B. Financial Report

Richard McNeel gave the monthly financial report (report attached to materials). He emphasized that there has not been change since last month. No issues of cash, no significant changes. He reviewed the key financial indicators.

C. Update on TEACH Prep Elementary Renewal

Matt Brown gave context and reminded the board that the school was recommended for a two year renewal, but when the state tiers were released earlier than expected, they showed that TEACH Prep had moved to from the low performing tier to the middle performing tier due to substantial gains across metrics. LAUSD asked for an extension to analyze the school as a middle performer and TEACH granted the extension. Then LAUSD released (without notifying TEACH) a recommendation for non-renewal. LAUSD has failed to reach out to discuss the matter and in response, Mr. Brown filed a request for LAUSD to disclose the information and process used to arrive at their decision. Matt also reviewed the appeals process. Board Member Maye asked about the inconsistency of getting a two year recommendation, then showing substantial improvement in performance, and having it result in a worse recommendation.

D. Approve the Behavioral Referral Policy

M. Maye made a motion to Approve the Behavioral Referral Policy.
A. Dragon seconded the motion.
Beth presented the policy explaining it was another requirement based on new law or regulations and that the policy essentially codified what was already in place at the schools regarding fair and just practices around behavior referrals.
