the coming school year.
- 3. Projected Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- LCFF Carryover Percentage: Specify the LCFF Carryover Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- Total Percentage to Increase or Improve Services for the Coming School Year: This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.

- Goal #: Enter the LCAP Goal number for the action.
- Action #: Enter the action's number as indicated in the LCAP Goal.
- Action Title: Provide a title of the action.
- **Student Group(s)**: Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- Contributing to Increased or Improved Services?: Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - Scope: The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
 - Unduplicated Student Group(s): Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
 - Location: Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span**: Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel**: Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel**: This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- LCFF Funds: Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - Note: For an action to contribute towards meeting the increased or improved services requirement it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds**: Enter the total amount of Other State Funds utilized to implement this action, if any.
- Local Funds: Enter the total amount of Local Funds utilized to implement this action, if any.
- Federal Funds: Enter the total amount of Federal Funds utilized to implement this action, if any.
- Total Funds: This amount is automatically calculated based on amounts entered in the previous four columns.
- Planned Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis to
 unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for
 the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English
 learners, and/or low-income students.
 - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Service for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

• Estimated Actual Expenditures: Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- 6. Estimated Actual LCFF Supplemental and/or Concentration Grants: Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- Estimated Actual Expenditures for Contributing Actions: Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- Estimated Actual Percentage of Improved Services: For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

• 9. Estimated Actual LCFF Base Grant: Provide the total amount of LCFF funding the LEA estimates it will receive for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 *CCR* Section 15496(a)(8).

• **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 *CCR* Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column
- 5. Total Planned Percentage of Improved Services
 - o This percentage is the total of the Planned Percentage of Improved Services column
- Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)
 - This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- 6. Estimated Actual LCFF Supplemental and Concentration Grants
 - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- 4. Total Planned Contributing Expenditures (LCFF Funds)
 - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds)

- 7. Total Estimated Actual Expenditures for Contributing Actions
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds)
- Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4)
- 5. Total Planned Percentage of Improved Services (%)
 - This amount is the total of the Planned Percentage of Improved Services column
- 8. Total Estimated Actual Percentage of Improved Services (%)
 - o This amount is the total of the Estimated Actual Percentage of Improved Services column
- Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8)

LCFF Carryover Table

- 10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 + Carryover %)
 - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover Percentage from the prior year.
- 11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- 12. LCFF Carryover Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- 13. LCFF Carryover Percentage (12 divided by 9)
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

Attn: Enrique Robles, Director of Operations & Data Strategy c/o TEACH Public Schools 1846 W. Imperial Hwy. Los Angeles, CA 90047 e: erobles@teachps.org I 323-872-0808 RE: RFP -After-School Program Administration

After-School All-Stars, Los Angeles (ASAS-LA) is honored to submit this proposal in response to the RFP for After-School Program Administration at TEACH Academy of Technologies. Our goal is to continue to collaborate with TEACH Public Schools as an after-school partner by providing an exemplary program which is in alignment with the School and District priorities, while also building future leaders. ASAS-LA has extensive experience managing, facilitating, and executing highly effective academically driven programs in charter schools' grades TK – 12. In addition, ASAS-LA is knowledgeable in staying compliant with ASES and 21st CCLC reporting & programmatic requirements.

ASAS-LA will continue to execute our mission to *educate, enlighten, and inspire young people by providing exciting and dynamic opportunities for their success, while cultivating students' self-esteem, leadership and respect for one another to help build healthier communities,* and are prepared to do so through both distance learning and through face-to-face programming. Our main objectives remain to provide academic enrichment opportunities and activities designed to complement students' *regular academic program and that support college and career readiness, assist with literacy and related educational development services for families of these students, and provide a safe environment for students participating in their programs. We do this by preparing each child to graduate high school, go on to college, find a career they love, and give back to their communities.*

ASAS-LA's unique program model with our four-pillar strategy in the academics; visual and performing arts; youth leadership and service learning; and health, nutrition and fitness programs, and our 8 program initiatives demonstrates our holistic approach to extended-day learning. It also compliments the work of the regular school day teachers and administrators in the area of academic support and student achievement. ASAS-LA operates in 58 public and charter school locations, grades K-12, offering its programs to more than 15,000 students per year. Participating schools include 29 middle schools, 14 high schools, 2 K-8, one K-12, and 12 elementary schools.

Educate Enlighten Inspire After-School All-Stars, Los Angeles 6501 Fountain Ave. Los Angeles, CA 90028 Phone: 213.232.0123 Fax: 213.232.0122 Powered by BoardOnTrack We feel our experience running after school programs at TEACH Public Schools and across the city of Los Angeles makes us a great candidate to provide After School Programs at TEACH Public Schools and we welcome the opportunity to continue serving the students at your schools.

Sincerely,

Jacqueline Licardie-Banks, Interim CEO 6501 Fountain Ave. Los Angeles, CA 90028 Office (213) 232-0123 x 201 Cell (213) 305-9053 Fax (213) 232-0122 Email: jackie.licardie@la-allstars.org

SCOPE OF WORK

Organization History

Founded in 2002, After-Scholl All-Stars, Los Angeles (ASAS-LA) is an independent 501(c)(3) and the flagship chapter of a national network that serves 90,000 students across the country. ASAS' history begins in 1991, when ASAS founder Arnold Schwarzenegger was invited to serve as Executive Commissioner of the Inner-City Games (ICG). This citywide fitness expo featured a variety of sports and educational activities for at-risk youth, with the goal of developing their self-esteem and personal value. The powerful impact ICG had on its young participants inspired the creation of the Inner-City Games Foundation (ICGF) in 1992. By the early 2000s, ICGF had successfully opened 14 chapters across the country. Over this period, we transformed our model to provide holistic, after-school programming every day of the school year, supplemented with summer programming. ICGF was renamed After-School All-Stars in 2002 to reflect this significant expansion of services and continues to serve youth with the greatest of needs and the fewest of resources. Today, ASAS-LA provides comprehensive, high quality afterschool programs to over 14,000 at-risk K-12 students each year. Like many of the 19 chapters within the ASAS network, ASAS-LA operates as an independent legal entity, with its own 501(c)(3) status. The mission of ASAS-LA is to educate, enlighten, and inspire young people by providing exciting and dynamic opportunities for their success, while cultivating students' selfesteem, leadership and respect for one another to help build healthier communities. Our main objectives are to provide academic enrichment, extracurricular classes, and character-building opportunities in order for our students to lead healthy and active lives. We do this by preparing each child to graduate high school, go on to college, find a career they love, and give back to their communities.

For the past 19 years, ASAS-LA has become a pillar in many communities throughout the City and County of Los Angeles, known for providing meaningful, high-quality, and responsive outof-school-time education programs. With its original mission of providing a safe and inspired educational enrichment experience for middle school students, the organization has grown its program portfolio to go above and beyond comprehensive programming, offering a dynamic and exciting experience for students in grades K-12 across 59 schools, in both local districts like Los Angeles Unified and Montebello Unified School Districts, as well as charter school organizations including Alliance College-Ready Public Schools, resulting in measurable academic gains, with documented long term attitudinal changes in youth toward their academic futures. ASAS-LA has partnered with TEACH Public Schools in providing exceptional services to the students and families it serves. We are pleased to submit this proposal to continue providing after school program services. We feel our experience running after school programs at TEACH Public Schools and across the city of Los Angeles makes us a great candidate for the TEACH community.

<u>Program Plan, including how it complies with ASES and 21st CCLC programmatic</u> <u>and evaluation requirements</u>

Program Plan

ASAS-LA strategically aligns its Program Plan and program design to support the mission of TEACH Public Schools and comply with all ASES and 21st CCLC grant requirements. The program design embraces fundamental principles of youth development, and consistently embodies some of the most current promising practices of the field. ASAS-LA plans and operates under the premise that "whole child" education is fluid, adapting to the ever-changing needs of youth. It is this understanding that drives a dynamic program design that looks at local and national issues surrounding the academic and social education of young people.

Through our holistic and comprehensive programming, ASAS-LA empowers students with the skills and experiences necessary to succeed academically and successfully transition from middle school to high school, college, and beyond. ASAS-LA engages students in a way that not only helps them understand the importance of academic performance but also establishes attitudes and skill sets that will prepare them for success in life. Enrichment courses are interdisciplinary and interactive, emphasizing the practical application of school-day lessons. They are heavily project-based and student-directed, and last between 8 and 10 weeks ending with culminating events.

While all schools design their own program offerings, all classes must fall within ASAS-LA's pillars of programming that include: Visual and Performing Arts; Health, Fitness, and Nutrition; Academic; and Leadership and Community Service Learning. The Academics Pillar offers assistance in students' academic work that is tailored to their specific needs, particularly in core subjects, and enhances what they are learning during the instructional school day. The Visual and Performing Arts Pillar offers unique, experiential opportunities to develop students' unique talents and build their artistic, performance, social and emotional skills. The Health and Fitness pillar offers diverse physical and nutrition activities that teach the importance of healthy living and leadership. The Service-Learning Pillar has elements that are woven into all programs to teach students the value of giving back and the impact they can have on the world around them. All programs offer project-based learning activities along with opportunities for students to share their projects and experiences with peers, family, and community members. ASAS-LA operates onsite on school campuses a minimum of 15 hours per week, and can include programming before or after school; on weekends and on non-instructional days. Program will begin at the time of the dismissal bell and operate a minimum of three hours, and at least until 6 pm. Before school operates 1.5 hours before school begins. To ensure programmatic requirements are met, program will include academic assistance, enrichment, and physical fitness daily. Students are able to select their enrichment and physical activity classes at the beginning of each 8-10 week session. Student to staff ratios are held at or below 20:1. A nutritious snack, compliant with all national and federal regulations and provided in accordance with the National School Lunch act, is served daily by an approved vendor at all sites.

There is a minimum of one Program Leader for every twenty students (20:1). A full time Program Coordinator serves as the day-to-day point of contact regarding program quality, curriculum, lesson plans, class selections, o maintain the quality of the program. and relationships with administration and teachers. The Operations and Grant Manager manages the compliance, reporting, and personnel aspects of the program. The Program Support Specialist is responsible for the program quality and training side of the program. They conduct class observations and determine what trainings are needed.

PCs are responsible for overseeing the after-school program and its participants. PCs participate in all school staff meetings and hold one-on-one monthly meetings with school principals. These open and direct lines of communication enable each site's PC to adjust safety plans as necessary and ensure all program staff are knowledgeable about the plan. Throughout the year, we hold virtual weekly and monthly staff meetings. Program staff participate in well over 40 hours of targeted PD designed to improve their skills and help them develop as leaders. A requirement of all new employees is that they successfully complete 30 hours of mandatory training through *Safe Schools*, a K-12 safety and compliance training program as well as training on Site Safety Plans. All staff must be CPR/first aid certified and attend a child abuse reporting workshop. As school-specific or other procedures are updated, Program Coordinators and ASAS-LA coordinate supplemental trainings for affected staff. We conduct emergency and disaster drills for all students and staff on a monthly basis.

ASAS-LA does not operate as a drop-in program. Students must participate for the duration of the daily after-school program unless they have completed an early release form, which specifies the date and time of and reason for early release. This practice serves the dual purpose of preventing the dilution of programming that occurs when students do not participate in the full spectrum of offerings and also enables staff to adequately monitor students' locations throughout the program. Students must sign-in to all program activities. ASAS-LA works with our school partner to determine campus locations for program activities. In the event activities take place in locations other than typically designated areas, staff communicate new locations to participants and families through written and verbal notification.

Consistent with grant requirements, we recruit highly qualified staff that meets minimum educational requirements and standards. Our Program Coordinators are preferred to have a four-year degree, and most are pursuing careers in education. Staff will be hired based on advertised qualifications, of which experience with at risk youth and underrepresented populations is paramount. Part-time program staff are required to have a high school diploma or GED as well as either 48 college credits or a passing score of 75% on the math and English portions of the Instructional Aide Exam.

ASAS-LA complies with all aspects of fiscal administration and reporting as required by the ASES and 21st CCLC programmatic and evaluation requirements. These include:

- **Expenditure Reports** vetted and submitted as required by both state and federal contracts (Quarterly basis)
- **Payments for Services** –ASAS-LA invoices schools based on actual expenses incurred while operating said program.
- Copies of expenditure reports are submitted along with CDE reporting.
- Student attendance information is submitted upon filing of CDE report.
- Inventory Reports ASAS-LA provides quarterly inventory of any equipment that was purchased with public grant funds that exceed \$500 dollars. All transactions involving equipment of more than \$500 (acquisition, transfer, reports of loss/theft, or disposal) are recorded.
- Evidence of Insurance ASAS-LA maintains all required levels of general liability insurance.
- Obtaining local Match- As a part of the grant a 33% match of additional funding/resources is made for each of the sites. This agreement was made for programs that receive ASES funding. The Director of Development and Development Manager who track external programmatic contributions as well as track ALL in-kind goods and services monitors evidence of these matches. Our external auditor reviews these yearly.

ASAS-LA tracks attendance on all participating students through the web-based database system, CitySpan. We currently measure how countdown attendance (the organization's academic support initiative) and enrichment attendance, separately and in combination, predict students' social and academic outcomes across sites. This tracking system allows us to far more efficiently and quickly run data analysis. In order for this system to be successful, All-Stars has built a Data Department comprised of Data Entry personnel, and Director of Data in order to administer training, ensure timely reporting, and maintain quality control. The Director of Data also bears primary responsibility for reporting attendance and other data to our funding agencies. The department undergoes internal and external audits on a routine basis in order to maintain the integrity and accuracy of attendance, dosage, demographic and other program related data.

In addition, attendance of students attending program is recorded daily, all sign in/out sheets go through an initial audit review before attendance is entered into to the ASAS-LA City-span database. All attendance entered into database is reconciled with the sign in/out sheets. In compliance with all rules and regulations of CDE state grant funding, attendance is taken daily, with all attendance reported checked for accuracy. In addition, ALL student participants have a signed application on file.

Program Evaluation

For over ten years, ASAS-LA has conducted student success and program evaluations in partnership with the Claremont Evaluation Center (CEC) at Claremont Graduate University (CGU). These surveys measure students' motivations in attending ASAS-LA; level of program quality; perceived gaps in program offerings; staff preparedness; quality of peer relationships and relationships with staff; program alignment to school-day learning and values; and sense of developmental assets, including commitment to learning, positive identity, boundaries & expectation management, and more. The CEC analyzes the program data from multiple data sources, enabling us to draw conclusions, make necessary corrections, and develop short and long-term advancement strategies. These evaluations examine relationships among program dosage; program quality; academic outcomes; social emotional outcomes of participants; school attendance; student, parent and teacher/administrator satisfaction. CGU conducts focus groups, administers surveys, and holds planning sessions with staff to reflect on evaluation data and engage in continuous quality improvement.

