G. Director's report

Instructional

Subject teams have been formed. Teachers are planning a preventive strategy to rise the academic level of the school. We had a goal of increasing it by 20%.The teachers will utilize some of the schedule meetings for planning and accounting for instructional strategies. These strategies will be measured by benchmarks during the instructional quarters.

The LA and the Spanish teams already met and have submitted their initial plan.

1. The teachers were trained on the Math in focus. There is also a Math team that will be evaluating the implementation of the new curriculum with administration monitoring.
2. We have received the results of the PSSA's. There are mixed with some gains and some falls.
3. We have requested a contract from the LIU and have not received it regarding the Special Education programming. We have to hold two meetings and discuss the duties of our assigned Special Teacher.

Building

IT. We will be ordering 6 white boards for six classrooms. Re-secure the mounts and setup the 3rd grade chromebooks. We have 21 that are boxed. IT will be here on Tuesday and then we will be on an on-call basis service.

1. We have started the janitorial services. We were able to clean the school and get it ready for the Meet and Greet parent session last week and we are ready for tomorrow first day of school.
2. Gettysburg SD will discontinue the provision of toilet paper and paper towels, and other soap.

Finance

Charter choices will share their on-line Quick books so that we may have a better picture of our on-going finances.
