Mission Statement:

City Garden exists to *redefine education by developing the whole child in an excellent, inclusive, Montessori school; to reimagine community by creating spaces and systems that help to restore our collective humanity; and to reinvigorate our world by creating a culture in which individuals and communities thrive without disparities or barriers to success.*

C. Land Acknowledgement

Land Acknowledgement: *We, the community of City Garden Montessori honor the Illiniwek (Eel-Ly-neh-wehk) people, the original protectors of the lands that we now call St. Louis, MO. We also honor all of the people impacted by the current pandemic in our own community and across the world, and those who have been harmed by racialized violence.
