The committee's goals were:

- Draft and deliver annual enrollment report to ACOE by Dec 1, 2021 and contribute to subsequent live presentation of the report, as needed
- Work with admissions staff, marketing staff, and outreach team to monitor and improve strategies to recruit underrepresented students, particularly Black families and families of students with disabilities, including by developing relationships with at least 3-5 additional relevant community-based organizations

More information will be provided as we complete registration on recruitment and admissions of underrepresented students (Black families, families of students with disabilities).

Outreach strategies:

- Build relationships and connections with preschools is going well. We need to broaden our reach geographically next year because of the second campus.

- Targeting organizations serving students with disabilities. This was our first year focusing on this and we need to continue and build on it.
