F. Executive Director's report

Ms. Davis began her report on Academics. She stated that math is a continuing priority, with ongoing emphasis on push-in stations and targeted professional development for staff. Dr. McCusker (a consultant from the LIU) is also providing targeted professional development in other areas to teachers in order to maximize their effectiveness and professional growth in strategic areas. Teachers are also administering F&P testing and results will be shared with the board when ready. The testing is revealing that Spanish acquisition is a continued challenge for Vida's native-English speakers.

With regards to personnel, Ms. Davis reported that the administrative office continues to be busy with several staff assuming multiple roles. Ms. Davis is exploring how to reorganize the office and perhaps hire additional personnel to meet demand. She also expressed the need for a one-to-one paraprofessional in the area of special education. Additionally, Vida is continuing to look for ESL personnel. Only one applicant has expressed interest and process will be ongoing. Anely Blanco transferred from the administrative office to Teaching Assistant, and one additional teaching assistant will be hired shortly for 6th grade.

Enrollment remains steady at 253 and Ms. Davis is currently working with staff to develop a targeted retention plan for 5th graders.

Charter renewal is upon us and Ms. Davis is beginning preliminary work and preparing initial documentation as required.

The Vida Union has requested documentation from the administrative office, which the office has provided.

Recent events included a successful book fair as well as the winter concert. Both were huge successes and many thanks go to teachers, staff, parents, and community members for their hard work and support.

M. Rosenberger arrived.

L. Leonard left.
