## **D. ELAC (English Learner Advisory Committee) and SSC (School Site Council) Updates**

Luis Ramirez provided the update on ELAC and SSC and highlighted the many activities that the two groups were involved in. He explained that this year the parent involvement was really taking off and he attributed the increase to the parent learning center, which is not only a space for holding workshops and gatherings, but it has turned into a lab for ideas for school improvement and parent involvement.

## **E. State Dashboard Data Presentation**

Beth Bulgeron provided the state dashboard data presentation which focused on the SBAC scores from 23-24. The report included trend analysis for the past four years. The board asked Carranza why the high school was competitive and performing at the state rate when the middle and elementary schools were performing so much lower. Carranza attributed the gulf to the consistent ELA teacher in the eleventh grade and the advantage of having only one grade tested. He also asked Ms. Torres to explain the difference in the scores when she was Principal at the middle school and the current scores. Torres attributed the downward trend of 15 percent to not taking the test seriously and not creating a culture where the test was important. The board asked Carranza questions about school improvement and he stated that it was coming through the development of the curriculum map.

## **F. Consider and Approve the Prop 28 Annual Report**

J. Lobdell made a motion to Approve the Prop 28 Annual Report.

S. Burrows seconded the motion.

Beth Bulgeron presented the Annual Report for Prop 28 and explained the use of funds last year, this current year and plans for next year. She explained the overall plan for using funds for coding and graphic design, drama and next year to introduce the orchestra program.
