III. Personnel

A. Review Staffing Needs for SY 2017-18

Ms. Davis presented some initial ideas to improve the efficiency and distribution of administrative duties. She proposed the creation of three leadership positions who would report directly to the Executive Director. These positions would be: Director of Operations, responsible for all operations such as HR, records, IT, finance, and buildings and grounds; Director of Education, responsible for curriculum, assessment, reporting, student achievement, and teaching coaching and development; and Director of Student Services, responsible for federal program compliance, intervention and specialist instruction, SPED and other supervisory duties. Ms. Davis may need to prioritize these three positions as the budget allows.
