Maldonado is attending a CAL (Center for Applied Linguistics) Dual Language Leadership Conference along with M. Gellman and will be updating the board and stakeholders when they return.

II. Governance

A. Fall Board Retreat Review

A. Kittleberger notes that the board held its annual retreat on 9-12-15 from 8:30 to 1:30. The speaker was John Tarvin, Claremont Consulting. The purpose of the retreat was to take a TKI assessment and determine what skills the individual board members represent. This analysis enabled to the board to do team building and goal setting. In addition, governance best practices were discussed. A Vida Board spread sheet was attached to the documentation giving the minimum total time monthly and annually that board members are contributing to Vida: Members-monthly-5.12 hrs./annually 61.25 hours. Committee Chairs- an additional monthly 1.00 hr./12.00 hrs. annually and Board Chair an additional 2.00 hrs. monthly/ 24 hrs. annually. Items taken into consideration

were Board Meetings, Board Meeting - Travel, Annual Meeting, Committee Meetings, Committee Meetings - Travel, Volunteer Engagement, General Correspondence/Readings, and Reading/Email/Prep.

A. Kittleberger noted that K. Cunniffe, Governance Chair, was unable to attend the board retreat, however A. Kittleberger provided documentation and discussion with K. Cunniffe to bring her up to speed on the issues discussed in the governance best practice discussion.

B. Board committee update

K. Cunniffe announced that the governance committee suggests the board change its committee structure. In the past, the board included teachers and community members as voting members. Governance best practices state parents or teachers should not be voting members on board committees. K. Cunniffe suggests core committee members should be board members. The new structure will enable the committees to reach out to community members and stakeholders for consultation and input when necessary, maintain efficiency within the meetings, and enable the committees to reach their established goals. In an effort to create communication with stakeholders, all committees will be public and, using Roberts Rules of Order, will hold a regular call to the public as an additional forum for input. K. Cunniffe noted the chairperson can call for an executive session to discuss matters considered private according to the PA Sunshine Law.

K. Cunniffe Peña made a motion to re-organize the committees so that the voting members are comprised of board members, with individuals invited to participate in an ex-officio capacity based upon their expertise and at the discretion of the committee chair.

D. Marritz seconded the motion.

The board **VOTED** to approve the motion.

Leonard is making note of this in her Finance Committee goals calendar assuring that the board has an educational aspect annually. L. Leonard is asking board members to watch a Board Financial Oversight webinar, hosted by Board on Track, before the October board meeting. L. Leonard has arranged for a representative from Charter Choices, to be on hand at the October board meeting to answer any questions that we may have.

The Vida August finances are healthy at this time, although there are some variations with can be explained through accounting procedures and corrections.
