

Academic Director Report

October 2021

- Assessments/Data
 - NWEA Benchmarks
 - Fall 2021 window closed the second week of school
 - October 14, 2021, data meeting with NWEA
 - The goal for this meeting was to find a solution for analyzing data since some student did not test due to remote testing, absences, late enrollment, and students exiting the school
 - Remediation with MyPath for English and Math through Edgenuity
 - Zero period
 - Jr. High Success class
 - High School Credit Recovery Classes
 - Additional time in class
 - Next steps for NWEA
 - Teachers to administer student practice assessment
 - Administration and data team to meet about Fall 2021 data
 - Additional training for all staff
 - Students added to the correct program code for accurate reporting
 - MyPath with Edgenuity
 - Students placed in a leveled course based on their NWEA Benchmark assessment scores
 - Grades 7-11 take the remediation or advanced course
 - 12 graders are working on the College and Career Readiness course
 - PSAT
 - Administered to 78 students grades 10 and 11

- Students received study guides prior to the assessment
 - Initial ELPAC
 - ELPAC coordinator assessed 14 students based on CALPADS
 - 9 students were IFEP
 - 5 students were designated EL
- English Language Consultant
 - Met with EL team and Collaborative Educational Services to build a solid English Learner program
 - Plan to support levels 1-4
 - Suggestions for EL pullout with EL teacher and coordinator have been put into place
 - Follow up meeting to happen towards the end of the semester to see progress
- The Master Teacher
 - Virtual trainings to begin in November of 2021
 - Collaboration within departments
- Labster
 - Online virtual science labs for Independent Study Students
- Tutor.com
 - September report states we had 18 students log on (short month)
 - 4.75/5 rating for Tutor.com
 - 100% of the 18 students were tutored for Math
 - Student Feedback
 - “Glad Encore is offering this”
 - “I love this!!!!”
 - Counselors, teachers, and aides share tutor.com with parents and students
- Edgenuity Review
 - Met informally with a group of students
 - Out of district students are excited and have previous exposure to Edgenuity
 - Returning Encore students are still adapting to the curriculum change

- Second in person training is tentatively scheduled for November where teaching staff and I will work on Edgenuity data
 - Data Management and Progress Monitoring Workshop
- Rock My Campus
 - Social Emotional Learning Program for all staff and students
 - We learned and shared new experiences/feelings about the staff and Encore along with the tools that we need in order to assist everyone day to day
 - Two-day event on October 8th and 9th
 - Zoom meetings are once a month with staff
 - Administration meetings are once per quarter
 - Rock My Campus will return for students during next semester
- Special Education Professional Development