To assess program quality, a variety of measurement tools are used, all of which align with California Afterschool Network's (CAN) Quality Standards for Expanded Learning in California. Internal observations (conducted by the Director of Strategic Program Initiatives and Special Events, Operations and Grants Managers, Program Support Specialists, and Program Coordinators) and external observations (conducted by the CEC team) are conducted with a protocol that focuses on four point-of-service quality standards: 1) Safe and Supportive Environment; 2) Active and Engaged Learning; 3) Skill Building; 4) Youth Autonomy and Leadership. Staff surveys measure staff knowledge and understanding of the quality standards and perceptions of the quality at their site. Student and parent surveys measure the quality of programming across the four quality standards previously described. These data sources (i.e., attendance, observations, surveys) are used determine areas needing improvement.

ASAS-LA engages in annual Continuous Quality Improvement (CQI) cycles using the California After School Program Quality Self-Assessment Tool to determine areas to target. This self-assessment considers data on student grades, test scores, homework completion, attendance, behavior and demographics along with anecdotal and survey data from students, parents, ASAS-LA staff, school staff, and program partners. To design, implement, and measure progress toward targeted improvement efforts, we use a CQI Improvement Plan, created by the ASAS-LA and Claremont Graduate University (CGU) team. The Director of Strategic Program Initiatives and Special Events leads the CQI process. This process consists of five major components: 1) Training Program Coordinators (PCs) and Program Leaders (PLs) on quality standards and CQI; 2) Gathering data from stakeholders; 3) Helping Program Coordinators develop Program Design and site-level CQI Action Plans; 4) Training Program Coordinators, Program Support Specialists (PSSs), and Operations and Grant Managers (OGMs) on how to conduct observations with their staff; 5) External Evaluators provide and facilitate reflection on program quality observations and relevant survey results.. The data collection process for CQI evaluation includes ongoing program quality observations, monthly meeting with principals; dissemination of student surveys at each site every other month that gauge students' interest in program offerings; periodic meeting with parents and community program partners; attending official school meetings; and meeting with teachers and counselors on a regular basis.

Timeline and Phasing

In addition to the annual cycle of student programs, ASAS-LA also implements a robust Continuous Quality Improvement process. Program Directors partner with the Claremont Education Center and ASAS-LA's Program Support Specialists and Operations & Grant Managers to implement tactics to improve program quality which include trainings for part-time program staff. The process occurs on the following timeline: July-Aug: Claremont Education Center & ASAS-LA hold planning meetings

Aug-Oct.: Claremont Education Center conduct CQI trainings for full-time ASAS-LA Program staff

Oct.: ASAS-LA Program Directors, Program Support Specialists, and Operations and Grant Managers create plan (including goals and tactics) for improving program quality based on assessment data gathered from last year

Oct-Dec: Improvement phase; ASAS-LA Program Directors execute on plan

Nov-Dec: Claremont Evaluation Center as well as Program Coordinators, Program Support Specialists, and Operation and Grant Managers conduct first round of observations & Claremont evaluators analyze observational data to indicate student experiences around youth autonomy and how the student councils are used to facilitate autonomy & Student and Staff surveys are administered

Jan: Action plan for improving program quality is updated based on assessment data gathered

Jan -April: Improvement phase; ASAS-LA Program Directors execute on plan

Jan: ASAS-LA full- & part-time program staff participate in CQI workshops, facilitated by ASAS-LA Program Support Specialists and Claremont Education Center.

Feb-March: Second round of observations

March: Principal Survey is administered

April: Action plan for improving program quality is updated based on assessment data gathered

April-May: Third round of observations & Student and Staff surveys are administered

June: Action plan for improving program quality is updated based on assessment data gathered & ASAS-LA's data collection team aggregates data on survey responses and participants' academic performance and upload the data to Claremont for analyses linking participation to implementation and students' social-emotional and academic outcomes.

July-Aug: Claremont Education Center authors case study & recommendations for CQI & the cycle repeats itself.

Description of signature program curriculum and services

Program Curriculum and Components

ASAS-LA engages students in a way that not only helps them understand the importance of academic performance but also establishes attitudes and skill sets that will power success for life. Research demonstrates a combination of academics, enrichment activities, and healthy lifestyles improve student achievement significantly more than academics alone – especially as it relates to low-income, at-risk youth. To best equip our students for success, ASAS-LA structures our programs around Four Pillars, taking a holistic approach to after-school. The Academics and Homework Support Pillar offers assistance in students' academic work that is tailored to their specific needs, particularly in core subjects, and enhances what they are learning during school. The Visual and Performing Arts Pillar offers unique, experiential opportunities to develop extracurricular talents and build their social, artistic, and emotional skills. The Health, Fitness, and Nutrition pillar offers diverse physical and nutrition activities that teach students the importance of healthy living and leadership. The Youth Leadership and Community Service-Learning Pillar, community service elements are woven into all programs to teach students the value of giving back and the impact they can have on the world around them. All programs offer project-based learning and opportunities for students to share learnings with peers, family, and community members, actively reinforcing lessons learned at ASAS-LA in their families and communities.

ASAS-LA will create a support network of staff, resources, and programming that empowers our students to perform their best. This network includes a safe place to complete homework, nutritious snacks, outlets for creative and physical expression, strategic outreach to teachers, family members, and relevant professionals, and opportunities to explore passions and connect them to career paths and long-term goals. We engage community partners in all programming, connecting students to the cultural richness of their environments and extending this network beyond their schools. We work directly with teachers and learning specialists to understand strategies implemented with special needs populations during the day, which we incorporate after school.

Academic and Homework Support Pillar: *Countdown / Academic Hour* - All program participants begin the programmatic day with ASAS-LA's academic assistance program called *Countdown*. During this time frame, typically 45-60 minutes, staff, at a maximum ratio of 20:1, assist with homework, journal writing, research skills, reading, study skills, literacy-based initiatives, and test-prep activities. This is not a supervised "study hall," but rather includes proactive collaboration with core day instructors to address specific study skills students are lacking. By aligning after school activities with the core day's initiatives, students are able to use practical application of their skills and reinforce learning. ASAS-LA can offer computer lab and library hours, at schools where access is made available, for students to complete homework and engage in interactive, self-paced online learning. ASAS-LA partners with Revolution Prep, Achieve 3000, Read to Lead, and others to offer online ELA and math curricula, which provides real-time data concepts mastery for after-school and core-day teachers.

Visual and Performing Arts Pillar: ASAS-LA arts programs provide students with unique, experiential opportunities to develop their talents and express themselves through visual arts, music and dance. Visual and Performing Arts programs include Dance (hip hop, modern dance, folklorico), Music (modern jazz, rock, mariachi), Theatre Arts including drama and spoken word, and Art (fine art, murals, and Photography). Most classes culminate in high-profile organizational wide events performing in front of their peers, families and communities. The popular All-Stars Customs program teaches students how to build quality scale model cars using professional techniques such as prepping, painting and assembly. Students get the opportunity to build show quality models, using professional techniques. Replicas designed by ASAS-LA students have been exhibited at local Ford dealerships; the LA Auto Show and our annual ArtCon, an organization wide event. All-Star Customs goes beyond model car design. It provides an introduction to engineering, career exploration, and graphic design and is also incorporated into our Beyond Science Organization wide event. Another program is the Cartoon Academy which guides students through the design and development of their own cartoon character. One of the most popular programs is the 3-week Japanese Anime workshop. All arts activities incorporate social-emotional learning through "Empowerment Through Art" strategies.

Health, Fitness, and Nutrition Pillar: To ensure our students get active every day, we offer a range of diverse team and individual sports. Offerings include:, yoga, cross country, soccer, basketball, dance (folklorico, hip hop, Latin, and more) cheer. Partners in offering these activities include, Students Run LA, Beat the Streets LA, US Soccer, and Sharp International. We partner with Coach Across America and Coaching Corps to train highly effective coaches in sports and youth development. We train all of our coaches to tie sports to lessons on leadership, female empowerment, and service learning, leveraging the character qualities common to these activities (respect, collaboration, communication, tenacity, goal-setting, vision, sacrifice, and discipline) to help our students become well-rounded members of their communities

Youth Leadership and Community Service Learning: A major component of our comprehensive programming is our Life Service Action (LSA) Youth Leadership initiative. LSA programs educate our students on the practical definition of leadership and its applications while allowing them to participate in the process of identifying and electing leaders. Students also develop and lead their own service-learning projects and participate in community-wide days of service. Since 2007, these programs have made a significant impact on the lives of youth participants with students improving their academic achievement, becoming more civically engaged in their communities, and going on to become leaders in their college and professional careers. A key LSA program is Entourage where students learn about the democratic process of elections and the meaning of leadership and the responsibility as an elected representative. Entourage

students share a strong commitment to dealing with the topical issues of the day while also engaging in meaningful school and community service involvement.

ASAS-LA believes our program must equip students to overcome the obstacles they face in reaching their potential. To this end, ASAS-LA, Initiatives address the issues that are most adversely affecting the lives of our students and their communities:

We Are Ready (WAR): High School Dropout Prevention Programming: We Are Ready (W.A.R.) offers academic support, high school readiness, and college exploration opportunities to 8th graders. This middle school to high school transition initiative helps students make connections between academic and professional success, while educating them and their families on high school to college requirements. Our staff works with youth to set academic goals and create high school plans. W.A.R. solidifies connections between students' academic work and the "real world" through field trips to colleges and work sites, job- shadowing, informational interviews, resume workshops, and mentors that help students define and develop their career goals. W.A.R. programming also engages parents and families on topics such as: actions to take to support your child's transition to high school, high school options for 8th graders, high school academic requirements, and processes for applying to and financing college.

Our CampUs program is a culmination of the WAR curriculum. It is typically held on a college campus. CampUs helps students understand the value and requirements of completing high school and getting accepted to college. While at camp, students sleep in dorms, take classes in lecture halls, and eat in the cafeteria. This immersive experience helps students envision their world after high school. Every day of camp is filled with activities geared towards their future academic success.

Career Exploration Opportunities (CEO): This is a financial literacy, career development and entrepreneurialism initiative created to help students learn to be self-sufficient adults, prepare them for the 21st century economy, and inspire long-term career planning. CEO connects youth with community leaders and role models from government, business, and the nonprofit sectors to learn 21st century workplace skills. CEO also incorporates an entrepreneurialism component where students learn how to launch a business from start to finish. Students are tasked with identifying a consumer need, conducting market research, identifying competition, developing a business plan, creating a tangible product, finding investors and marketing their idea.

Literacy: Our Literacy initiative approach is creating an environment that is positive and relevant to students' lives and culture. By utilizing various curriculums, it helps students develop higher order thinking skills, enhance vocabulary and comprehension strategies, and express themselves through writing strategies. Through KidzLit, a literacy curriculum that features fiction and non-fiction book titles in a dual-language format, students are exposed to everyday life situations and examples of cultural diversity. Write Brain World allows for students to write thoughtfully crafted storybooks which ignites self-expression and boosts self-esteem. Read to Lead is an online reading program that fosters student's literacy through interactive real-life scenarios where students are placed in leadership positions to solve day-to-

day entrepreneurial situations. Millionaire's Club is an ASAS-LA developed program to encourage students to read a million words throughout the school year. These curriculums are aligned with common core standards and have been proven to increase student's comprehension and enjoyment of reading, build their vocabulary, deepen their critical thinking, and foster their ability to work with others.

Allstars Runs on STEAM: Our Allstars Runs on S.T.E.A.M. initiative inspires students to question the world around them through dynamic and engaging projects in the areas of Science, Technology, Engineering, Art, and Mathematics. Robotics, Coding, and Engineering. By utilizing numerous curricula, it allows students to use critical thinking skills, creativity, and engineering concepts to develop solutions to real world problems such as climate change, public safety, and poverty. Programming also exposes students to a variety of STEAM career options, igniting their interest in STEAM at an early age. Projects are relatable to students' lives outside of school but are also rooted in STEAM concepts allowing students to learn while creating something that is relevant to them. The comprehensive STEAM program focuses on three areas to ensure students are exposed to the many components of STEAM and have the opportunity to practice their skills: understanding and interfacing with Technology (ABC's of STEAM), STEAM Career Exploration (career panels and workplace visits), putting learning knowledge and skills into action (the annual Beyond Science Fair and showcases).

The following is an illustrative sampling of STEAM curriculum:

- Little Bits (Grades 3rd-8th)- LittleBits is a platform of easy-to-use electronic building blocks that empowers students to invent and use their imagination, from building their own remote-controlled car, to a smart home device.
- LEGO Mindstorm (Grades 6th-8th)- Students are placed in teams in which they identify a human physical or social problem. faced during long duration space exploration within our Sun's solar system and propose a solution.
- LEGO We Do (Grades 2nd-5th)- Design and build a Moon Base. Use the Lego rocket ship and other elements from the Inspire Set to help you. Show your ideas for how to solve one or more of the problems from you explored
- Bee Bots (K-1st)- Bee-Bot and Blue-Bot are exciting new robots designed for use by young children. These colorful, easy-to-operate, and friendly little robots are a perfect tool for teaching sequencing, estimation, and problem-solving.
- KidzScience: Helps students understand key science concepts. Students will use handson activities to provide real life experiences, giving them opportunities to learn what scientists do and to use science inquiry skills.

Sports-As-A-Hook

Sports As A Hook (SAAH) was launched in response to the youth obesity crisis and focuses on structured physical and nutrition activities that connect sports to lessons on healthy living, teamwork, resilience, and gender equality. To ensure our students are active every day, we offer a range of diverse team and individual sports such as wrestling, soccer, basketball, dance, cheer, and rugby. Competitive sports such as basketball, soccer, rugby and cheer & dance all culminate in organization wide competitive tournaments. As part of SAAH, students research and design creative ways to incorporate community service into physical activities, such as organizing fundraising events for charity. Such activities develop students' sense of community responsibility, empathy, and leadership skills. We also instruct students on topics such as caloric intake and distinguishing between healthy and unhealthy foods. Students use this information to give their diets "makeovers," determining how to eliminate or substitute poor food choices with healthy ones. Students also learn how to read nutrition labels, calculate optimal caloric intake and burn rates, medicinal uses of foods, and tactics for making small lifestyle adjustments to achieve healthy results.

Life Service Action

To empower our students to lead and improve their communities, ASAS-LA launched Life Service Action (LSA), an initiative where students apply what they learn in the classroom to lead their own research-driven service projects. Our Life Service Action (LSA) initiative educates our students on the practical definition of leadership and its applications while allowing them to participate in the process of identifying and electing leaders. Students also develop and lead their own service-learning projects and participate in community-wide days of service. A key LSA program is Entourage where students learn about the democratic process of elections and the meaning of leadership and the responsibility as an elected representative. Entourage students share a strong commitment to dealing with the topical issues of the day while also engaging in meaningful school and community service involvement. A major part of the curriculum involves opportunities for participants to put what they have learned about a specific issue into practice. Entourage requires a minimum of 3 major service projects spread out over the course of a year.

