A. Academic Excellence Presentation

Susan and Elizabeth shared a presentation around electives.

At Dimensions, learners get to choose 2 different electives (1 on Monday/Wednesday, 1 on Tuesday/Thursday). They stay with those choices for the full 4 week timeframe. This round 4 choices are lead by learners with support by facilitators (Cooking, Beyblades, Cheering/Break Dancing, and School Dance Planning)

At Overman, electives happen on Fridays. Each week there are different offerings and learners sign up each Friday morning. Learners are given the opportunity to lead these offerings if they want. Some special things happen during this time - college tours, off campus offerings (ice fishing, etc)

Use FlexTime scheduler to create schedules for learners and use this tool to electives as well. Facilitators set their offerings and how many learners can sign up and learners go in and sign up first thing in the morning on Fridays.
