## Assessments Administered

We use two nationally normed benchmarks assessments, iReady and NWEA, for two primary reasons:

1. We can use our best results for consideration at renewal along with the state required test - the California Assessment of Student Progress (CAASPP), also known as the Smarter Balanced Assessment System (SBAC);
2. Both tests help us predict how students will likely score on the spring state level test (SBAC/ CAAASP) and shows us progress at intervals during the year.