Throughout the year, student leaders participate in our Youth Leadership Conference Series which is an opportunity for them to network and learn from one another while leading and participating in workshops. Students are selected as special key-note speakers and all participants have an opportunity to hear from and engage with community leaders and elected officials. Students also participate in panel discussions; evaluate the previous school year; plan for the upcoming school year; and share their service-learning projects they have completed throughout the year.

Social-Emotional Learning: Social-Emotional Learning (SEL) is a new and important initiative in all of our schools. Our approach to SEL is one that promotes positive school climate and culture, and enhances students' intrapersonal, interpersonal, and cognitive competence. Social emotional learning helps students develop the self-awareness, self-control, and interpersonal skills that are vital for growth. Socially and emotionally trained ASAS-LA staff set the tone in their classrooms by developing supportive and encouraging relationships with their students. Through activities, staff and students are able to apply knowledge, attitudes, and skills necessary to understand and manage emotions. Students are given the tools to feel and show empathy for others, establish and maintain positive relationships, self-manage, and make

responsible decisions. SEL empowers our staff and students to co-create thriving schools and contribute to safe and healthy communities.

While we have an established program model that guides all program design and has been proven to achieve outcomes in the areas of grade improvement, behavior, and social-emotional development, ASAS-LA is not a one-size-fits-all provider. We work jointly with schools to strategically tailor our offerings to meet the needs of each site, adjusting everything from the classes offered to the partners enlisted to the frequency of meetings with administrators, in order to best serve our partner schools. Together with school partners, we create a tailored program plan based on the needs of the school and its students. This plan includes information on the mission of the school and ASAS-LA at large, the vision for ASAS-LA programs at the school site, ASAS-LA programmatic & financial partners, main methods and frequency of communication between ASAS-LA and administrators, teachers, and partners, and plans for outcomes assessment (including frequency of collection, measures to be collected, and review process). We then review this plan with school principals & administrators, teachers, parents, program partners, and community partners to obtain feedback and make changes as necessary.

Management profile, including experience, expertise, and oversight plan

The implementation of all ASAS-LA programming will be overseen by **ASAS-LA Interim CEO**, **Jacqueline Licardie-Banks**, who joined ASAS-LA in 2009 as a Program Director, and now has over 20 years of experience in the afterschool field. She served previously as the Director of Program and Professional Development for ASAS-LA and is a major contributor to the professional development of the ASAS-LA staff and has created training modules for Classroom Management, Homework Time, Self-Awareness, Science curriculum and Youth Development. A major recent accomplishment of hers is that she collaborated with Sanford Harmony in designing a national webinar focused on including social emotional learning in programs. She has also worked with Collaborative Classroom for the past 20 years and is certified in Social Emotional Learning, Every Monday Matters, and Foundations of Compassionate System Leadership among other certifications.

Additional ASAS-LA Key Staff

Senior Vice President of Leadership and Community Outreach (Donny Faaliliu): Mr Faaliliu oversees the Development Department, Program Initiatives Department and the Communications and Marketing Department. He works closely with school districts, business community, community partners, city and state agencies to expand the scope and influence of the program in neighborhoods throughout Los Angeles County. He serves as a board member on the California Afterschool Advocacy Alliance (CA3), California High School/ASSETs Collaboration, WE Schools Ambassador Council, and California Teens Advocating for Civic Action (TACA). He has worked with ASAS-LA for over 17 years, is the recipient of the 2019 WE Schools Educator Champions Award, and holds a B.A. in Sociology with a minor in Psychology from the University of Hawaii, Manoa. He also holds a Masters of Science in Counseling, Marriage & Family Therapy (MFT) from The University of Phoenix- Gardena Campus. *Senior Operations & Grant Manager* (Monica Warner and Carlos Espino): Senior Operations and Grants Managers, report directly to the CEO and responsible for ensuring grant compliance and the achievement of critical objectives. Both Monica and Carlos combine have over 25 years of managing and implementing after-school programs in Los Angeles. With their team of eleven (10) Operations and Grants Managers (OGMs), who directly supervise full-time Program Coordinators at each school.

Interim Director of Program & Professional Development (Max Figueroa): Max is responsible for leading a team of six (9) Program Support Specialists in planning and implementing staff development initiatives as well as ensuring each program has evidence of ASAS-LA 4 Pillars, organization-wide Program Initiatives. He also works in collaboration with the Senior Operations & Grant Managers regarding program compliance and grant assurances. Max researches and develops staff training modules for onboarding and ongoing professional development. Max Figueroa has over 15 years experience working in the after school field.

Director of Data Management (Ruben Gonzalez): Ruben has over 17 years working with after school programs. He manages all aspects of program data including attendance, evaluation, student/staff demographics via the organization's CitySpan database system. Along with the team of data support staff, responsible for performance reports to local districts and state agencies. Provides program assessment via analysis of student attendance records.

Director of Strategic Program Initiatives (Elizabeth Carter): Responsible for spearheading all organizational/national initiatives across all sites. Works closely with Program Directors, Operation & Grant Managers; Program Support Specialists and Program Coordinators to ensure initiatives are implemented effectively and provide additional resources and or support. Elizabeth Carter has over 17 years of experience working in after school providing program support.

Oversight Plan

ASAS-LA programming and activities are executed using the ASAS-LA Site Staff Configuration plan which relies on Program Coordinators and Program Leaders managing programs on partner sites. *Program Coordinators* are full-time staff who work directly from school sites. They are responsible for designing the ASAS-LA program and overseeing day-to-day operations including student recruitment, school-day instructor recruitment, family engagement, schoolday alignment, and program data collection. They serve as school staff's primary contact and work closely with Directors to tailor ASAS-LA's programming to the unique needs of each school; adapt programs in accordance with stakeholder feedback and assessments of student progress; and facilitate high quality evaluations of programming. PCs meet monthly with school principals to review program schedules and progress toward outcomes. All part-time site staff report to PCs. *Program Leaders* (PLs) are part-time staff (3 to 4 hrs/day) who deliver afterschool programs and operate under a 20:1 student to staff ratio. They have demonstrated expertise in the subjects they teach and report directly to the PC, with whom they meet weekly to discuss lesson plans and student performance. For issues requiring immediate attention, PCs are available to support PLs. The Operations and Grant Manager are full time staff traveling position that provide supervision and support to a region of five schools focusing on compliance and personnel aspects of the program. The Program Support Specialist are full time staff supporting programs in various capacities (observations, trainings). The Senior Operations & Grant Managers supervise and support Operations and Grant Managers on the day to day operations of all programs to ensure grant compliance and maintain operational integrity.

Example of a Memorandum of Understanding

Attached in our Supporting Documents section of the proposal are examples of two Memorandums of Understanding between ASAS-LA and its community partners.

Budget (including matching funds. 30% matching funds is required by ASES)

Attached in our Supporting Documents section is our proposed Budget.

<u>Supplemental programs outside of ASES & 21st CCLC grants that TEACH</u> <u>stakeholders could benefit from (in-kind services)</u>

Partnerships and Collaborations

ASAS-LA's vast network of community partnerships not only bolsters ASAS-LA program quality, contributing to its long-term viability, but also helps bring additional in-kind services and financial support to our programs. We often collaborate with partners to pursue funding for complex, multi-year grants. Another key to long-term sustainability lies in securing private funding and in-kind support from corporations, foundations, and individuals. ASAS-LA has a strong contingent of 28 institutional donors, 14 of which have partnered with ASAS-LA for multiple years. Additionally, the cornerstone for community/sector partnership building strategy is through our Development Department. The Development department focuses on cultivating new and existing relationships with local foundations that are aligned with our work as well as to be annualizing a large-scale annual fundraising event for the organization. The Director of Youth Leadership and Community Outreach is responsible for managing and creating new community partnerships and securing in-kind support.

The following is an illustrative sampling of the ways in which All-Stars successfully collaborates with numerous partners to ensure expanded learning opportunities for our participants.

Below is a list of current ASAS-LA Community Partners:

WE.org: We.org provides support with ASAS-LA Life Service Action Initiative. Partner provides curriculum, ongoing program support throughout the year, ready-made action campaigns, and opportunities for All-Star students to attend WE DAY California. We review outcomes with WE.org annually.

Girl Scouts Greater Los Angeles: This partner provides free curriculum, program supplies, staff support, outdoor opportunities, and one overnight camp. We review outcomes annually.

Beat the Streets: Beat the Streets provides curriculum and coaches for wrestling programs and organizes inter-school tournaments. We review outcomes with this partner annually.

Read to Lead/Classroom, Inc: This partner provides access to entire Read to Lead suite of online lesson plans, digital games, performance reports, training, and impact measures that detail 21st Century skill growth for youth ages 10-15. Provides game data to track and measure student progress and enable educators to personalize instruction; turn-key lessons, community action projects and activities, to develop essential 21st-century skills; upfront training and ongoing professional development around data driven instruction and project-based learning. We review partnership outcomes annually.

Cornerstone on Demand, LLC: This partner provides a skateboard design workshop as well as monthly workplace visits, in kind sports supplies, and career panels for our students. We review partnership outcomes with Cornerstone annually.

Children Mending Hearts: CMH provides curriculum and materials for our arts programs. We review partnership outcomes with Cornerstone annually.

Sanford Harmony: Provides free curriculum and training on social emotional learning. We review partnership outcomes with Sanford Harmony annually.

Coaching Corps: This partner provides comprehensive training in sports fundamentals and character building for our after-school coaches. We review outcomes with this partner annually.

Project Echo: This Santa Monica-based nonprofit engages teens in their education, and to use entrepreneurial studies to help them onto a path to college, career and to become future changemakers.

Coach Across America: an AmeriCorps program launched by Up2Us, trains our sports coaches.

STEM to the Future: Inspires and motivates Black and Latinx youth to be creative critical thinkers who use STEAM to develop solutions to real world problems such as climate change, public safety, and poverty.

Up2Us: Provides virtual coaching training and Coach Handbooks for staff and trainings on building positive program culture.

Fulcrum: Provides ongoing program design and implementation centered around individual growth and team development as well as staff trainings and program activity equipment.

Peace Guardians: Provides mindfulness based enrichment and nature based activities with a focus on youth athletics.

Social Centric Institute: Provides both in-person and remote identity / racial equity professional development for staff and developmentally appropriate presentations for students and families.

Other partners include: APEX; Lions Den; Toastmasters; Project Plus Me; Rugby LA; Universal Cheer Association; Bank of The West; World Financial Group and Microsoft.

<u>Professional Development for Program Directors, Site Program Managers &</u> <u>Program Leaders. Recruitment & retention efforts should be detailed in this</u> <u>section. A copy of a lesson/activity plan</u>

Staff Training and Professional Development

Our staff training mantra is "part-time staff with full-time attitudes," to help instill a sense of responsibility and accountability, regardless of whether staff members are salary or hourly employees. During the school year, program staff participate in well over 40 hours of targeted PD designed to improve their skills and help them develop as leaders. These trainings include:

- Summer Training This is an agency wide training week/s where staff receive training on topics such as; Operations Manuel, Risk Management, Classroom management, Leadership, CQI, Observation tools.
- Chapter Meetings Monthly to provide staff with updates on Strategic Initiatives; Human Resource updates; Program Operation Policies and Safety
- Region Workshops Monthly trainings/workshops within a region of 5 schools dedicated to providing in-depth follow up the areas of classroom management; Countdown (homework) strategies; Student Recruitment Strategies; Youth Development; Lesson Planning, Observation Tools, policies and procedures
- Deep Dives Serious of staff development resources that focus on current industries topics. Topics discussed; Leadership, Building Relationships, Transformational Leadership, CQI
- Program Specific Workshops Training opportunities are designed to support the staff's ability to deliver dynamic and exciting programming for specific enrichment programs and initiatives such as literacy, STEAM, Sports, curriculum implementation.

ASAS-LA believes strongly in creating a staffing environment in which everyone is seen as a professional. ASAS-LA full-time staff has a high rate of retention with numerous employees having been with the company for 6+ years. Just as we want our students to feel a sense of

belonging in their schools and communities, so too do we strive to ensure that our staff, at all levels, feel that they are part of a meaningful and important community.

To ensure our trainings prioritize areas of greatest need among our staff, we rely on results from our annual external evaluation in designing and planning our training and PD schedule. To provide our staff with subject matter expertise in every area possible, we routinely utilize outside consultants and experts to lead our staff trainings and PD opportunities and help develop program curriculum. These consultants and experts include the Los Angeles County of Education, which provides trainings ranging from social-emotional learning to CQI best practices; California School-Age Consortium, which provides holistic PD opportunities for youth development providers; Sanford Harmony, which provides training in social-emotional development. Additionally, as part of a national network of 19 All-Stars chapters, ASAS-LA program, fundraising, operations, and leadership staff are invited to trainings on an as-needed basis and to an annual, 3-day PD convention organized by the National Office. Staff have opportunities to participate in conferences throughout the year, including the National Summer Learning Conference, BOOST, the Step-UP high school conference, and more.

Staff Recruitment and Retention

ASAS-LA recruits highly qualified staff to deliver programming. These staff members meet all minimum educational requirements and standards. Our full-time Program Coordinators are preferred to have a four-year degree and most are pursuing careers in education. All hires must have experience working with students in a K-12 education, recreation, and/or community environment. In hiring staff, ASAS-LA evaluates candidates' dedication to the cause of youth development, experience and expertise in this field, sensitivity to and knowledge of the cultural and socioeconomic backgrounds of our students, positive attitude, and ability to communicate in respectful, engaging ways with varied audiences. The relationships developed between our staff and students are routinely cited as the biggest draw for our programs – through careful recruitment, selection and training we ensure that all of our site personnel excel in forming impactful, mentoring bonds with the youth we serve. Staff will be hired based on advertised qualifications, of which experience with at risk youth and underrepresented populations is paramount. Part-time program staff are required to have a high school diploma or GED as well as either 60 college credits or a 75% or higher on the math and English portions of the Instructional Aide Exam.

The organization also works hard to promote from within the company; we are able to do this since we offer such a high range of leadership and professional development opportunities to our staff. Additionally, we will recruit new staff using online job boards including LinkedIn, Indeed, and Monster, local college job boards, the Urban Teachers Fellowship, and through word of mouth by our partner organizations and current staff.

ASAS-LA believes strongly in creating a staffing environment in which everyone is seen as a professional. ASAS-LA full-time staff has a high rate of retention with numerous employees having been with the company for 6+ years. Just as we want our students to feel a sense of

belonging in their schools and communities, so too do we strive to ensure that our staff, at all levels, feel that they are part of a meaningful and important community. In doing so, the first step starts with the onboarding process. Here, the staff learns about the organization, company culture and how each employee can thrive. All staff are encouraged to attend on-going professional development throughout the year to learn, grow, and build their skills not only for this work environment but the skills learned can translate to future endeavors.

