No Items Pulled from Consent Calendar

**IV. Budget and Finance**

**A. September 2024 Financials**

VI. Thank you for accommodating the move around on the agenda. John Arndt replacing Dan Lee who is at a conference. Presenting the Encore Jr & Sr High School Financial Report as of Sept 30, 2024. Still closing October at the time of this issue. Sums up first quarter of 2024-25. Looking at our **balance sheet cash** as of Sept 30th A/R 1.1Mil is almost the same as last year at 1.8Mil. Accounts receivable which is also A/R is allocated for your property taxes comes in Oct, SPED revenue and LCFF revenue doesn't come in until October which is why A/R is normally higher in the last month of each quarter. September December, March and June. Prepaid expenditures are expenses that were amortized over the fiscal year with Fixed Assets and Right to Use Lease.

**Accounts payable accrued liabilities** maybe a negative is because we paid Sept 30th STRS & PERS payment before the fiscal month ended just because SBCSS likes to see this money usually on the 1st so had to cut the check before the first even happened.

Accounts Payable is owed to vendors so theoretically if all your cash came in plus the cash you have now, you'd be able to pay off all your A/P and that is a good thing.

**Unearned revenue** \$2 Mil, these are grants that we have not recognized as of Sept 30th.

Now we are staring to utilize these grants and starting to spend them down so as we spend them down we start reducing them on the revenues as we get to the end of the next quarter.

**Cash analysis**, right now cash is tight 13 days on hand. Doesn't mean directly after 13 days we won't be able to exist. Just means from the time math was done, it was 13 days left if the school were no longer to receive any cash. The school has continued to receive cash and checks, LCFF, EPA, SPED and any other checks that have come in.

As of today, November 18th the cash in bank is about \$175/176,000. Just is possible cash continues to stay on. This is just in case of no more cash being received. Cash in was \$742,224.23 and cash out was \$895,480.43

**Profit & Loss Total Revenue** 1.5Mil compared to last year 4.5Mil. Drastic change because Last year there was one time funding for employee retention credit, CARES money , State money that came in the beginning and reduction of enrollment money. That money is no longer around. Last year looked positive, but can be seen at a 67% drop in revenue this year. Salaries are down for certificated at 18%. When there is a reduction in revenue, you also see the loss in salaries. As of Sept, there is a loss of (\$314K). Books & Supplies and services and operations are down. Can't compare year to year because of one time funding

**Budget Comparison** using adopted budget. Look at enrollment, expenses, revenue and any grants coming in. Dan Lee is working budget and has to presented by Dec 15th and presented to HUSD earlier. As of now Sept is going to have a loss. Utilize how lines are growing and shrinking. We utilize adopted budget to move things around to get budget back into a positive amount.

## B. Surplus Property

PAIaimalo bringing 2 items to the board the Executive Director requests (not recommends) the authority to dispose of District surplus property in the best interest of Encore. We had a dishwasher grant earlier this year and we now have an energy efficient dishwasher. We would like to post the old dishwasher on offer up and get some money off of it. Pictures were displayed in board members packets. We would also like to present the 1996 Dodge Ram 1500 LT. Tags are not current, the vehicle doesn't run. We still need to get the Kelly Blue Book value of the vehicle. We would like to put this up for sale as well with the boards approval.

CSutton said, "This is just a discussion item." KLutz said we are requesting to be a motion to give approval to sell. Or to give Dr. Munoz the authorization to find the best interest to get rid of the items. In the past we have given away to second chance and would like to make some money. Give motion to give authority to Executive Director to sell these two items. Please report back to the board the status of the sales and amount of sale. Motion to give authority to sell surplus and act on behalf of Encore by K Lutz and Second by RMagana. All the board approved 4 to zero vote.

## C. 2024-2025 Stipends

I. Rapier made a motion to Approve.

K. Lutz seconded the motion.

GMunoz presented 2024-2025 stipends for club and staff members an for the course of the school year an entire list of predetermined stipends that staff are paid for an allocated

on the budget for them to be compensated. CSutton asked are these added duties, new stipend description items. Have we had this previous? Yes, This is existing stipends we are presenting as annual renewal that staff sign up at beginning of the year. Is added duties, not part of their current job descriptions. Additional duties adjunct duties they take on. CSutton are the amounts equal to previous years. Nothing has changed, these are all carried over and part of the handbook. Staff wish they were more. End of semester breaks, Feb & May performances will get at the end of the school year. The board **VOTED** to approve the motion.

### **V. Staff Reports**

#### **A. Executive Director/Principal's Report**

GMunoz will have our Williams report that was already under Consent Items. Last week we had the opportunity to present a 2" binder and we went line by line and presented supporting documentation they requested from us. We are hoping they respond in next few weeks that we are in good standing so we can move on with business as usual.

#### **B. Staff Liaison's Report**

SDeISole presented staff being busy preparing and getting ready. Having a friendsgiving this Friday as a potluck allowing significant others. As soon as Thanksgiving break is over we will hit the ground running. Going to Barnes & Noble, Dec 7th and Encore gets a percentage of sales. Night in Paris Show will be opening. Holly Jolly craft fair, Dec 17th we will be at. Large event with part of the blessed in the Mess event. Giving toys for Christmas to local families in need. Encore will be performing in the Winter Wonderland building. Free for all children. No cost for us, but good visibility for Encore. Same night closing night of Night In Paris 14th, 15th, 20th and 21st of December shows. Reach out to Sandi if you would like her to reserve a seat. Wrapping up first semester.

#### **C. Student Representative's Report**

IKim presented for student advocacy council. Main focus on tutoring efforts. There is nothing new to report. Things are quite the same.

### **VI. Human Resources**

#### **A. 2024-25 Contracts**

K. Lutz made a motion to Approve.

R. Magana seconded the motion.

GMunoz presented sample of contracts from last meeting discussions. You have contracts and different spreadsheets showing different bands of health care available for your review. CSutton asked on the document spreadsheet, the variances in the benefit amounts, are they properly in separate classification to support the differences. IMA, or partner shows the different rates. Do you know the classification breakdowns. Was sent by IMA, shows where \$15,000 for Executives and goes down the list based on classifications. Name of insurance company is IMA. What date was this sent over last few weeks, Census doesn't have the breakdown. CSutton found the breakdown in variances to show separation in classifications. Highlighted sections are vacant position. Will share the folder so that you can view all 33 contracts and should have been done in July, but will be done now.

The board **VOTED** to approve the motion.
