III. Finance

A. January 2020 Financial Report

Jessica Norman (on the phone line) explains that financials show us ending the year with a strong net income and cash balance of about \$1.1M.

ExEd watches the California budget. The first iteration was just shared. It is better than last year, but not where we want it to be. It will be interesting to see the May revise.

On the expense side, the big change with the last analysis has to do with the Prop 51 energy grant (solar installation, etc.).

The P2 ADA is better than projected, which should have a positive impact on the budget.

B. 2nd Interim Financial Report

S. Nijhawan made a motion to Approve the 2nd interim.

R. Lee seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. 2019 Audit Report (Audit Committee)

The audit is clean with no findings and no recommendations.

R. Lee made a motion to Approve the 2019 audit report.

L. Hwang seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Audit Firm Selection (Audit Committee)

J. Norman explains that every year, unless we have a multiyear contract, we have to select an audit firm. Last year we used Christy White for the first time. Jessica talked with Brian and Sue and they had a good experience. The contract was for one year with option to renew. The motion on the table is to accept the contract for an additional two years.

A. Mumby made a motion to approve the auditor selection.

S. Nijhawan seconded the motion.

The board **VOTED** unanimously to approve the motion.

E. Line of Credit (First Republic) Renewal

J. Norman explains that we have a line of credit with our bank which has to be renewed every year, making sure we're still in good financial shape. It is for \$250,000. We've never had to draw from it, but it's nice to have if needed. The terms are the same as before. We will be working with ExEd to get an additional line of credit with another bank to get a larger amount, given the size of the school.

L. Hwang made a motion to approve the line of credit.

A. Mumby seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Head of School Update

A. Principal Hiring Process Update

We engaged Edgility Consulting, a national search firm, for this search. We did not engage them for the full package, only a partial package: they cultivate candidates and recruit a pool of semi-final candidates. We have a pool of four semi-finalists. Edgility has screened resumes, done video and in-person interviews. A search committee of seven people has been assembled to advise Sue, representative of the school stakeholders. The committee went through an implicit bias training. They will do the four panel interviews. The goal is to confirm the new principal by early April. Sue talked to several of the candidates already, who may be good candidates for other future positions.

B. Strategic Plan Update

Sue's role is to present implementation quarterly updates on the previously approved strategic plan. She went over some highlights in the meeting, including the special education audit that was recently conducted, and will soon be shared with the public. On the 3rd priority, we are starting the teacher residency program next year in partnership with Alder. Conversations are moving along on the 4th priority and the new campus location search. No big update under the 5th priority other than recent grant applications submitted.

Coronavirus update: we have continued to communicate with families. The California Department of Education is now advising that schools have a closure plan. They won't release their recommendations until later, so the school leadership started discussing options, including virtual schooling.

C. Board on Track Orientation

Tabled due to internet connection issue.

Board members will view the videos on their own time. The assessment needs to be taken by Board members by Friday, March 6.

VIII. Closing Items

A. Review of Action Items and Future Agenda Items

B. Review Future Board Meeting Dates

The state now requires a special LCAP public hearing before the June approval.

A suggestion is to move the May meeting to early June, and have one more meeting in April.

The other issue is that the other campus needs to be accessible for Board meetings. A suggestion is to start meetings earlier, when operations staff is still at school.

April meeting: April 23rd, 4:30pm

Early June: June 3rd, 4:30pm

June 18th meeting moved to 4:30pm.

C. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:01 PM.

Respectfully Submitted,

J. Mikuta