Communication and feedback are an essential part of staff retention. ASAS-LA operates under an open-door policy, where the staff is encouraged to engage each other in meaningful ways on a frequent basis, regardless of their level in the organization. ASAS-LA employs a continuous feedback model, where supervisors and coworkers alike offer frequent, timely feedback to employees. Additionally, ASAS-LA conducts Coaching Intervals, where staff are provided with strategies, ideas, research, and activities to support their work in developing leadership and communication abilities and styles. As a learning community, these times will primarily focus on creating a dynamic and supportive coaching culture, as well as learn more about individual communication and working styles.

SANFORD PROGRAMS

November, 2021

Dear Jacqueline Licardie-Banks,

We are delighted to have a Memorandum of Understanding with After-School All-Stars, Los Angeles ("All-Stars"). We join with you to leverage our experience and impact in serving youth throughout Los Angeles by supporting your dynamic afterschool program to provide enrichment opportunities during the critical after-school hours. We look forward to continuing to work with you to develop and implement model, innovative programs that have lasting impact on the futures for these youth.

The Sanford Harmony program empowers educators to foster better relationships among their students by using pedagogical tools to integrate simple and fun exercises into their lesson plans. Sanford Harmony was developed by researchers at Arizona State University and is disseminated by National University System (NUS) Sanford Programs in La Jolla, California.

As a Harmony educator, you are joining a movement to make a difference in the lives of students. We provide a variety of support and resources that will ensure successful Harmony implementation. Through this collaboration with After-School All-Stars, we will assist with onboarding, launching, and sustaining the program. The following services and resources have been provided in-kind and incur no costs against this grant.

- 78 Sanford Harmony Teacher Toolkits at no charge (value \$150 per kit).
- 195 Quick Connection Cards (\$30 each).
- 10 on-site trainings at no charge (value \$2,500 per kit) led by a certified Harmony trainer and access to online trainings conducted through the Harmony Professional Learning Library via recorded training sessions with a virtual instructor. Both training options are available for group and individual training.
- Access to digital resources/mobile app at no charge (value \$35 per student).

We estimate that the monetary value of these in-kind contributions to this project have been approximately \$45,000. We are pleased to lend support and commitment to After-School All-Stars, Los Angeles and your efforts to reach at-risk youth in Los Angeles.

Sincerely,

Mie Rol

Richie Ressel Director, Sanford Harmony

October 25, 2021

jacob adams Founder,Executive Director STEM to the Future 1510 W 36th St #1 Los Angeles, CA 90018

Dear Jacqueline Licardie,

We are delighted to enter into this Memorandum of Understanding with After-School All-Stars, Los Angeles ("All-Stars") for the purpose of implementing or expanding both 21st Century Community Learning Centers and After School Safety and Enrichment for Teens after-school programs in Los Angeles in collaboration with you and your partner schools. We join with you in this project to leverage our experience and impact in serving at-risk youth and their families throughout Los Angeles by supporting your dynamic after-school program to provide academic and enrichment opportunities during the critical after-school hours. We look forward to working with you to develop and implement model, innovative programs that have lasting impact on the educational achievements and futures for these youth.

Our mission is to inspire and motivate Black and Latinx youth to be creative critical thinkers who use STEAM to develop solutions to real world problems such as climate change, public safety, and poverty. Youth develop creativity, problem solving, and collaboration skills as they see how a variety of STEAM pathways can be used to create the future they deserve. Through this collaboration with After-School All-Stars, we will provide engaging hands-on STEAM curricula, professional development, and ongoing support.

The following specific services, resources, equipment, facilities detailed herein will be provided in-kind and incur no costs against this grant.

- 4 STEAM based professional development trainings
- 1 on 1 coaching and check-ins with AFAS Staff
- Ongoing Access to STEAM curriculum

At this time, we estimate that the monetary value of these in-kind contributions to this project will break down as follows: \$8,250

We are pleased to lend support and commitment to After-School All-Stars, Los Angeles and your efforts to reach at-risk youth in Los Angeles.

Sincerely,

jacob adams

Grade: Elementary

Today's Lesson: Line Shadow Tag

Description: This fun game takes on a variation of line tag and shadow tag for an organized, no contact group game.

Materials:

• An open space

Before we get started: This game works best on areas such as a basketball or volleyball court. We will be using the lines drawn on the ground as our path. If you have no such space, think of what space you can use to improvise. Does your cement have subtle cracks that can be followed or is there an area in which you can use chalk to create the lines?

How to:

- 1. This game is like tag but we can only walk on the lines on the ground. For this scenario we will assume we are playing on a basketball court.
- 2. All players can move throughout the entire basketball court where the lines are drawn. If you step off of the line, you must stay there frozen for 5 seconds.
- 3. The person that is "it" will be tagging you by stepping on your shadow. There will be one "shadow checker" who is impartial to either side, they simply check if the shadow was tagged or not. This shadow checker can move freely without having to stay on the lines.
- 4. Choose two volunteers, one as the person who is "it" and the other as the shadow checker.
- 5. Start with the players spread out around the court, while the person who is "it" and the shadow checker remain at the center. Then begin!

6. Many people will be "it" depending on whether they are tagged or not, but the shadow remains constant until you approve a switch.

As we finish: Were your students able to understand the process of the game? Giving a visual explanation of the game in addition to a verbal explanation can help clarify any questions they may have.

Reflection: Students may provide feedback on the game. What did you like about this activity? What rules would you add or remove from this game? How else could we modify this for our group?

Grade: All Inclusive

Today's Lesson: Picture of a Song

Description: Today we will be listening to music and allow that to inspire us in creating our own artwork.

Materials:

- Blank and lined paper
- Crayons, markers, or colored pencils
- Music

Before we get started: Our goal is to immerse ourselves into music and allow the emotions to inspire our creativity.

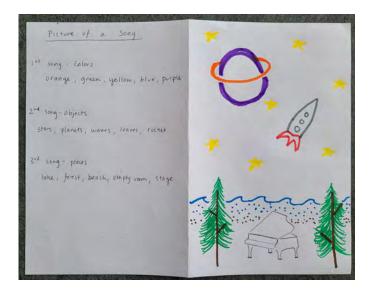

How to:

- 1. Select 3 songs for your students to listen to. Some ideas could be an upbeat mainstream song most students may know, a slowed down mainstream song, and a classical piece that would have no words to it.
- 2. Play the first song for your students and have them write down 5 colors that would represent the sensation of that song.
- 3. Listen to the next song. Have students write down 5 objects that could represent the sensation of that song.

- 4. Next, listen to the final song and have students write down 5 places that come to mind.
- 5. Using these three lists, have students create artwork based on the combined feeling of the songs. Their artwork does not have to include every item on the list, rather it should be an interpretation they best see fit.

Sample photo:

As we finish: Consider playing each of the songs over again so that students may be able to feel a strong connection to the music and their art.

Reflection: Was it easy to let these songs inspire you? What other songs would you choose to do this activity with? Are there any particular moments in the music that you felt most moved by?

MONTEBELLO UNIFIED SCHOOL

LILI ATOYAN Principal

KAREN HO, Ed.D. Teacher on Special Assignment

April 18, 2022

To Whom It May Concern,

Phone: (626) 307 - 7010 • Fax: (626) 307 - 7013 https://montebello-phe.edlioschool.com/

It is with great pleasure and confidence that I write this letter of recommendation for our After School All-Stars, Los Angeles. I have been working with this program for eight years. This organization has consistently and successfully serviced 85 students from Potrero Heights Elementary.

I have developed a positive work relationship with the program leadership team. They are responsive to the needs of the students and to my requests. They have proposed several programs such as music instruction, dance, art, culinary arts, sports, and science and have implemented them.

Potrero Heights started a school wide discipline program. We requested that the same rules be used in the after school program for consistency. The request was promptly addressed and students were aware that the rules apply everywhere on campus. The members of their team follow protocols consistently and consequently provide students with a safe, structured environment. When a change in the Program Coordinator occurred, I was included on the interview team and the selection process. In that manner, I was able to provide input and find the best fit for our school.

The course offerings are fun and engaging for our students. There is a built-in homework period with tutors to help students. There are several clubs that students can join to learn new things such as dance, science, and student government.

The pandemic impacted the All-Stars Program in that it was difficult to hire and sustain high quality instructors. I am impressed that their response was to send their Operations Manager to support the program.

The partnership between our school and the after school All-Stars Program is strong and geared toward meeting the needs of our students and their families. We communicate frequently and openly about discipline issues, program offerings, and anything else that might arise. I highly recommend this after school program to any school. Please don't hesitate to contact me with questions at 626-307-7010.

Sincerely, Lili Atoyan

Principal Potrero Heights Elementary School

April 19, 2022

To Whom It May Concern,

After School All Stars Los Angeles (ASAS LA) has been an integral part of our school community since July 2016 and continues today. ASAS LA serves 111 of our school's students daily. Our school, Girls Athletic Leadership School LA, is a unique place and we are fortunate to consider ASAS LA, an extension of our students' experience. ASAS LA's leadership and program team listens to its students and school leaders to deliver a program that is responsive to their needs and matches their interests. Students engage in a diverse set of activities that give them exposure to the arts, athletics, leadership, and focused academic time. ASAS LA's team always communicates consistently with the team through monthly check-ins and daily email communications. Everything that ASAS commits to, comes true and the organization is always looking for ways to provide additional support for our students and families. ASAS' partnerships with external organizations has always proven to be a value-add to us as a school.

In person and when the program had to be conducted online due to the pandemic, ASAS always delivered a high quality, comprehensive program. The leadership team swiftly made adjustments to restrictions and staffing shortages.

Year after year, ASAS LA meets my expectations, and even exceeds them at times. I am grateful for their partnership and how we continue to grow together to serve our students and families best. If any additional information is needed, please contact me at 818-389-1184 or via email at <u>vgarza@galsla.org</u>

Sincerely,

Vanessa Garza, Founding Principal

8015 Van Nuys Blvd, Panorama City, CA 91402

818-389-1184

April 21, 2022

To whom it may concern,

I am happy to write this letter of reference for After School All-Stars, Los Angeles. Our organization has been collaborating with ASAS-LA since 2010 when they began to offer a comprehensive After School program for our elementary school and our middle school. The program has offered a variety of academic and enrichment programs over the years giving our South Los Angeles students opportunities they may not have otherwise experienced. In addition to daily academic assistance, our students have participated in art, dance, and team sports such as soccer and basketball and have overfilled the trophy case with from the many competitions they have won.

Also impressive was the ability of the ASAS staff to pivot during the year-long lock down our students and staff endured during the pandemic. They were willing to jump in where ever needed and continue to support our students academically and with their socio-emotional needs, which was crucially needed during that time. The creatively offered ways to connect students via Zoom so that they could continue to form bonds with their friends outside of school.

Over the years, ASAS has successfully advertised and recruited families to their program and typically has a wait list. The staff is consistently well trained in providing a fun, engaging environment while maintaining boundaries, procedures, and protocols. They have established strict guidelines for handling any unfortunate incident that may happen, such as a discipline issue or an injury, that are always followed. Incidents like this are always communicated with school administration to ensure that ASAS and Synergy are responding to matters appropriately. Fortunately, because of the strong staff, these incidents are few and far between.

It is rare for an administrator to leave their school with over 100 students still on campus and not worry. I am appreciative that the ASAS-LA program does just that. Synergy knows that the students are in the capable hands of the ASAS staff and we hope to continue this long-standing partnership. Please feel free to contact me directly with any additional questions at 213-505-4656 or jepps@wearesynergy.org.

Sincerely,

Jennifer Epps CAO, Synergy Academies/Interim Principal, Synergy Charter Academy

Attn: Enrique Robles, Director of Operations & Data Strategy c/o TEACH Public Schools 1846 W. Imperial Hwy. Los Angeles, CA 90047 e: erobles@teachps.org I 323-872-0808 RE: RFP -After-School Program Administration

After-School All-Stars, Los Angeles (ASAS-LA) is honored to submit this proposal in response to the RFP for After-School Program Administration at TEACH Preparatory Mildred S. Cunningham & Edith H. Morris Elementary School (TPES). Our goal is to continue to collaborate with TEACH Public Schools as an after-school partner by providing an exemplary program which is in alignment with the School and District priorities, while also building future leaders. ASAS-LA has extensive experience managing, facilitating, and executing highly effective academically driven programs in charter schools' grades TK – 12. In addition, ASAS-LA is knowledgeable in staying compliant with ASES and 21st CCLC reporting & programmatic requirements.

ASAS-LA will continue to execute our mission to *educate, enlighten, and inspire young people by providing exciting and dynamic opportunities for their success, while cultivating students' self-esteem, leadership and respect for one another to help build healthier communities,* and are prepared to do so through both distance learning and through face-to-face programming. Our main objectives remain to provide academic enrichment opportunities and activities designed to complement students' *regular academic program and that support college and career readiness, assist with literacy and related educational development services for families of these students, and provide a safe environment for students participating in their programs. We do this by preparing each child to graduate high school, go on to college, find a career they love, and give back to their communities.*

ASAS-LA's unique program model with our four-pillar strategy in the academics; visual and performing arts; youth leadership and service learning; and health, nutrition and fitness programs, and our 8 program initiatives demonstrates our holistic approach to extended-day learning. It also compliments the work of the regular school day teachers and administrators in the area of academic support and student achievement. ASAS-LA operates in 58 public and charter school locations, grades K-12, offering its programs to more than 15,000 students per year.

Educate Enlighten Inspire After-School All-Stars, Los Angeles 6501 Fountain Ave. Los Angeles, CA 90028 Phone: 213.232.0123 Fax: 213.232.0122 Powered by BoardOnTrack Participating schools include 29 middle schools, 14 high schools, 2 K-8, one K-12, and 12 elementary schools.

We feel our experience running after school programs at TEACH Public Schools and across the city of Los Angeles makes us a great candidate to provide After School Programs at TEACH Public Schools and we welcome the opportunity to continue serving the students at your schools.

Sincerely,

Jacqueline Licardie-Banks, Interim CEO 6501 Fountain Ave. Los Angeles, CA 90028 Office (213) 232-0123 x 201 Cell (213) 305-9053 Fax (213) 232-0122 Email: jackie.licardie@la-allstars.org

SCOPE OF WORK

Organization History

Founded in 2002, After-Scholl All-Stars, Los Angeles (ASAS-LA) is an independent 501(c)(3) and the flagship chapter of a national network that serves 90,000 students across the country. ASAS' history begins in 1991, when ASAS founder Arnold Schwarzenegger was invited to serve as Executive Commissioner of the Inner-City Games (ICG). This citywide fitness expo featured a variety of sports and educational activities for at-risk youth, with the goal of developing their self-esteem and personal value. The powerful impact ICG had on its young participants inspired the creation of the Inner-City Games Foundation (ICGF) in 1992. By the early 2000s, ICGF had successfully opened 14 chapters across the country. Over this period, we transformed our model to provide holistic, after-school programming every day of the school year, supplemented with summer programming. ICGF was renamed After-School All-Stars in 2002 to reflect this significant expansion of services and continues to serve youth with the greatest of needs and the fewest of resources. Today, ASAS-LA provides comprehensive, high quality afterschool programs to over 14,000 at-risk K-12 students each year. Like many of the 19 chapters within the ASAS network, ASAS-LA operates as an independent legal entity, with its own 501(c)(3) status. The mission of ASAS-LA is to educate, enlighten, and inspire young people by providing exciting and dynamic opportunities for their success, while cultivating students' selfesteem, leadership and respect for one another to help build healthier communities. Our main objectives are to provide academic enrichment, extracurricular classes, and character-building opportunities in order for our students to lead healthy and active lives. We do this by preparing each child to graduate high school, go on to college, find a career they love, and give back to their communities.

