G. Review Charter Choices Contract

Charter Choices provided a one year option for \$70,000 or a 3-year option for \$65,000 each year. In light of the transition to a new director, committee members felt a one year

contract would better suit our current situation to allow the new director more flexibility in choosing how to structure and meet our business needs.

L. Leonard made a motion to recommend that the board approve a new one year contract with our current business management firm Charter Choices in the amount of \$70,000.

A. Kittelberger seconded the motion.

The committee **VOTED** unanimously to approve the motion.

H. Discuss Transition/Onboarding between Charter Choices and New Ex. Director

Ryan outlined several steps Charter Choices will take in onboarding the new director at Vida.

I. May Financials

The end of year operating budget looks healthy with a \$14,000 deficit. Legal expenses were our biggest increase, with a 250% increase. Mandy Kittelberger will make note of the increase and prepare a statement regarding our use of legal services at an upcoming board meeting.

A. Kittelberger made a motion to recommend that the board approve the May financial statements.

L. Leonard seconded the motion.

The committee **VOTED** unanimously to approve the motion.

J. Approve Changing Committed Funds Designations

In light of the intentional spending down of our fund balance, Charter Choices is recommending that we dissolve the old resolutions reserving our funds for various purposes and create a new resolution which better reflects how we intend to use the fund balance in the future. He will work with Cynthia to draft a resolution to be put forth at Wednesday's full board meeting.

A. Kittelberger made a motion to recommend that the board approve realignment of fund balance assignments as explained in the forthcoming resolution.

S. White seconded the motion.

The committee **VOTED** unanimously to approve the motion.

K. Discuss Monitoring Pay-as-you-Go contracts

Committee members discussed ways to better provide oversight of contracts that are on-going and pay-as-you-go. Ryan explained that initial oversight of this spending lives with administration, but in many schools, policies are in place requiring board approval if budget amounts for specific vendors or budget line items are exceeded.

Additionally, when negotiating contracts, Ryan suggested adding a not-to-exceed clause and requiring vendors to bill within 60 days of services rendered in order to provide better oversight.

Finally, he mentioned the idea of a "retainer" instead of pay-as-you go so that costs would not be so variable and unpredictable. All options will be considered moving forward as new contracts are negotiated this year.

L. Convert monthly Treasurer's Report to ED monthly Financial Report

Committee members discussed converting the monthly treasurer's report to an administrative office responsibility in an effort to provide better oversight of spending and budget monitoring. The office would create its own format based on examples provided by previous treasurer's reports and templates.

L. Leonard made a motion to convert the monthly treasurer's report to an ED monthly financial report to be prepared by the administration and provided to the board at each monthly meeting beginning July 1, 2016.

S. White seconded the motion.

The committee **VOTED** unanimously to approve the motion.

M. Add "Review Staff Reappointment Letters" to Annual Finance Committee Calendar (April)

Lynn will add this item to the finance committee annual calendar and it will be approved in the fall once new committees are formed.

N. Streamline Bank Accounts

Ryan recommended consolidating bank accounts in an effort to create efficiencies in their office with regards to tracking our spending and reconciling accounts. Vida currently has 3 accounts at PNC: General Operating, Petty Cash, and Student Activities. CC tracks all fiscal activity with the accounting software, isolating programs and associated expenditures and revenues. It is not necessary to have separate bank accounts for these purposes because CC already isolates the activity with the accounting.

L. Leonard made a motion to recommend that the board approve consolidating our current 3 bank accounts into one general operating account at PNC Bank.

A. Kittelberger seconded the motion.

The committee **VOTED** unanimously to approve the motion.

O. Executive Director buyout of computer

Cynthia will purchase her school laptop at her own expense. The fee will be the original purchase price minus depreciation (roughly \$2000 - \$800 = \$1200). This will allow Vida to purchase a new laptop for the incoming director that suits her needs and preferences.

P. Executive Session: Personnel matter related to budget

S. White made a motion to enter executive session at 5:30 for the purposes of discussing personnel matters with budget implications.

A. Kittelberger seconded the motion.