For the past 19 years, ASAS-LA has become a pillar in many communities throughout the City and County of Los Angeles, known for providing meaningful, high-quality, and responsive outof-school-time education programs. With its original mission of providing a safe and inspired educational enrichment experience for middle school students, the organization has grown its program portfolio to go above and beyond comprehensive programming, offering a dynamic and exciting experience for students in grades K-12 across 59 schools, in both local districts like Los Angeles Unified and Montebello Unified School Districts, as well as charter school organizations including Alliance College-Ready Public Schools, resulting in measurable academic gains, with documented long term attitudinal changes in youth toward their academic futures. ASAS-LA has partnered with TEACH Public Schools in providing exceptional services to the students and families it serves. We are pleased to submit this proposal to continue providing after school program services. We feel our experience running after school programs at TEACH Public Schools and across the city of Los Angeles makes us a great candidate for the TEACH community.

<u>Program Plan, including how it complies with ASES and 21st CCLC programmatic</u> <u>and evaluation requirements</u>

Program Plan

ASAS-LA strategically aligns its Program Plan and program design to support the mission of TEACH Public Schools and comply with all ASES and 21st CCLC grant requirements. The program design embraces fundamental principles of youth development, and consistently embodies some of the most current promising practices of the field. ASAS-LA plans and operates under the premise that "whole child" education is fluid, adapting to the ever-changing needs of youth. It is this understanding that drives a dynamic program design that looks at local and national issues surrounding the academic and social education of young people.

Through our holistic and comprehensive programming, ASAS-LA empowers students with the skills and experiences necessary to succeed academically and successfully transition from middle school to high school, college, and beyond. ASAS-LA engages students in a way that not only helps them understand the importance of academic performance but also establishes attitudes and skill sets that will prepare them for success in life. Enrichment courses are interdisciplinary and interactive, emphasizing the practical application of school-day lessons. They are heavily project-based and student-directed, and last between 8 and 10 weeks ending with culminating events.

While all schools design their own program offerings, all classes must fall within ASAS-LA's pillars of programming that include: Visual and Performing Arts; Health, Fitness, and Nutrition; Academic; and Leadership and Community Service Learning. The Academics Pillar offers assistance in students' academic work that is tailored to their specific needs, particularly in core subjects, and enhances what they are learning during the instructional school day. The Visual and Performing Arts Pillar offers unique, experiential opportunities to develop students' unique talents and build their artistic, performance, social and emotional skills. The Health and Fitness pillar offers diverse physical and nutrition activities that teach the importance of healthy living and leadership. The Service-Learning Pillar has elements that are woven into all programs to teach students the value of giving back and the impact they can have on the world around them. All programs offer project-based learning activities along with opportunities for students to share their projects and experiences with peers, family, and community members. ASAS-LA operates onsite on school campuses a minimum of 15 hours per week, and can include programming before or after school; on weekends and on non-instructional days. Program will begin at the time of the dismissal bell and operate a minimum of three hours, and at least until 6 pm. Before school operates 1.5 hours before school begins. To ensure programmatic requirements are met, program will include academic assistance, enrichment, and physical fitness daily. Students are able to select their enrichment and physical activity classes at the beginning of each 8-10 week session. Student to staff ratios are held at or below 20:1. A nutritious snack, compliant with all national and federal regulations and provided in accordance with the National School Lunch act, is served daily by an approved vendor at all sites.

There is a minimum of one Program Leader for every twenty students (20:1). A full time Program Coordinator serves as the day-to-day point of contact regarding program quality, curriculum, lesson plans, class selections, o maintain the quality of the program. and relationships with administration and teachers. The Operations and Grant Manager manages the compliance, reporting, and personnel aspects of the program. The Program Support Specialist is responsible for the program quality and training side of the program. They conduct class observations and determine what trainings are needed.

PCs are responsible for overseeing the after-school program and its participants. PCs participate in all school staff meetings and hold one-on-one monthly meetings with school principals. These open and direct lines of communication enable each site's PC to adjust safety plans as necessary and ensure all program staff are knowledgeable about the plan. Throughout the year, we hold virtual weekly and monthly staff meetings. Program staff participate in well over 40 hours of targeted PD designed to improve their skills and help them develop as leaders. A requirement of all new employees is that they successfully complete 30 hours of mandatory training through *Safe Schools*, a K-12 safety and compliance training program as well as training on Site Safety Plans. All staff must be CPR/first aid certified and attend a child abuse reporting workshop. As school-specific or other procedures are updated, Program Coordinators and ASAS-LA coordinate supplemental trainings for affected staff. We conduct emergency and disaster drills for all students and staff on a monthly basis.

ASAS-LA does not operate as a drop-in program. Students must participate for the duration of the daily after-school program unless they have completed an early release form, which specifies the date and time of and reason for early release. This practice serves the dual purpose of preventing the dilution of programming that occurs when students do not participate in the full spectrum of offerings and also enables staff to adequately monitor students' locations throughout the program. Students must sign-in to all program activities. ASAS-LA works with our school partner to determine campus locations for program activities. In the event activities take place in locations other than typically designated areas, staff communicate new locations to participants and families through written and verbal notification.

Consistent with grant requirements, we recruit highly qualified staff that meets minimum educational requirements and standards. Our Program Coordinators are preferred to have a four-year degree, and most are pursuing careers in education. Staff will be hired based on advertised qualifications, of which experience with at risk youth and underrepresented populations is paramount. Part-time program staff are required to have a high school diploma or GED as well as either 48 college credits or a passing score of 75% on the math and English portions of the Instructional Aide Exam.

ASAS-LA complies with all aspects of fiscal administration and reporting as required by the ASES and 21st CCLC programmatic and evaluation requirements. These include:

- **Expenditure Reports** vetted and submitted as required by both state and federal contracts (Quarterly basis)
- **Payments for Services** –ASAS-LA invoices schools based on actual expenses incurred while operating said program.
- Copies of expenditure reports are submitted along with CDE reporting.
- Student attendance information is submitted upon filing of CDE report.
- **Inventory Reports** ASAS-LA provides quarterly inventory of any equipment that was purchased with public grant funds that exceed \$500 dollars. All transactions involving equipment of more than \$500 (acquisition, transfer, reports of loss/theft, or disposal) are recorded.
- Evidence of Insurance ASAS-LA maintains all required levels of general liability insurance.
- Obtaining local Match- As a part of the grant a 33% match of additional funding/resources is made for each of the sites. This agreement was made for programs that receive ASES funding. The Director of Development and Development Manager who track external programmatic contributions as well as track ALL in-kind goods and services monitors evidence of these matches. Our external auditor reviews these yearly.

ASAS-LA tracks attendance on all participating students through the web-based database system, CitySpan. We currently measure how countdown attendance (the organization's academic support initiative) and enrichment attendance, separately and in combination, predict students' social and academic outcomes across sites. This tracking system allows us to far more efficiently and quickly run data analysis. In order for this system to be successful, All-Stars has built a Data Department comprised of Data Entry personnel, and Director of Data in order to administer training, ensure timely reporting, and maintain quality control. The Director of Data also bears primary responsibility for reporting attendance and other data to our funding agencies. The department undergoes internal and external audits on a routine basis in order to maintain the integrity and accuracy of attendance, dosage, demographic and other program related data.

In addition, attendance of students attending program is recorded daily, all sign in/out sheets go through an initial audit review before attendance is entered into to the ASAS-LA City-span database. All attendance entered into database is reconciled with the sign in/out sheets. In compliance with all rules and regulations of CDE state grant funding, attendance is taken daily, with all attendance reported checked for accuracy. In addition, ALL student participants have a signed application on file.

Program Evaluation

For over ten years, ASAS-LA has conducted student success and program evaluations in partnership with the Claremont Evaluation Center (CEC) at Claremont Graduate University (CGU). These surveys measure students' motivations in attending ASAS-LA; level of program quality; perceived gaps in program offerings; staff preparedness; quality of peer relationships and relationships with staff; program alignment to school-day learning and values; and sense of developmental assets, including commitment to learning, positive identity, boundaries & expectation management, and more. The CEC analyzes the program data from multiple data sources, enabling us to draw conclusions, make necessary corrections, and develop short and long-term advancement strategies. These evaluations examine relationships among program dosage; program quality; academic outcomes; social emotional outcomes of participants; school attendance; student, parent and teacher/administrator satisfaction. CGU conducts focus groups, administers surveys, and holds planning sessions with staff to reflect on evaluation data and engage in continuous quality improvement.

To assess program quality, a variety of measurement tools are used, all of which align with California Afterschool Network's (CAN) Quality Standards for Expanded Learning in California. Internal observations (conducted by the Director of Strategic Program Initiatives and Special Events, Operations and Grants Managers, Program Support Specialists, and Program Coordinators) and external observations (conducted by the CEC team) are conducted with a protocol that focuses on four point-of-service quality standards: 1) Safe and Supportive Environment; 2) Active and Engaged Learning; 3) Skill Building; 4) Youth Autonomy and Leadership. Staff surveys measure staff knowledge and understanding of the quality standards and perceptions of the quality at their site. Student and parent surveys measure the quality of programming across the four quality standards previously described. These data sources (i.e., attendance, observations, surveys) are used determine areas needing improvement.

ASAS-LA engages in annual Continuous Quality Improvement (CQI) cycles using the California After School Program Quality Self-Assessment Tool to determine areas to target. This self-assessment considers data on student grades, test scores, homework completion, attendance, behavior and demographics along with anecdotal and survey data from students, parents, ASAS-LA staff, school staff, and program partners. To design, implement, and measure progress toward targeted improvement efforts, we use a CQI Improvement Plan, created by the ASAS-LA and Claremont Graduate University (CGU) team. The Director of Strategic Program Initiatives and Special Events leads the CQI process. This process consists of five major components: 1) Training Program Coordinators (PCs) and Program Leaders (PLs) on quality standards and CQI; 2) Gathering data from stakeholders; 3) Helping Program Coordinators develop Program Design and site-level CQI Action Plans; 4) Training Program Coordinators, Program Support Specialists (PSSs), and Operations and Grant Managers (OGMs) on how to conduct observations with their staff; 5) External Evaluators provide and facilitate reflection on program quality observations and relevant survey results.. The data collection process for CQI evaluation includes ongoing program quality observations, monthly meeting with principals; dissemination of student surveys at each site every other month that gauge students' interest in program offerings; periodic meeting with parents and community program partners; attending official school meetings; and meeting with teachers and counselors on a regular basis.

Timeline and Phasing

In addition to the annual cycle of student programs, ASAS-LA also implements a robust Continuous Quality Improvement process. Program Directors partner with the Claremont Education Center and ASAS-LA's Program Support Specialists and Operations & Grant Managers to implement tactics to improve program quality which include trainings for part-time program staff. The process occurs on the following timeline: July-Aug: Claremont Education Center & ASAS-LA hold planning meetings

Aug-Oct.: Claremont Education Center conduct CQI trainings for full-time ASAS-LA Program staff

Oct.: ASAS-LA Program Directors, Program Support Specialists, and Operations and Grant Managers create plan (including goals and tactics) for improving program quality based on assessment data gathered from last year

Oct-Dec: Improvement phase; ASAS-LA Program Directors execute on plan

Nov-Dec: Claremont Evaluation Center as well as Program Coordinators, Program Support Specialists, and Operation and Grant Managers conduct first round of observations & Claremont evaluators analyze observational data to indicate student experiences around youth autonomy and how the student councils are used to facilitate autonomy & Student and Staff surveys are administered

Jan: Action plan for improving program quality is updated based on assessment data gathered

Jan -April: Improvement phase; ASAS-LA Program Directors execute on plan

Jan: ASAS-LA full- & part-time program staff participate in CQI workshops, facilitated by ASAS-LA Program Support Specialists and Claremont Education Center.

Feb-March: Second round of observations

March: Principal Survey is administered

April: Action plan for improving program quality is updated based on assessment data gathered

April-May: Third round of observations & Student and Staff surveys are administered

June: Action plan for improving program quality is updated based on assessment data gathered & ASAS-LA's data collection team aggregates data on survey responses and participants' academic performance and upload the data to Claremont for analyses linking participation to implementation and students' social-emotional and academic outcomes.

July-Aug: Claremont Education Center authors case study & recommendations for CQI & the cycle repeats itself.

Description of signature program curriculum and services

Program Curriculum and Components

ASAS-LA engages students in a way that not only helps them understand the importance of academic performance but also establishes attitudes and skill sets that will power success for life. Research demonstrates a combination of academics, enrichment activities, and healthy lifestyles improve student achievement significantly more than academics alone – especially as it relates to low-income, at-risk youth. To best equip our students for success, ASAS-LA structures our programs around Four Pillars, taking a holistic approach to after-school. The Academics and Homework Support Pillar offers assistance in students' academic work that is tailored to their specific needs, particularly in core subjects, and enhances what they are learning during school. The Visual and Performing Arts Pillar offers unique, experiential opportunities to develop extracurricular talents and build their social, artistic, and emotional skills. The Health, Fitness, and Nutrition pillar offers diverse physical and nutrition activities that teach students the importance of healthy living and leadership. The Youth Leadership and Community Service-Learning Pillar, community service elements are woven into all programs to teach students the value of giving back and the impact they can have on the world around them. All programs offer project-based learning and opportunities for students to share learnings with peers, family, and community members, actively reinforcing lessons learned at ASAS-LA in their families and communities.

ASAS-LA will create a support network of staff, resources, and programming that empowers our students to perform their best. This network includes a safe place to complete homework, nutritious snacks, outlets for creative and physical expression, strategic outreach to teachers, family members, and relevant professionals, and opportunities to explore passions and connect them to career paths and long-term goals. We engage community partners in all programming, connecting students to the cultural richness of their environments and extending this network beyond their schools. We work directly with teachers and learning specialists to understand strategies implemented with special needs populations during the day, which we incorporate after school.

Academic and Homework Support Pillar: *Countdown / Academic Hour* - All program participants begin the programmatic day with ASAS-LA's academic assistance program called *Countdown*. During this time frame, typically 45-60 minutes, staff, at a maximum ratio of 20:1, assist with homework, journal writing, research skills, reading, study skills, literacy-based initiatives, and test-prep activities. This is not a supervised "study hall," but rather includes proactive collaboration with core day instructors to address specific study skills students are lacking. By aligning after school activities with the core day's initiatives, students are able to use practical application of their skills and reinforce learning. ASAS-LA can offer computer lab and library hours, at schools where access is made available, for students to complete homework and engage in interactive, self-paced online learning. ASAS-LA partners with Revolution Prep, Achieve 3000, Read to Lead, and others to offer online ELA and math curricula, which provides real-time data concepts mastery for after-school and core-day teachers.

Visual and Performing Arts Pillar: ASAS-LA arts programs provide students with unique, experiential opportunities to develop their talents and express themselves through visual arts, music and dance. Visual and Performing Arts programs include Dance (hip hop, modern dance, folklorico), Music (modern jazz, rock, mariachi), Theatre Arts including drama and spoken word, and Art (fine art, murals, and Photography). Most classes culminate in high-profile organizational wide events performing in front of their peers, families and communities. The popular All-Stars Customs program teaches students how to build quality scale model cars using professional techniques such as prepping, painting and assembly. Students get the opportunity to build show quality models, using professional techniques. Replicas designed by ASAS-LA students have been exhibited at local Ford dealerships; the LA Auto Show and our annual ArtCon, an organization wide event. All-Star Customs goes beyond model car design. It provides an introduction to engineering, career exploration, and graphic design and is also incorporated into our Beyond Science Organization wide event. Another program is the Cartoon Academy which guides students through the design and development of their own cartoon character. One of the most popular programs is the 3-week Japanese Anime workshop. All arts activities incorporate social-emotional learning through "Empowerment Through Art" strategies.

Health, Fitness, and Nutrition Pillar: To ensure our students get active every day, we offer a range of diverse team and individual sports. Offerings include:, yoga, cross country, soccer, basketball, dance (folklorico, hip hop, Latin, and more) cheer. Partners in offering these activities include, Students Run LA, Beat the Streets LA, US Soccer, and Sharp International. We partner with Coach Across America and Coaching Corps to train highly effective coaches in sports and youth development. We train all of our coaches to tie sports to lessons on leadership, female empowerment, and service learning, leveraging the character qualities common to these activities (respect, collaboration, communication, tenacity, goal-setting, vision, sacrifice, and discipline) to help our students become well-rounded members of their communities

Youth Leadership and Community Service Learning: A major component of our comprehensive programming is our Life Service Action (LSA) Youth Leadership initiative. LSA programs educate our students on the practical definition of leadership and its applications while allowing them to participate in the process of identifying and electing leaders. Students also develop and lead their own service-learning projects and participate in community-wide days of service. Since 2007, these programs have made a significant impact on the lives of youth participants with students improving their academic achievement, becoming more civically engaged in their communities, and going on to become leaders in their college and professional careers. A key LSA program is Entourage where students learn about the democratic process of elections and the meaning of leadership and the responsibility as an elected representative. Entourage

students share a strong commitment to dealing with the topical issues of the day while also engaging in meaningful school and community service involvement.

ASAS-LA believes our program must equip students to overcome the obstacles they face in reaching their potential. To this end, ASAS-LA, Initiatives address the issues that are most adversely affecting the lives of our students and their communities:

We Are Ready (WAR): High School Dropout Prevention Programming: We Are Ready (W.A.R.) offers academic support, high school readiness, and college exploration opportunities to 8th graders. This middle school to high school transition initiative helps students make connections between academic and professional success, while educating them and their families on high school to college requirements. Our staff works with youth to set academic goals and create high school plans. W.A.R. solidifies connections between students' academic work and the "real world" through field trips to colleges and work sites, job- shadowing, informational interviews, resume workshops, and mentors that help students define and develop their career goals. W.A.R. programming also engages parents and families on topics such as: actions to take to support your child's transition to high school, high school options for 8th graders, high school academic requirements, and processes for applying to and financing college.

Our CampUs program is a culmination of the WAR curriculum. It is typically held on a college campus. CampUs helps students understand the value and requirements of completing high school and getting accepted to college. While at camp, students sleep in dorms, take classes in lecture halls, and eat in the cafeteria. This immersive experience helps students envision their world after high school. Every day of camp is filled with activities geared towards their future academic success.

Career Exploration Opportunities (CEO): This is a financial literacy, career development and entrepreneurialism initiative created to help students learn to be self-sufficient adults, prepare them for the 21st century economy, and inspire long-term career planning. CEO connects youth with community leaders and role models from government, business, and the nonprofit sectors to learn 21st century workplace skills. CEO also incorporates an entrepreneurialism component where students learn how to launch a business from start to finish. Students are tasked with identifying a consumer need, conducting market research, identifying competition, developing a business plan, creating a tangible product, finding investors and marketing their idea.

Literacy: Our Literacy initiative approach is creating an environment that is positive and relevant to students' lives and culture. By utilizing various curriculums, it helps students develop higher order thinking skills, enhance vocabulary and comprehension strategies, and express themselves through writing strategies. Through KidzLit, a literacy curriculum that features fiction and non-fiction book titles in a dual-language format, students are exposed to everyday life situations and examples of cultural diversity. Write Brain World allows for students to write thoughtfully crafted storybooks which ignites self-expression and boosts self-esteem. Read to Lead is an online reading program that fosters student's literacy through interactive real-life scenarios where students are placed in leadership positions to solve day-to-

day entrepreneurial situations. Millionaire's Club is an ASAS-LA developed program to encourage students to read a million words throughout the school year. These curriculums are aligned with common core standards and have been proven to increase student's comprehension and enjoyment of reading, build their vocabulary, deepen their critical thinking, and foster their ability to work with others.

Allstars Runs on STEAM: Our Allstars Runs on S.T.E.A.M. initiative inspires students to question the world around them through dynamic and engaging projects in the areas of Science, Technology, Engineering, Art, and Mathematics. Robotics, Coding, and Engineering. By utilizing numerous curricula, it allows students to use critical thinking skills, creativity, and engineering concepts to develop solutions to real world problems such as climate change, public safety, and poverty. Programming also exposes students to a variety of STEAM career options, igniting their interest in STEAM at an early age. Projects are relatable to students' lives outside of school but are also rooted in STEAM concepts allowing students to learn while creating something that is relevant to them. The comprehensive STEAM program focuses on three areas to ensure students are exposed to the many components of STEAM and have the opportunity to practice their skills: understanding and interfacing with Technology (ABC's of STEAM), STEAM Career Exploration (career panels and workplace visits), putting learning knowledge and skills into action (the annual Beyond Science Fair and showcases).

The following is an illustrative sampling of STEAM curriculum:

- Little Bits (Grades 3rd-8th)- LittleBits is a platform of easy-to-use electronic building blocks that empowers students to invent and use their imagination, from building their own remote-controlled car, to a smart home device.
- LEGO Mindstorm (Grades 6th-8th)- Students are placed in teams in which they identify a human physical or social problem. faced during long duration space exploration within our Sun's solar system and propose a solution.
- LEGO We Do (Grades 2nd-5th)- Design and build a Moon Base. Use the Lego rocket ship and other elements from the Inspire Set to help you. Show your ideas for how to solve one or more of the problems from you explored
- Bee Bots (K-1st)- Bee-Bot and Blue-Bot are exciting new robots designed for use by young children. These colorful, easy-to-operate, and friendly little robots are a perfect tool for teaching sequencing, estimation, and problem-solving.
- KidzScience: Helps students understand key science concepts. Students will use handson activities to provide real life experiences, giving them opportunities to learn what scientists do and to use science inquiry skills.

Sports-As-A-Hook

Sports As A Hook (SAAH) was launched in response to the youth obesity crisis and focuses on structured physical and nutrition activities that connect sports to lessons on healthy living, teamwork, resilience, and gender equality. To ensure our students are active every day, we offer a range of diverse team and individual sports such as wrestling, soccer, basketball, dance, cheer, and rugby. Competitive sports such as basketball, soccer, rugby and cheer & dance all culminate in organization wide competitive tournaments. As part of SAAH, students research and design creative ways to incorporate community service into physical activities, such as organizing fundraising events for charity. Such activities develop students' sense of community responsibility, empathy, and leadership skills. We also instruct students on topics such as caloric intake and distinguishing between healthy and unhealthy foods. Students use this information to give their diets "makeovers," determining how to eliminate or substitute poor food choices with healthy ones. Students also learn how to read nutrition labels, calculate optimal caloric intake and burn rates, medicinal uses of foods, and tactics for making small lifestyle adjustments to achieve healthy results.

Life Service Action

To empower our students to lead and improve their communities, ASAS-LA launched Life Service Action (LSA), an initiative where students apply what they learn in the classroom to lead their own research-driven service projects. Our Life Service Action (LSA) initiative educates our students on the practical definition of leadership and its applications while allowing them to participate in the process of identifying and electing leaders. Students also develop and lead their own service-learning projects and participate in community-wide days of service. A key LSA program is Entourage where students learn about the democratic process of elections and the meaning of leadership and the responsibility as an elected representative. Entourage students share a strong commitment to dealing with the topical issues of the day while also engaging in meaningful school and community service involvement. A major part of the curriculum involves opportunities for participants to put what they have learned about a specific issue into practice. Entourage requires a minimum of 3 major service projects spread out over the course of a year.

Throughout the year, student leaders participate in our Youth Leadership Conference Series which is an opportunity for them to network and learn from one another while leading and participating in workshops. Students are selected as special key-note speakers and all participants have an opportunity to hear from and engage with community leaders and elected officials. Students also participate in panel discussions; evaluate the previous school year; plan for the upcoming school year; and share their service-learning projects they have completed throughout the year.

Social-Emotional Learning: Social-Emotional Learning (SEL) is a new and important initiative in all of our schools. Our approach to SEL is one that promotes positive school climate and culture, and enhances students' intrapersonal, interpersonal, and cognitive competence. Social emotional learning helps students develop the self-awareness, self-control, and interpersonal skills that are vital for growth. Socially and emotionally trained ASAS-LA staff set the tone in their classrooms by developing supportive and encouraging relationships with their students. Through activities, staff and students are able to apply knowledge, attitudes, and skills necessary to understand and manage emotions. Students are given the tools to feel and show empathy for others, establish and maintain positive relationships, self-manage, and make

responsible decisions. SEL empowers our staff and students to co-create thriving schools and contribute to safe and healthy communities.

While we have an established program model that guides all program design and has been proven to achieve outcomes in the areas of grade improvement, behavior, and social-emotional development, ASAS-LA is not a one-size-fits-all provider. We work jointly with schools to strategically tailor our offerings to meet the needs of each site, adjusting everything from the classes offered to the partners enlisted to the frequency of meetings with administrators, in order to best serve our partner schools. Together with school partners, we create a tailored program plan based on the needs of the school and its students. This plan includes information on the mission of the school and ASAS-LA at large, the vision for ASAS-LA programs at the school site, ASAS-LA programmatic & financial partners, main methods and frequency of communication between ASAS-LA and administrators, teachers, and partners, and plans for outcomes assessment (including frequency of collection, measures to be collected, and review process). We then review this plan with school principals & administrators, teachers, parents, program partners, and community partners to obtain feedback and make changes as necessary.

Management profile, including experience, expertise, and oversight plan

The implementation of all ASAS-LA programming will be overseen by **ASAS-LA Interim CEO**, **Jacqueline Licardie-Banks**, who joined ASAS-LA in 2009 as a Program Director, and now has over 20 years of experience in the afterschool field. She served previously as the Director of Program and Professional Development for ASAS-LA and is a major contributor to the professional development of the ASAS-LA staff and has created training modules for Classroom Management, Homework Time, Self-Awareness, Science curriculum and Youth Development. A major recent accomplishment of hers is that she collaborated with Sanford Harmony in designing a national webinar focused on including social emotional learning in programs. She has also worked with Collaborative Classroom for the past 20 years and is certified in Social Emotional Learning, Every Monday Matters, and Foundations of Compassionate System Leadership among other certifications.

Additional ASAS-LA Key Staff

Senior Vice President of Leadership and Community Outreach (Donny Faaliliu): Mr Faaliliu oversees the Development Department, Program Initiatives Department and the Communications and Marketing Department. He works closely with school districts, business community, community partners, city and state agencies to expand the scope and influence of the program in neighborhoods throughout Los Angeles County. He serves as a board member on the California Afterschool Advocacy Alliance (CA3), California High School/ASSETs Collaboration, WE Schools Ambassador Council, and California Teens Advocating for Civic Action (TACA). He has worked with ASAS-LA for over 17 years, is the recipient of the 2019 WE Schools Educator Champions Award, and holds a B.A. in Sociology with a minor in Psychology from the University of Hawaii, Manoa. He also holds a Masters of Science in Counseling, Marriage & Family Therapy (MFT) from The University of Phoenix- Gardena Campus. *Senior Operations & Grant Manager* (Monica Warner and Carlos Espino): Senior Operations and Grants Managers, report directly to the CEO and responsible for ensuring grant compliance and the achievement of critical objectives. Both Monica and Carlos combine have over 25 years of managing and implementing after-school programs in Los Angeles. With their team of eleven (10) Operations and Grants Managers (OGMs), who directly supervise full-time Program Coordinators at each school.

Interim Director of Program & Professional Development (Max Figueroa): Max is responsible for leading a team of six (9) Program Support Specialists in planning and implementing staff development initiatives as well as ensuring each program has evidence of ASAS-LA 4 Pillars, organization-wide Program Initiatives. He also works in collaboration with the Senior Operations & Grant Managers regarding program compliance and grant assurances. Max researches and develops staff training modules for onboarding and ongoing professional development. Max Figueroa has over 15 years experience working in the after school field.

Director of Data Management (Ruben Gonzalez): Ruben has over 17 years working with after school programs. He manages all aspects of program data including attendance, evaluation, student/staff demographics via the organization's CitySpan database system. Along with the team of data support staff, responsible for performance reports to local districts and state agencies. Provides program assessment via analysis of student attendance records.

Director of Strategic Program Initiatives (Elizabeth Carter): Responsible for spearheading all organizational/national initiatives across all sites. Works closely with Program Directors, Operation & Grant Managers; Program Support Specialists and Program Coordinators to ensure initiatives are implemented effectively and provide additional resources and or support. Elizabeth Carter has over 17 years of experience working in after school providing program support.

Oversight Plan

ASAS-LA programming and activities are executed using the ASAS-LA Site Staff Configuration plan which relies on Program Coordinators and Program Leaders managing programs on partner sites. *Program Coordinators* are full-time staff who work directly from school sites. They are responsible for designing the ASAS-LA program and overseeing day-to-day operations including student recruitment, school-day instructor recruitment, family engagement, schoolday alignment, and program data collection. They serve as school staff's primary contact and work closely with Directors to tailor ASAS-LA's programming to the unique needs of each school; adapt programs in accordance with stakeholder feedback and assessments of student progress; and facilitate high quality evaluations of programming. PCs meet monthly with school principals to review program schedules and progress toward outcomes. All part-time site staff report to PCs. *Program Leaders* (PLs) are part-time staff (3 to 4 hrs/day) who deliver afterschool programs and operate under a 20:1 student to staff ratio. They have demonstrated expertise in the subjects they teach and report directly to the PC, with whom they meet weekly to discuss lesson plans and student performance. For issues requiring immediate attention, PCs are available to support PLs. The Operations and Grant Manager are full time staff traveling position that provide supervision and support to a region of five schools focusing on compliance and personnel aspects of the program. The Program Support Specialist are full time staff supporting programs in various capacities (observations, trainings). The Senior Operations & Grant Managers supervise and support Operations and Grant Managers on the day to day operations of all programs to ensure grant compliance and maintain operational integrity.

Example of a Memorandum of Understanding

Attached in our Supporting Documents section of the proposal are examples of two Memorandums of Understanding between ASAS-LA and its community partners.

Budget (including matching funds. 30% matching funds is required by ASES)

Partnerships and Collaborations

ASAS-LA's vast network of community partnerships not only bolsters ASAS-LA program quality, contributing to its long-term viability, but also helps bring additional in-kind services and financial support to our programs. We often collaborate with partners to pursue funding for complex, multi-year grants. Another key to long-term sustainability lies in securing private funding and in-kind support from corporations, foundations, and individuals. ASAS-LA has a strong contingent of 28 institutional donors, 14 of which have partnered with ASAS-LA for multiple years. Additionally, the cornerstone for community/sector partnership building strategy is through our Development Department. The Development department focuses on cultivating new and existing relationships with local foundations that are aligned with our work as well as to be annualizing a large-scale annual fundraising event for the organization. The Director of Youth Leadership and Community Outreach is responsible for managing and creating new community partnerships and securing in-kind support.

The following is an illustrative sampling of the ways in which All-Stars successfully collaborates with numerous partners to ensure expanded learning opportunities for our participants.

Below is a list of current ASAS-LA Community Partners:

WE.org: We.org provides support with ASAS-LA Life Service Action Initiative. Partner provides curriculum, ongoing program support throughout the year, ready-made action campaigns, and opportunities for All-Star students to attend WE DAY California. We review outcomes with WE.org annually.

Girl Scouts Greater Los Angeles: This partner provides free curriculum, program supplies, staff support, outdoor opportunities, and one overnight camp. We review outcomes annually.

Beat the Streets: Beat the Streets provides curriculum and coaches for wrestling programs and organizes inter-school tournaments. We review outcomes with this partner annually.

Read to Lead/Classroom, Inc: This partner provides access to entire Read to Lead suite of online lesson plans, digital games, performance reports, training, and impact measures that detail 21st Century skill growth for youth ages 10-15. Provides game data to track and measure student progress and enable educators to personalize instruction; turn-key lessons, community action projects and activities, to develop essential 21st-century skills; upfront training and ongoing professional development around data driven instruction and project-based learning. We review partnership outcomes annually.

Cornerstone on Demand, LLC: This partner provides a skateboard design workshop as well as monthly workplace visits, in kind sports supplies, and career panels for our students. We review partnership outcomes with Cornerstone annually.

Children Mending Hearts: CMH provides curriculum and materials for our arts programs. We review partnership outcomes with Cornerstone annually.

Sanford Harmony: Provides free curriculum and training on social emotional learning. We review partnership outcomes with Sanford Harmony annually.

Coaching Corps: This partner provides comprehensive training in sports fundamentals and character building for our after-school coaches. We review outcomes with this partner annually.

Project Echo: This Santa Monica-based nonprofit engages teens in their education, and to use entrepreneurial studies to help them onto a path to college, career and to become future changemakers.

Coach Across America: an AmeriCorps program launched by Up2Us, trains our sports coaches.

STEM to the Future: Inspires and motivates Black and Latinx youth to be creative critical thinkers who use STEAM to develop solutions to real world problems such as climate change, public safety, and poverty.

Up2Us: Provides virtual coaching training and Coach Handbooks for staff and trainings on building positive program culture.

Fulcrum: Provides ongoing program design and implementation centered around individual growth and team development as well as staff trainings and program activity equipment.

Peace Guardians: Provides mindfulness based enrichment and nature based activities with a focus on youth athletics.

Social Centric Institute: Provides both in-person and remote identity / racial equity professional development for staff and developmentally appropriate presentations for students and families.

Other partners include: APEX; Lions Den; Toastmasters; Project Plus Me; Rugby LA; Universal Cheer Association; Bank of The West; World Financial Group and Microsoft.

<u>Professional Development for Program Directors, Site Program Managers &</u> <u>Program Leaders. Recruitment & retention efforts should be detailed in this</u> <u>section. A copy of a lesson/activity plan</u>

Staff Training and Professional Development

Our staff training mantra is "part-time staff with full-time attitudes," to help instill a sense of responsibility and accountability, regardless of whether staff members are salary or hourly employees. During the school year, program staff participate in well over 40 hours of targeted PD designed to improve their skills and help them develop as leaders. These trainings include:

- Summer Training This is an agency wide training week/s where staff receive training on topics such as; Operations Manuel, Risk Management, Classroom management, Leadership, CQI, Observation tools.
- Chapter Meetings Monthly to provide staff with updates on Strategic Initiatives; Human Resource updates; Program Operation Policies and Safety
- Region Workshops Monthly trainings/workshops within a region of 5 schools dedicated to providing in-depth follow up the areas of classroom management; Countdown (homework) strategies; Student Recruitment Strategies; Youth Development; Lesson Planning, Observation Tools, policies and procedures
- Deep Dives Serious of staff development resources that focus on current industries topics. Topics discussed; Leadership, Building Relationships, Transformational Leadership, CQI
- Program Specific Workshops Training opportunities are designed to support the staff's ability to deliver dynamic and exciting programming for specific enrichment programs and initiatives such as literacy, STEAM, Sports, curriculum implementation.

ASAS-LA believes strongly in creating a staffing environment in which everyone is seen as a professional. ASAS-LA full-time staff has a high rate of retention with numerous employees having been with the company for 6+ years. Just as we want our students to feel a sense of

belonging in their schools and communities, so too do we strive to ensure that our staff, at all levels, feel that they are part of a meaningful and important community.

To ensure our trainings prioritize areas of greatest need among our staff, we rely on results from our annual external evaluation in designing and planning our training and PD schedule. To provide our staff with subject matter expertise in every area possible, we routinely utilize outside consultants and experts to lead our staff trainings and PD opportunities and help develop program curriculum. These consultants and experts include the Los Angeles County of Education, which provides trainings ranging from social-emotional learning to CQI best practices; California School-Age Consortium, which provides holistic PD opportunities for youth development providers; Sanford Harmony, which provides training in social-emotional development. Additionally, as part of a national network of 19 All-Stars chapters, ASAS-LA program, fundraising, operations, and leadership staff are invited to trainings on an as-needed basis and to an annual, 3-day PD convention organized by the National Office. Staff have opportunities to participate in conferences throughout the year, including the National Summer Learning Conference, BOOST, the Step-UP high school conference, and more.

Staff Recruitment and Retention

ASAS-LA recruits highly qualified staff to deliver programming. These staff members meet all minimum educational requirements and standards. Our full-time Program Coordinators are preferred to have a four-year degree and most are pursuing careers in education. All hires must have experience working with students in a K-12 education, recreation, and/or community environment. In hiring staff, ASAS-LA evaluates candidates' dedication to the cause of youth development, experience and expertise in this field, sensitivity to and knowledge of the cultural and socioeconomic backgrounds of our students, positive attitude, and ability to communicate in respectful, engaging ways with varied audiences. The relationships developed between our staff and students are routinely cited as the biggest draw for our programs – through careful recruitment, selection and training we ensure that all of our site personnel excel in forming impactful, mentoring bonds with the youth we serve. Staff will be hired based on advertised qualifications, of which experience with at risk youth and underrepresented populations is paramount. Part-time program staff are required to have a high school diploma or GED as well as either 60 college credits or a 75% or higher on the math and English portions of the Instructional Aide Exam.

The organization also works hard to promote from within the company; we are able to do this since we offer such a high range of leadership and professional development opportunities to our staff. Additionally, we will recruit new staff using online job boards including LinkedIn, Indeed, and Monster, local college job boards, the Urban Teachers Fellowship, and through word of mouth by our partner organizations and current staff.

ASAS-LA believes strongly in creating a staffing environment in which everyone is seen as a professional. ASAS-LA full-time staff has a high rate of retention with numerous employees having been with the company for 6+ years. Just as we want our students to feel a sense of

belonging in their schools and communities, so too do we strive to ensure that our staff, at all levels, feel that they are part of a meaningful and important community. In doing so, the first step starts with the onboarding process. Here, the staff learns about the organization, company culture and how each employee can thrive. All staff are encouraged to attend on-going professional development throughout the year to learn, grow, and build their skills not only for this work environment but the skills learned can translate to future endeavors.

Communication and feedback are an essential part of staff retention. ASAS-LA operates under an open-door policy, where the staff is encouraged to engage each other in meaningful ways on a frequent basis, regardless of their level in the organization. ASAS-LA employs a continuous feedback model, where supervisors and coworkers alike offer frequent, timely feedback to employees. Additionally, ASAS-LA conducts Coaching Intervals, where staff are provided with strategies, ideas, research, and activities to support their work in developing leadership and communication abilities and styles. As a learning community, these times will primarily focus on creating a dynamic and supportive coaching culture, as well as learn more about individual communication and working styles.

SANFORD PROGRAMS

November, 2021

Dear Jacqueline Licardie-Banks,

We are delighted to have a Memorandum of Understanding with After-School All-Stars, Los Angeles ("All-Stars"). We join with you to leverage our experience and impact in serving youth throughout Los Angeles by supporting your dynamic afterschool program to provide enrichment opportunities during the critical after-school hours. We look forward to continuing to work with you to develop and implement model, innovative programs that have lasting impact on the futures for these youth.

The Sanford Harmony program empowers educators to foster better relationships among their students by using pedagogical tools to integrate simple and fun exercises into their lesson plans. Sanford Harmony was developed by researchers at Arizona State University and is disseminated by National University System (NUS) Sanford Programs in La Jolla, California.

As a Harmony educator, you are joining a movement to make a difference in the lives of students. We provide a variety of support and resources that will ensure successful Harmony implementation. Through this collaboration with After-School All-Stars, we will assist with onboarding, launching, and sustaining the program. The following services and resources have been provided in-kind and incur no costs against this grant.

- 78 Sanford Harmony Teacher Toolkits at no charge (value \$150 per kit).
- 195 Quick Connection Cards (\$30 each).
- 10 on-site trainings at no charge (value \$2,500 per kit) led by a certified Harmony trainer and access to online trainings conducted through the Harmony Professional Learning Library via recorded training sessions with a virtual instructor. Both training options are available for group and individual training.
- Access to digital resources/mobile app at no charge (value \$35 per student).

We estimate that the monetary value of these in-kind contributions to this project have been approximately \$45,000. We are pleased to lend support and commitment to After-School All-Stars, Los Angeles and your efforts to reach at-risk youth in Los Angeles.

Sincerely,

Mie Rol

Richie Ressel Director, Sanford Harmony

October 25, 2021

jacob adams Founder,Executive Director STEM to the Future 1510 W 36th St #1 Los Angeles, CA 90018

Dear Jacqueline Licardie,

We are delighted to enter into this Memorandum of Understanding with After-School All-Stars, Los Angeles ("All-Stars") for the purpose of implementing or expanding both 21st Century Community Learning Centers and After School Safety and Enrichment for Teens after-school programs in Los Angeles in collaboration with you and your partner schools. We join with you in this project to leverage our experience and impact in serving at-risk youth and their families throughout Los Angeles by supporting your dynamic after-school program to provide academic and enrichment opportunities during the critical after-school hours. We look forward to working with you to develop and implement model, innovative programs that have lasting impact on the educational achievements and futures for these youth.

Our mission is to inspire and motivate Black and Latinx youth to be creative critical thinkers who use STEAM to develop solutions to real world problems such as climate change, public safety, and poverty. Youth develop creativity, problem solving, and collaboration skills as they see how a variety of STEAM pathways can be used to create the future they deserve. Through this collaboration with After-School All-Stars, we will provide engaging hands-on STEAM curricula, professional development, and ongoing support.

The following specific services, resources, equipment, facilities detailed herein will be provided in-kind and incur no costs against this grant.

- 4 STEAM based professional development trainings
- 1 on 1 coaching and check-ins with AFAS Staff
- Ongoing Access to STEAM curriculum

At this time, we estimate that the monetary value of these in-kind contributions to this project will break down as follows: \$8,250

We are pleased to lend support and commitment to After-School All-Stars, Los Angeles and your efforts to reach at-risk youth in Los Angeles.

Sincerely,

jacob adams

Grade: Elementary

Today's Lesson: Line Shadow Tag

Description: This fun game takes on a variation of line tag and shadow tag for an organized, no contact group game.

Materials:

• An open space

Before we get started: This game works best on areas such as a basketball or volleyball court. We will be using the lines drawn on the ground as our path. If you have no such space, think of what space you can use to improvise. Does your cement have subtle cracks that can be followed or is there an area in which you can use chalk to create the lines?

How to:

- 1. This game is like tag but we can only walk on the lines on the ground. For this scenario we will assume we are playing on a basketball court.
- 2. All players can move throughout the entire basketball court where the lines are drawn. If you step off of the line, you must stay there frozen for 5 seconds.
- 3. The person that is "it" will be tagging you by stepping on your shadow. There will be one "shadow checker" who is impartial to either side, they simply check if the shadow was tagged or not. This shadow checker can move freely without having to stay on the lines.
- 4. Choose two volunteers, one as the person who is "it" and the other as the shadow checker.
- 5. Start with the players spread out around the court, while the person who is "it" and the shadow checker remain at the center. Then begin!

6. Many people will be "it" depending on whether they are tagged or not, but the shadow remains constant until you approve a switch.

As we finish: Were your students able to understand the process of the game? Giving a visual explanation of the game in addition to a verbal explanation can help clarify any questions they may have.

Reflection: Students may provide feedback on the game. What did you like about this activity? What rules would you add or remove from this game? How else could we modify this for our group?

Grade: All Inclusive

Today's Lesson: Picture of a Song

Description: Today we will be listening to music and allow that to inspire us in creating our own artwork.

Materials:

- Blank and lined paper
- Crayons, markers, or colored pencils
- Music

Before we get started: Our goal is to immerse ourselves into music and allow the emotions to inspire our creativity.

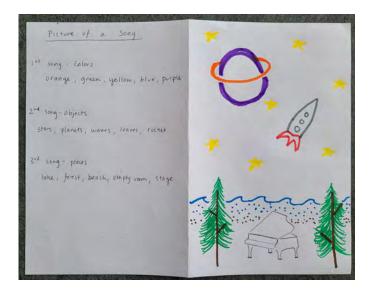

How to:

- 1. Select 3 songs for your students to listen to. Some ideas could be an upbeat mainstream song most students may know, a slowed down mainstream song, and a classical piece that would have no words to it.
- 2. Play the first song for your students and have them write down 5 colors that would represent the sensation of that song.
- 3. Listen to the next song. Have students write down 5 objects that could represent the sensation of that song.

- 4. Next, listen to the final song and have students write down 5 places that come to mind.
- 5. Using these three lists, have students create artwork based on the combined feeling of the songs. Their artwork does not have to include every item on the list, rather it should be an interpretation they best see fit.

Sample photo:

As we finish: Consider playing each of the songs over again so that students may be able to feel a strong connection to the music and their art.

Reflection: Was it easy to let these songs inspire you? What other songs would you choose to do this activity with? Are there any particular moments in the music that you felt most moved by?

MONTEBELLO UNIFIED SCHOOL

LILI ATOYAN Principal

KAREN HO, Ed.D. Teacher on Special Assignment

April 18, 2022

To Whom It May Concern,

8026 EAST HILL DR . SOUTH SAN GABRIEL, CA . 91770 Phone: (626) 307 - 7010 • Fax: (626) 307 - 7013 https://montebello-phe.edlioschool.com/

It is with great pleasure and confidence that I write this letter of recommendation for our After School All-Stars, Los Angeles. I have been working with this program for eight years. This organization has consistently and successfully serviced 85 students from Potrero Heights Elementary.

I have developed a positive work relationship with the program leadership team. They are responsive to the needs of the students and to my requests. They have proposed several programs such as music instruction, dance, art, culinary arts, sports, and science and have implemented them.

Potrero Heights started a school wide discipline program. We requested that the same rules be used in the after school program for consistency. The request was promptly addressed and students were aware that the rules apply everywhere on campus. The members of their team follow protocols consistently and consequently provide students with a safe, structured environment. When a change in the Program Coordinator occurred, I was included on the interview team and the selection process. In that manner, I was able to provide input and find the best fit for our school.

The course offerings are fun and engaging for our students. There is a built-in homework period with tutors to help students. There are several clubs that students can join to learn new things such as dance, science, and student government.

The pandemic impacted the All-Stars Program in that it was difficult to hire and sustain high quality instructors. I am impressed that their response was to send their Operations Manager to support the program.

The partnership between our school and the after school All-Stars Program is strong and geared toward meeting the needs of our students and their families. We communicate frequently and openly about discipline issues, program offerings, and anything else that might arise. I highly recommend this after school program to any school. Please don't hesitate to contact me with questions at 626-307-7010.

Sincerely, Lili Atoyan

Principal Potrero Heights Elementary School

April 19, 2022

To Whom It May Concern,

After School All Stars Los Angeles (ASAS LA) has been an integral part of our school community since July 2016 and continues today. ASAS LA serves 111 of our school's students daily. Our school, Girls Athletic Leadership School LA, is a unique place and we are fortunate to consider ASAS LA, an extension of our students' experience. ASAS LA's leadership and program team listens to its students and school leaders to deliver a program that is responsive to their needs and matches their interests. Students engage in a diverse set of activities that give them exposure to the arts, athletics, leadership, and focused academic time. ASAS LA's team always communicates consistently with the team through monthly check-ins and daily email communications. Everything that ASAS commits to, comes true and the organization is always looking for ways to provide additional support for our students and families. ASAS' partnerships with external organizations has always proven to be a value-add to us as a school.

In person and when the program had to be conducted online due to the pandemic, ASAS always delivered a high quality, comprehensive program. The leadership team swiftly made adjustments to restrictions and staffing shortages.

Year after year, ASAS LA meets my expectations, and even exceeds them at times. I am grateful for their partnership and how we continue to grow together to serve our students and families best. If any additional information is needed, please contact me at 818-389-1184 or via email at <u>vgarza@galsla.org</u>

Sincerely,

Vanessa Garza, Founding Principal

8015 Van Nuys Blvd, Panorama City, CA 91402

April 21, 2022

To whom it may concern,

I am happy to write this letter of reference for After School All-Stars, Los Angeles. Our organization has been collaborating with ASAS-LA since 2010 when they began to offer a comprehensive After School program for our elementary school and our middle school. The program has offered a variety of academic and enrichment programs over the years giving our South Los Angeles students opportunities they may not have otherwise experienced. In addition to daily academic assistance, our students have participated in art, dance, and team sports such as soccer and basketball and have overfilled the trophy case with from the many competitions they have won.

Also impressive was the ability of the ASAS staff to pivot during the year-long lock down our students and staff endured during the pandemic. They were willing to jump in where ever needed and continue to support our students academically and with their socio-emotional needs, which was crucially needed during that time. The creatively offered ways to connect students via Zoom so that they could continue to form bonds with their friends outside of school.

Over the years, ASAS has successfully advertised and recruited families to their program and typically has a wait list. The staff is consistently well trained in providing a fun, engaging environment while maintaining boundaries, procedures, and protocols. They have established strict guidelines for handling any unfortunate incident that may happen, such as a discipline issue or an injury, that are always followed. Incidents like this are always communicated with school administration to ensure that ASAS and Synergy are responding to matters appropriately. Fortunately, because of the strong staff, these incidents are few and far between.

It is rare for an administrator to leave their school with over 100 students still on campus and not worry. I am appreciative that the ASAS-LA program does just that. Synergy knows that the students are in the capable hands of the ASAS staff and we hope to continue this long-standing partnership. Please feel free to contact me directly with any additional questions at 213-505-4656 or jepps@wearesynergy.org.

Sincerely,

Jennifer Epps CAO, Synergy Academies/Interim Principal, Synergy Charter Academy

> For the Month of: MAY 2022

TEACH Public Schools - TEACH Public Schools Governing Board Meeting - Agenda - Friday June 17, 2022 at 4:00 PM TEACH Public Schools - TEACH Academy of Technologies: School Goals Report 2021-2022

Enrollment and TurnoverGoal:Maintain minimum enrollment level of 445 students and keep attrition below 3 students

Summary Status: Currently increasing recruitment efforst to target 445 and maintain ADA

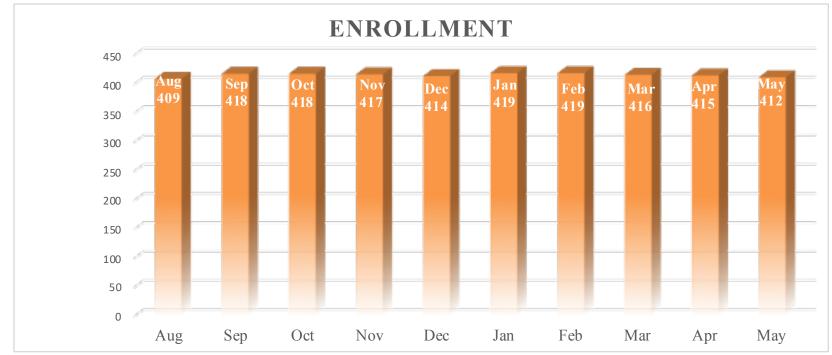

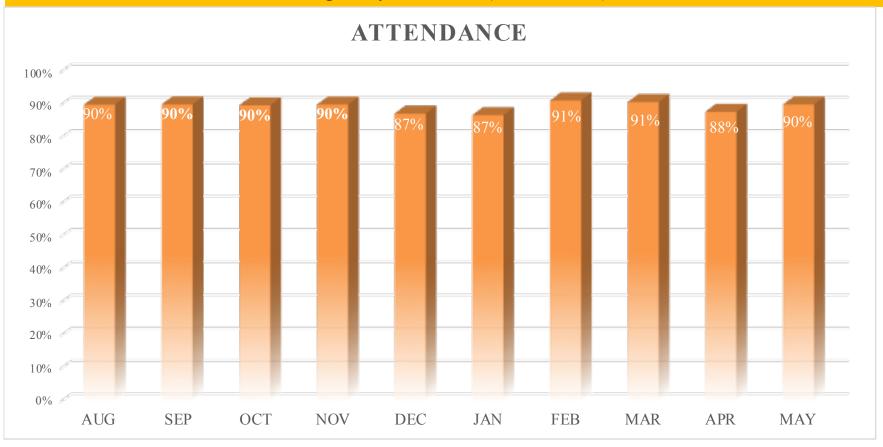

Chart Notes: 21-22 Annual is an average across months year to date.

Notes (Implemented Strategies &/or Challenges):

a) Two students were transferred out- moved out of the country and another one is home schooled.

STUDENT ATTENDANCE

Goal: Maintain a 96% or above average daily attendance (LCAP Goal 4)

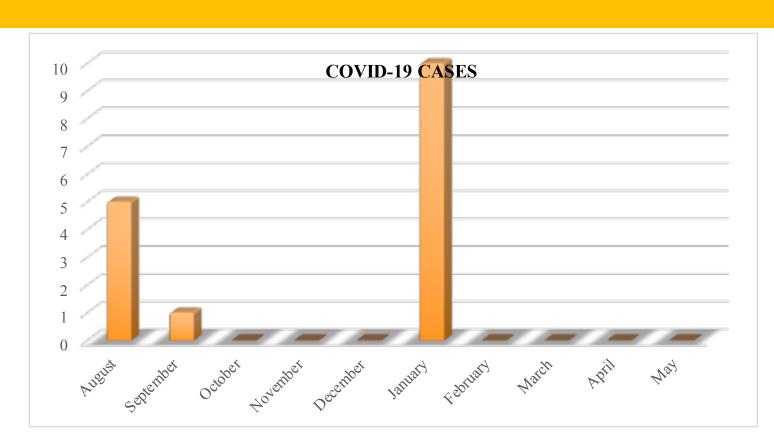

Notes (Implemented Strategies &/or Challenges):

a) The ParentSquare system sends absence & tardy notifications on a daily basis.

b) Office staff members constantly make phone calls on a daily basis, text messages via ParentSquare or Google Voice

c) Attendance increesed to 90%

COVID-19 CASES

Notes (Implemented Strategies &/or Challenges):

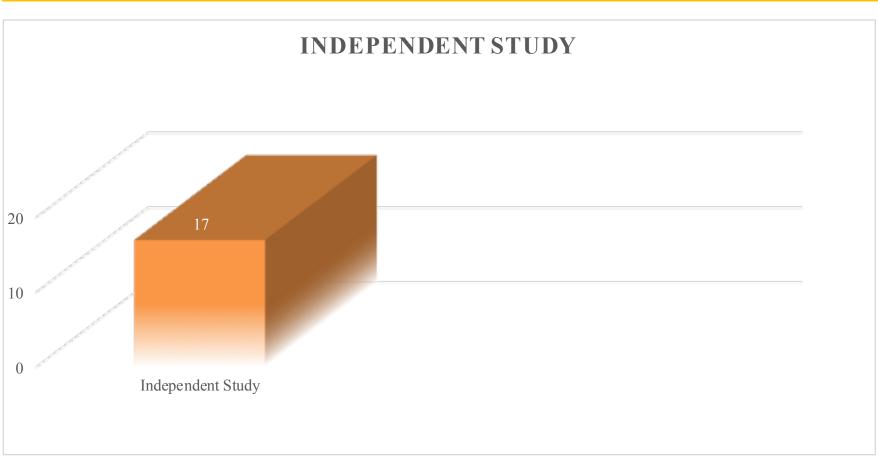

1) There has been zero positive COVID-19 cases for the month of May.

2) TEACH Academy continues following the safey precautions such as: Masks, MERV-13 filtering systems every three months,

disinfectants, electrostatic disnifectant sprayer ULV Fogger Machines, hand sanitizers, disinfecting wipes etc.

3) The company COVID Testing Today comes to TEACH Academy twice a week to test students and families for COVID-19 or families can also go to Nobility to get tested.

INDEPENDENT STUDY

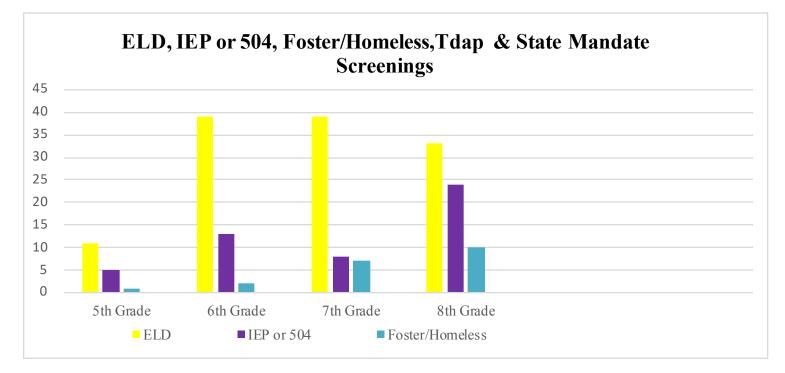

Notes (Implemented Strategies &/or Challenges):

- a) Technology has been distributed to students who are participating in Independent Study
- b) During the month of May, 17 students were enrolled in Independent Study
- 3) Some families have rather chose to change the In-Person learning for the Independent Study Program.

19

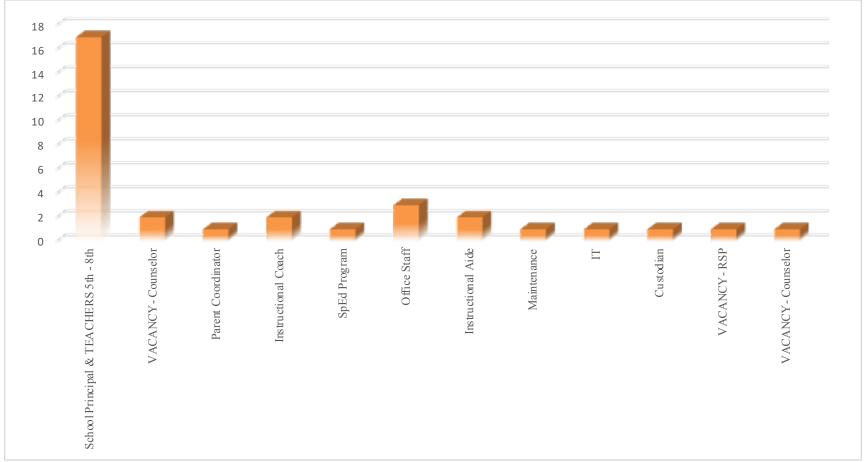

ELD, IEP or 504, Foster/Homeless

Notes (Implemented Strategies &/or Challenges):

- a) Our school accomodates students who are English Language Learners, have IEPs or 504s, or are Foster children or Homeless.
- b) TEACH Academy continues with the IEP meetings, physical assessments and providing services.
- c) A substitute teacher comes to provide services to SpEd students

TAT STAFF MEMBERS CERTIFIED & CLASSIFIED

1. Substitute for 8th Grade Science.

2. The school counselor left TAT.

Summary Status:

Professional Development every Wednesday

a) Our School Principal continues providing resources, feedback, modeling, to teachers to help TAT meet instructional goals.

b) TEACH Academy distributes awards to students every month.

c) PD's once a week.

e) Coffee with the Principal- once a month.

f) During the Success Academy classes, the students have been practicing more English & Mathematics.

g) Tutoring classes given my Mr. White

h) LAUSD Visit happened on May, 2022.
